**SUBJECT: TECHNICAL REVISION TO GOVERNOR'S PROPOSED 2010  
SUPPLEMENTAL TRANSPORTATION APPROPRIATIONS BILL**

The Department of Transportation has notified us of a technical error related to the calculation of gas tax distributions. This correction will result in higher adjusted beginning fund balances for both the Motor Vehicle Account and the Transportation 2003 Nickel Account.

The additional beginning balance in the Motor Vehicle Account should have been included in the amount shown in Section 407(2) of the proposed 2010 Supplemental Appropriations bill. In the Administrative Transfers section, the Motor Vehicle Account-State transfer to the Puget Sound Ferry Operations Account-State should be \$60,500,000 rather than \$51,000,000.

This information has been conveyed to legislative staff. Please do not hesitate to contact us if you have any questions.
