

# 110 - Office of Administrative Hearings

## A001 Administrative Hearings

The Office of Administrative Hearings (OAH) resolves administrative disputes between members of the public and most state agencies. Issues that come before OAH include requests for unemployment insurance or public assistance benefits, child and vulnerable adult abuse concerns, child support liability, business and professional licensing (ranging from electrical contractors to nursing homes and daycare facilities), special education, whistleblower cases for local governments, and other disputes in which due process of law requires a hearing. At hearing, the participants present evidence and testimony. At the conclusion of the hearing, an administrative law judge issues a written order containing findings of fact and conclusions of law on all contested issues. The agency’s services are funded by payments made by the affected client agency.
