SUBJECT: ADDITIONAL CORRECTIONS TO THE \$50 MILLION LIST OF CAPITAL PROJECT SAVINGS

On January 12, 2011, the Office of Financial Management sent the Senate Ways and Means Committee, House Capital Budget Committee, and selected agency directors an updated \$50 million list of capital project savings as required by Engrossed Substitute House Bill 2836. The list has again been updated to reflect additional corrections in agency data that became available after the January 12 update. All of the corrected savings data are included with this updated \$50 million list and available online at:

http://www.ofm.wa.gov/budget/capital/capital_project_savings_list_20110121.xlsx.

I regret any confusion this may have caused. Any questions about the savings data or the prioritization of the final list can be directed to Steve Lewandowski at 360-902-0384.
