

275 - Public Employment Relations Comm

A001 Dispute Resolution of Public Employer Labor Disputes

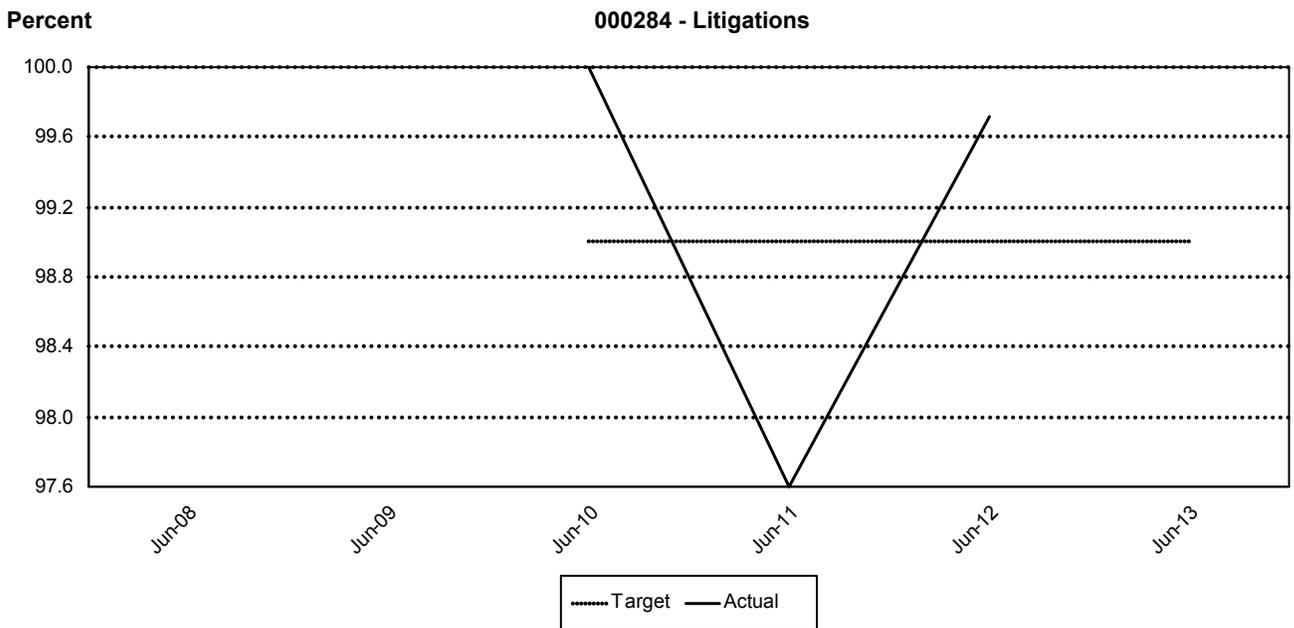

Statewide Result Area: Strengthen government's ability to achieve results efficiently and effectively

Statewide Strategy: Provide a capable workforce to execute government functions

Expected Results

The Commission continues to minimize or eliminate the disruption of public services due to labor-management disputes. This involves continuing to resolve contract negotiation impasses without work stoppages in over 98 percent of cases brought before the Commission. Although disputing parties may appeal a PERC decision to the court system, more than 99 percent of all adjudicatory proceedings before the Commission continue to be resolved as processed/decided at the agency level.
