A002 Braille Production and Distribution

Statewide Result Area: Improve student achievement in elementary, middle and high schools
Statewide Strategy: Give students individual attention

Expected Results

WSSB will provide blind and visually impaired children and individuals with appropriate materials, supplies, and equipment in a timely manner to facilitate learning on an even pace with their sighted peers. Measurements will be taken in the following areas to address achievement of this goal. Districts ordering textbooks, materials and equipment will be provided these materials when needed by the student. WSSB will work with districts to implement a student registration fee system in order to have the necessary funding to provide services requested by districts. WSSB will implement a web-based, on-line sourcing, registration, and search program that will assist in the efficient operation of the resource center. Eighty percent of local districts will rank the resource center’s service as 4.0 or higher, with 5.0 as the highest measure. This activity also contributes to the customer satisfaction measure listed with the On-Campus 24-Hour Educational Program activity.

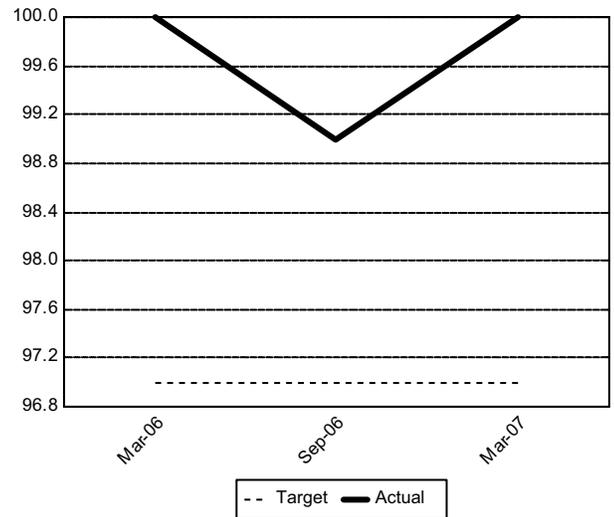

Percentage increase in braille transcription services

A003 Intensive Training Opportunities

Statewide Result Area: Improve student achievement in elementary, middle and high schools
Statewide Strategy: Give students individual attention

Expected Results

WSSB will provides students with individualized and/or small group intensive orientation and mobility and/or daily living skills instruction on a weekly or more frequent basis, as needed. WSSB will afford its students the opportunity to participate in an array of on-campus and community-based recreation and leisure activities. Measurements will be taken in the following areas to address achievement of this goal. Using established task competency checklists for orientation and mobility and daily living skills, WSSB will conduct an initial ability-level assessment and ongoing semester, annual, or exit skills updates, determined by student enrollment period. Ninety percent of students will demonstrate a minimum 50 percent skill growth rate between the initial evaluation and follow-up age or cognitively-based skills measurements. During WSSB enrollment, students will identify and demonstrate the ability to access a minimum of four recreation and leisure activities s/he has experienced and intends to incorporate into her/his post-WSSB life. This activity also contributes to the customer satisfaction measure listed with the On-Campus 24-Hour Educational Program activity and to the distance learning measure listed with the Off-Campus Services to Students activity.

A004 Off-Campus Services to Students/Districts

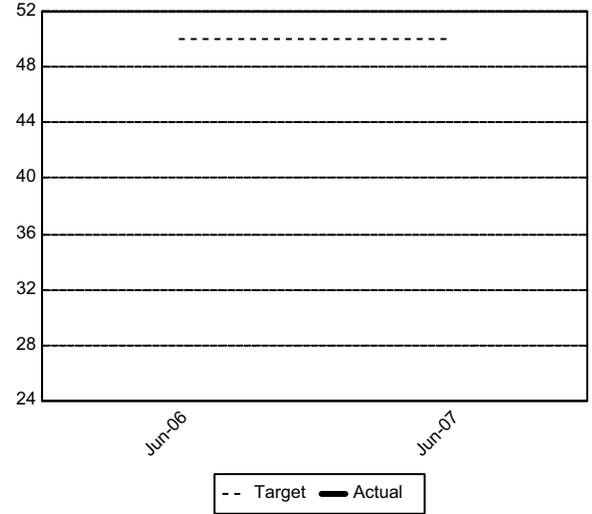

Statewide Result Area: Improve student achievement in elementary, middle and high schools
Statewide Strategy: Support parent and community connections

Expected Results

WSSB will continue to develop partnerships with local school districts and improve services to underserved and non-served children throughout the state. Measurements will be taken in the following areas to address achievement of this goal. WSSB will increase partnerships with districts by five percent per year. WSSB will work with university training programs throughout the country in establishing new ways to train teachers of the blind for the state of Washington, which will result in six new teachers per year. Eighty percent of all districts will rank WSSB’s outreach services as 4.0 or higher, with 5.0 as the highest measure. Eighty percent of parents of children in local districts will rank WSSB’s outreach services as 4.0 or higher, with 5.0 as the highest measure. This activity also contributes to the customer satisfaction measure listed with the On-Campus 24-Hour Educational Program activity.

Percent of Washington State School for the Blind high school students enrolled in on-line classes.

A005 On-Campus 24-Hour Educational Program

Statewide Result Area: Improve student achievement in elementary, middle and high schools

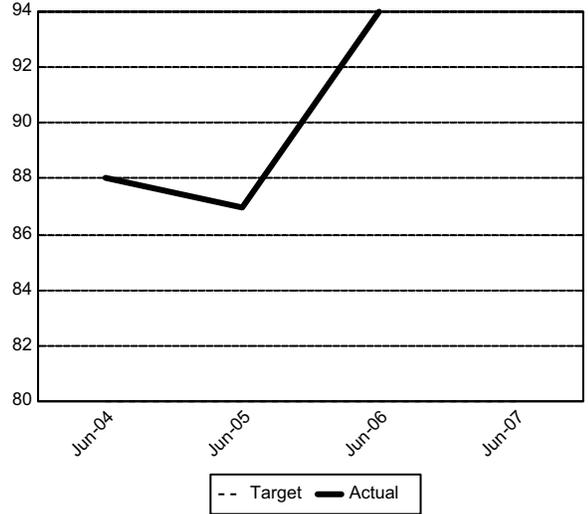

Statewide Strategy: Give students individual attention

Expected Results

Students will be provided intensive 24-hour educational experiences that will allow them to be successful as adults and in their local districts. Measurements will be taken in the following areas to address achievement of this goal. A minimum of 80 percent of the graduates will have successful transitions to employment, post secondary education, and/or transition settings as stated in each student’s IEP transition plan. Ninety percent of students returned to local districts will be successful and have no need to return to WSSB for full-time additional intensive service. Eighty percent of all parents will rate WSSB’s on-campus program as 4.0 or higher (with 5.0 as the highest measure) based upon an annual parent quality survey.
