¹The North American Industry Classification System (NAICS) was developed jointly by the U.S., Canada and Mexico. It is a comprehensive classification system which groups establishments into industries based on their primary activities, both goods producing and services providing. NAICS replaced the Standard Industrial Classification (SIC) system.

²Services Providing includes Government.

Note: The data was extracted and summarized from the Nonfarm Industry Employment, Historical Series, seasonally adjusted on the Workforce Explorer site at: <http://www.workforceexplorer.com/>
