SUBJECT: \$50 MILLION LIST OF CAPITAL PROJECT REDUCTIONS

The 2010 Legislature directed the Office of Financial Management (OFM) to provide a \$50 million list of capital project savings by December 31, 2010 (ESHB 2836, Section 1023). OFM has provided the Legislature with this list.

We ask that you review this project savings list posted on our website at http://www.ofm.wa.gov/budget/capital/50_million_project_savings_list.pdf. If a project is not included on this list, the agency is now authorized to continue moving forward with the project. If a project is on the list, the agency must place these identified funds in reserve status until the Governor signs the 2011-13 Capital Budget into law.

If you have any questions, please contact Tom Saelid at (360) 902-0562.
