Enterprise Funds

Enterprise Funds account for any activity for which a fee is charged to external users for goods or services. If an activity's principal revenue source meets any one of the following criteria, it is required to be reported as an enterprise fund: (1) an activity financed with debt that is secured solely by pledge of the net revenues from fees and charges for the activity; (2) laws or regulations which require that the activity's costs of providing services, including capital costs, be recovered with fees and charges, rather than with taxes or similar revenues; or (3) pricing policies which establish fees and charges designed to recover the activity's costs, including capital costs. The Nonmajor Enterprise Funds are as follows:

Lottery Fund

The Lottery Fund accounts for lottery ticket revenues, administrative and operating expenses of the Lottery Commission, and the distribution of revenue.

Institutional Fund

The Institutional Fund accounts for the enterprise activities carried out through vocational/education programs at state institutions.

Guaranteed Education Tuition Program Fund

Paid Family and Medical Leave Compensation Fund

The Paid Family and Medical Leave Compensation Fund accounts for the family and medical leave insurance program.

Other Activities Fund

The Other Activities Fund accounts for the operation of the pollution liability insurance program, the judicial information system, the local Certificate of Participation (COP) financing program, the local government audit program, and the Secretary of State's corporate public records program.
