### A003 Intensive Training Opportunities

Statewide Result Area: Improve student achievement in elementary, middle and high schools

Statewide Strategy: Give students individual attention

Expected Results

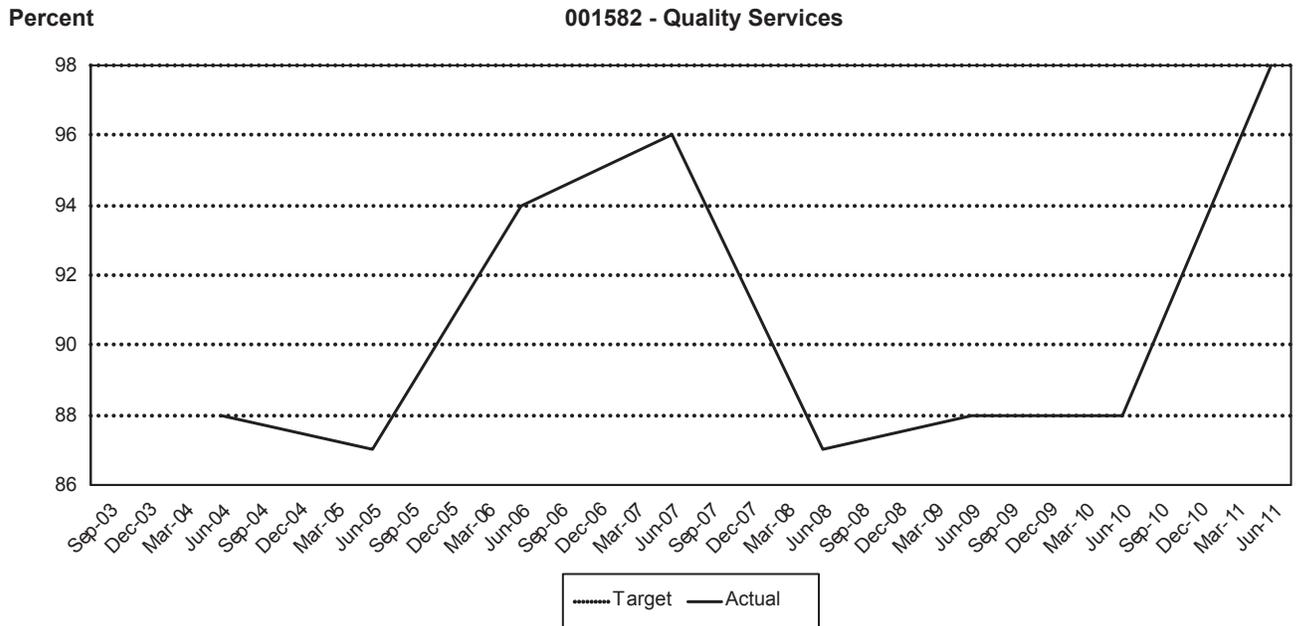

As of 9/26/2011

WSSB will provides students with individualized and/or small group intensive orientation and mobility and/or daily living skills instruction on a weekly or more frequent basis, as needed. WSSB will afford its students the opportunity to participate in an array of on-campus and community-based recreation and leisure activities. Measurements will be taken in the following areas to address achievement of this goal. Using established task competency checklists for orientation and mobility and daily living skills, WSSB will conduct an initial ability-level assessment and ongoing semester, annual, or exit skills updates, determined by student enrollment period. During WSSB enrollment, students will identify and demonstrate the ability to access a minimum of four recreation and leisure activities s/he has experienced and intends to incorporate into her/his post-WSSB life. This activity also contributes to the customer satisfaction measure listed with the On-Campus 24-Hour Educational Program activity and to the digital learning measure listed with the Off-Campus Services to Students activity.

 Statewide Strategy: Support parent and community connections

Expected Results

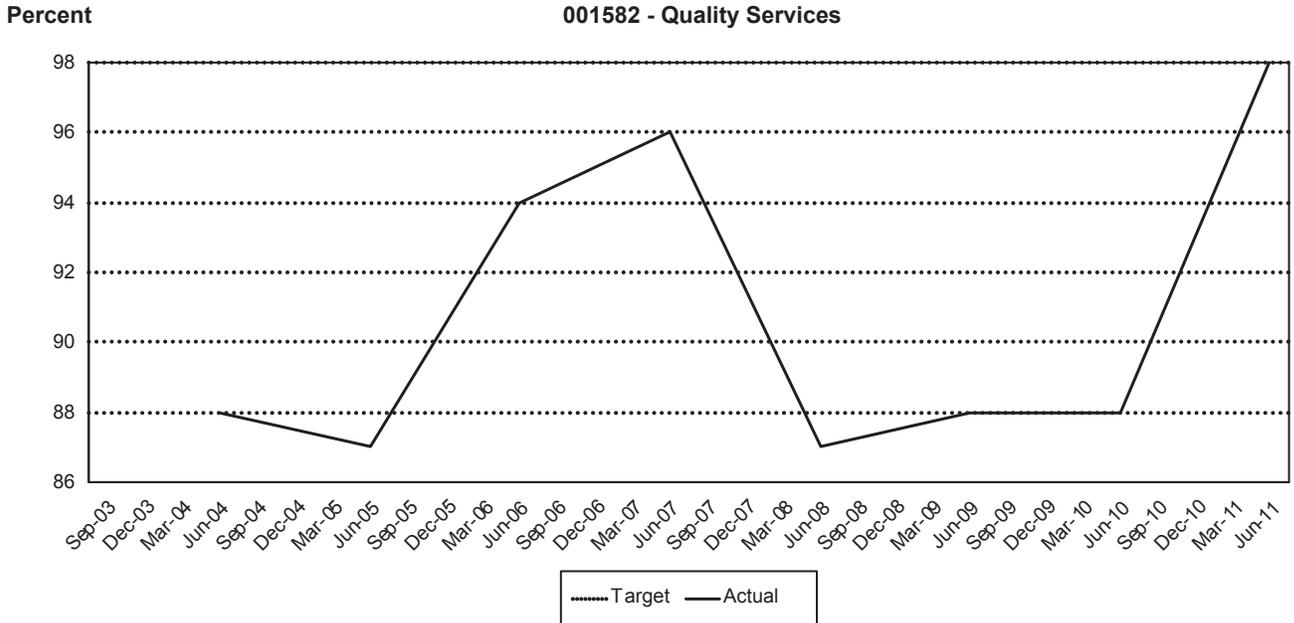

As of 9/26/2011

WSSB will continue to develop partnership services with local school districts and improve services to underserved and non-served children throughout the state. Measurements will be taken in the following areas to address achievement of this goal. WSSB will increase partnerships with districts by five percent per year. WSSB will work with university training programs throughout the country in establishing new ways to train teachers of the blind for the state of Washington, which will result in six new teachers per year. Ninety percent of all districts will rank WSSB’s outreach services as 4.0 or higher, with 5.0 as the highest measure. Ninety percent of parents of children in local districts will rank WSSB’s outreach services as 4.0 of higher, with 5.0 as the highest measure. This activity also contributes to the customer satisfaction measure listed with the On-Campus 24-Hour Educational Program activity.
