

# 2001-03 Performance Progress Report

## For Quarter Ending 6/30/2003

Agency 147

### Office of Minority and Women's Business Enterprises

#### Mission

---

The Office of Minority and Women's Business Enterprises's mission is to create and ensure an equitable public contracting and procurement environment in which all qualified and available minority and women owned and controlled businesses are able to participate without preference or discrimination based on race and gender.

**Goal** Improve the economic benefits of public contracting and procurement for minority and women owned business enterprises.

**Performance Measure** Percentage of certified firms contracting with Washington State.
