¹The Washington Association of Sheriffs and Police Chiefs (WASPC) is converting to a new program. Some agencies are still on the old program; however, many have made the move to the new program, the Jail Booking and Reporting System, and are no longer sending the other data to WASPC. Data for 2006 are from those agencies still reporting under the old program. Some data are estimated.

²DWI = Driving While Influenced; some are listed in the Misdemeanant category.

³Includes Hispanics.

⁴From 2006 forward, includes "Other Race."

¹In City of Redmond v. Moore, 151 Wn.2d 664 (2004), the Washington State Supreme Court held that "Driving With License Suspended" (DWLS) statutes providing for the mandatory suspension of a driver's license without an administrative hearing violate procedural due process and are unconstitutional. The large percentage variations from 2003 to 2005 are due in large part to that decision.

²Does not include related criminal charges, which are included in non-traffic misdemeanors.

³Municipal matters include filings in both contracting municipalities and independent municipal courts.

¹Implementation of the new Appellate Court Records and Data System (ACORDS-II) in the appellate courts in 2003 has enabled improved reporting categories and inclusion of review types that were not published in previous annual reports (death penalty reviews, attorney admission and discipline matters, and miscellaneous motions for review). Figures for 2000-2002 have been recomputed accordingly for presentation in the 2003 and future publications.
