I. CALL TO ORDER - DISCUSSION

Dave Boerner, Chair, will call the meeting to order.

II. ROLL CALL -- DISCUSSION

Jean Soliz-Conklin will call the roll of members.

III. RECIDIVISM - ACTION

The SGC is beginning preparations to issue its statutorily-required periodic recidivism report with new requirements added by the legislature, to learn the impacts of severe cuts to community supervision. (ESSB 6444 Section 225 (2)(b) and ESSB 5288 Section 15). These new aspects will require the SGC to report on "recidivism" analyzed in relation to community supervision and the lack of it, in addition to the report on recidivism in general. This work is not only critical to criminal justice policy, but very complex, requiring high level writing skills and data analysis we will need to purchase from from another agency. **The commission will discuss varying definitions of "recidivism" and instruct staff accordingly.**

IV. BOARDS AND COMMISSIONS REQUIREMENTS - ACTION

Jean Soliz-Conklin will brief the Commission on the requirements of E2SHB 2617, comprehensive legislation related to boards and commissions. In addition, two Commission meetings in 2011 fall on mandatory state furlough days. The Commission will then be asked to plan a new meeting schedule and relocate the meetings.
