## 135 - Innovate Washington

### A003 Economic Development

**Statewide Result Area:** Prosperous Economy

**Statewide Strategy:** Develop markets by promoting Washington products and services

#### Expected Results

The state's investments in innovation-based economic development are highly leveraged by securing non-state funding to supplement the state's investments. More people are employed in jobs sustained by the innovation-based sectors. More profitable businesses and prosperous individuals are developed and retained. State-owned accelerator facilities are operated for optimum effectiveness.
