### A003 Public Outreach and Technical Assistance to Counties

**Statewide Result Area:** Improve the quality of Washington’s natural resources

**Statewide Strategy:** Preserve, maintain and restore natural systems and landscapes

#### Expected Results

Increased understanding of the Scenic Area Act by the citizens and counties of the Gorge. Decreased appeals by citizens due to an increased understanding of the guidelines, and increased development that meets those guidelines. Land use decisions by the county planning departments that are consistent with Scenic Area guidelines. Understanding of the guidelines by the county planners that will result in decisions that comply with Scenic Area guidelines. A greater ability of the county planners to explain Scenic Area guidelines to citizens of their counties. This will result in fewer appeals to the Commission of county decisions. Note - this activity also contributes to the decision review measure listed at the Implementation of the Management Plan and National Scenic Area Act activity.
