

# 2001-03 Performance Progress Report

## For Quarter Ending 6/30/2003

Agency 144

### Municipal Research Council

#### Mission

---

The mission of the Municipal Research Council is to work together for excellence in local government.

**Goal** Conduct an inquiry program to receive and respond to questions and research requests from city officials and staff that offers quick access to information and advice on legal and policy issues from an independent and objective source.

**Performance Measure** By survey, percentage of respondents stating the information provided by the Municipal Research and Services Council met their needs.
