A002 Pollution Liability Reinsurance

Statewide Result Area: Improve the quality of Washington’s natural resources
Statewide Strategy: Establish safeguards and standards to protect natural resources

As of 9/3/2013

Expected Results

As a result of PLIA providing reinsurance services to the commercial insurance industry, small business owners and operators of petroleum storage tanks are able to purchase pollution liability insurance at affordable rates. Direct savings to this sector of Washington's economy total \$20,000,000 per year in insurance premiums. Washington homeowners are also directly protected from pollution liability through the oil heat program.
