

PHASE 2 RULE-MAKING PROCESS AND SCHEDULE

PROCESS

- CR 101, Pre-notice Inquiry, must be published 30 days prior to filing the notice of proposed rule-making.
- CR 102, Notice of Proposed Rule-making, original and 6 copies must be filed with the full text of the proposed rule. It must be filed electronically to the code reviser by noon, 14 days prior to distribution date and published at least 20 days prior to the rule-making hearing.
- The hearing, where comments can be provided in person, is held. All comments must be addressed as to whether changes were made because of the comment or if not, why, prior to adopting the rule.
- CR 103, Rule-making Order, must be filed for the rule to be adopted. The rule will be effective 31 days after the filing.
