**SUPPLEMENTAL CHANGES**

**Online Recruiting Service**

To support the state's online recruitment tool (E-Recruiting), additional funds are provided for a one-time charge from the Department of Personnel. This will improve the ability of agencies to manage their recruitment and hiring processes as required by the Personnel System Reform Act of 2002.

**PEBB Rate Reduction**

The state contributes 88 percent of the total weighted average of the employee health care premium and also pays for the cost of dental, life and long-term disability insurance. Total Public Employees Benefit Board (PEBB) expenditures for the 2007-09 Biennium are anticipated to be lower than budgeted because (1) health plan costs for calendar year 2008 are lower than expected, which will benefit both the state and its employees; (2) the Uniform Medical Plan continues to perform better than projected; and (3) funding was removed from the PEBB administrative cost allocation for an information technology system replacement due to the restrictive nature of federal funding. The state employer contribution rate will be reduced from \$732 per month to \$575 per month. This one-time reduction will leave an unrestricted fund balance of \$19.2 million at the end of Fiscal Year 2009. (General Fund-State, various other funds).
