

460 - Columbia River Gorge Commission

A001 Implementation of the Management Plan and National Scenic Area Act

All counties of the Columbia River Gorge National Scenic Area administer land use policies set forth by the Gorge Commission, with the exception of Klickitat County. (The Commission implements these policies for Klickitat County.) The Commission reviews county-approved plans for development to ensure consistency with the National Scenic Area Act and Management Plan and disperses grant funding to Clark and Skamania counties to provide planning and permitting services required by the Management Plan. It also reviews federal monies dispensed by Oregon and Washington investment boards in the form of economic development loans and grants.

A002 Policy Making and Hearing Citizen Appeals

The primary function of the agency is to set land use policies for counties with land in the National Scenic Area. The counties of the Gorge area carry out these policies and issue land use decisions. Citizens may appeal county decisions to the Commission, which acts as a quasi-judicial body by reviewing the facts of the case and rendering a final decision.
