PREAMBLE

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and a coalition of all of the exclusive bargaining representatives described in Appendix A, “Coalition Exclusive Bargaining Representatives,” who are subject to [RCW 41.80.010](#) and represent fewer than a total of five hundred (500) employees each, referred to as the “Union.”

If a new general government bargaining unit is certified by the Public Employment Relations Commission during the term of this Agreement and that exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply.

If a Coalition exclusive bargaining representative exceeds five hundred (500) members during the term of this Agreement, the Agreement will remain in full force and effect for that union until the expiration of the Agreement and negotiation of a successor Agreement.

ARTICLE 1
RECOGNITION CLAUSE

- 1.1** This Agreement covers the employees in the bargaining units described in Appendix A, “Bargaining Units Represented by the Coalition Exclusive Bargaining Representatives,” but it does not cover any statutorily excluded positions or any positions excluded in Appendix A. The titles of the classifications listed in Appendix A are listed for descriptive purposes only.
- 1.2** If the Public Employment Relations Commission certifies a new bargaining unit in general government during the term of this Agreement and the exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply. The Employer agrees to enter into negotiations regarding mandatory subjects with the newly added group to discuss any bargaining unit specific concerns which are not addressed in this Agreement. The Employer shall provide copies of any agreement reached with that group to the remaining representatives.

ARTICLE 2
NON-DISCRIMINATION

- 2.1** Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, genetic information, creed, national origin, political affiliation, military status, status as a veteran who has received an honorable discharge or been discharged with an honorable record, a disabled veteran or Vietnam era veteran, sexual orientation, any real or perceived sensory, mental or physical disability, or union activities. Bona fide occupational qualifications based on the above traits do not violate this Article.
- 2.2** Both parties agree that unlawful harassment will not be tolerated.
- 2.3** Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following completion of the internal complaint process, the Union may request the grievance process be continued. Such request must be made within seven (7) calendar days of the employee and the Union being notified in writing of the findings of the internal complaint.
- 2.4** Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

ARTICLE 3 BID SYSTEM

3.1 Applicability

- A. This Article applies only to employees in the Master, Mates & Pilots (MM&P), Washington State Nurses Association (WSNA), Union of Physicians of Washington (UPW), Washington State Patrol Communication Manager's Association (WSPCMA), Affiliated Washington Pharmacists (AWP), International Association of Fire Fighters (IAFF), Teamsters Enforcement Sergeants ([Section 3.15](#) only), and FWOOG Enforcement Officers bargaining units (Section 3.15 only).
- B. This Article does not apply to the filling of non-permanent, on-call, project or career seasonal positions.
- C. The Employer will comply with the provisions of this Article prior to filling vacancies in accordance with [Article 4](#), Filling of Vacancies.

3.2 Definitions

For purposes of this Article only, the following definitions apply:

- A. Bid Positions
Positions filled as a result of a bid.
- B. Bid System
A process allowing employees with permanent status to submit bids to other positions within their employing institution in the same job classification in which they currently hold permanent status or to a lower classification within the bargaining unit for which they have previously held status. A permanent part-time employee will be eligible to bid for full-time positions after completing one thousand and forty (1,040) hours of employment within the job classification. A permanent full-time employee will be eligible to bid to a part-time position in the same job classification in which he/she currently holds permanent status or to a lower classification within the bargaining unit for which they have previously held status.
- C. Position
A particular combination of shifts and days off.

3.3 Components of a Bid

Bids shall indicate the employee's choice of shift, days off and job classification. Employees shall be responsible for the accuracy of their bids. Each bid shall remain active for a period of six (6) months from the date submitted by the employee.

3.4 Submittal, Withdrawal and Denial of Bids

Any bids submitted after the date a vacancy is considered to have occurred shall not be considered for that vacancy. Employees may withdraw their bids, in writing, at any time prior to the referral. An employee's bid request may be denied if the employee has documented attendance or performance problems or if he/she has not demonstrated he/she has the skills and abilities or licensing for that position as determined by Management.

A. MM&P

Bids will be submitted to the Marine Manager and upon receipt will be dated with a copy returned to the employee and the original maintained on file in the Marine Manager's Office.

B. IAFF

Bids will be submitted to the Fire Chief and upon receipt will be dated with a copy returned to the employee and the original maintained on file in the Fire Chief's Office.

3.5 New Positions or Reallocated Positions

When a new position is established or a current vacant position is changed, the Employer will post the position for seven (7) calendar days if the combination of shift and days off does not currently exist.

3.6 Vacancy

For purposes of this Article, a vacancy occurs when:

A. An employee notifies management, in writing, that he/she intends to vacate his/her position; or

B. Management notifies an employee, in writing, that the employee will be removed from his/her position.

C. Masters, Mates and Pilots:

A position's assigned day(s) off change by one (1) or more days, or shift hours change by more than two (2) hours. In these cases, if the position is filled at the time of the change, the incumbent may elect to remain in the position. If the incumbent elects not to remain in the position, he/she may elect to assume a position currently occupied by an employee with less seniority than themselves within the same job classification providing they have demonstrated the skills and abilities or licensing for that position as determined by Management. This process shall continue until all bargaining unit positions are filled.

3.7 Awarding a Bid for Washington State Nurses Association (WSNA)

When a permanent vacancy occurs, the Employer shall determine if any employee has submitted a bid request for the shift and days off. Seniority shall prevail provided the employee has the skills and abilities necessary to perform the duties of the position.

- 3.8 Awarding a Bid for Masters, Mates and Pilots (MM&P)**
When a permanent vacancy occurs, the Employer shall determine if any employee has submitted a bid request for the shift and days off. Seniority within the Marine Department shall prevail provided the employee has the skills and abilities necessary to perform the duties of the position.
- 3.9 Awarding a Bid for Union of Physicians of Washington (UPW)**
When a permanent vacancy occurs, the Employer shall determine if any physician has submitted a bid for that particular opening. Management shall consider all bids according to seniority provided the physician has the skills and abilities necessary to perform the duties of the opening. Each senior physician considered, but not appointed, shall be notified in writing of the reasons why he/she was not appointed.
- 3.10 Awarding a Bid for Washington State Patrol Communication Manager's Association (WSPCMA)**
When a permanent vacancy occurs, the Employer shall determine if any Communication Officer Manager (CO 4) has submitted a transfer request for that particular position. Management shall consider all requests in order of receipt provided the employee has the skills and abilities necessary to perform the duties of the position. Each employee considered, but not appointed, shall be notified in writing of the reasons why he/she was not appointed.
- 3.11 Awarding a Bid for International Association of Firefighters (IAFF)**
When a permanent vacancy occurs, with the exception of position WV98 (working title Assistant Fire Chief), the Employer shall determine if any employee has submitted a bid request for the shift. Seniority within the Fire Dept shall prevail.
- 3.12 Awarding a Bid for Affiliated Washington Pharmacists (AWP)**
When a permanent vacancy occurs, the Employer shall determine if any pharmacist has submitted a bid for that particular opening. Management shall consider all bids according to seniority provided the pharmacist has the skills and abilities necessary to perform the duties of the opening. Each senior pharmacist considered, but not appointed, shall be notified in writing of the reasons why he/she was not appointed.
- 3.13 Commitment Following an Award or Employee Refusal of a Bid**
When an employee has been awarded a bid, or refuses an awarded bid, the employee will be prohibited from requesting other bids for a minimum of six (6) months. The six (6) month period will begin on the first day the employee is assigned the new shift and/or days off. All other active bids the employee has on file will be removed from the bid system.
- 3.14 Reassignment from a Bid Position**
Nothing in this Article shall preclude management's right to reassign an employee from his/her bid position to another position on a different shift or to a position

with different days off, provided the employee is notified, in writing, of the reason(s) for the reassignment.

3.15 Department of Fish and Wildlife – Enforcement Division Sergeants and Officers

- A. Openings will be posted via department intranet and e-mail for a period of not less than fourteen (14) calendar days. Eligible employees may bid on openings during the posting period. Eligible employees are defined as those who hold permanent status in the level of the bid position. Employees without permanent status in the level of the bid position may bid only: (a) when there are no permanent status bids, and (b) when it is deemed beneficial to the program by the Chief.

- B. If a new or vacant position is to be filled, time in grade will prevail provided the employee has the basic skills and abilities necessary to perform the duties of the specific position. Time in grade includes all non-permanent, probationary, trial service and permanent time in the employee's job classification within the Department of Fisheries, Department of Game/Wildlife, and Department of Fish and Wildlife.

An employee's bid request may be turned down if the employee has had documented performance problems of an on-going nature within the past two (2) years.

- C. Employees who are awarded a bid will fill the position thirty (30) calendar days following the notification of selection. Sergeants will be paid travel in accordance with [Article 22](#), Travel, with prior written approval by the Chief or designee.

- D. Employees will have a ninety (90) calendar day period to establish a permanent residence after filling the bid.

Sergeants must establish a permanent residence within thirty five (35) miles of the detachment office and within their detachment boundaries. In the event the Department relocates a detachment office that increases the mileage from a Sergeant's current residence, the Sergeant will not be required to relocate. In the event the Department has not established a detachment office, a Sergeant may use his/her residence as the office. When this occurs, the Department shall establish a clearly defined geographical area within which a Sergeant must establish a permanent residence.

Officers must establish a permanent residence within twenty (20) miles of the legal boundary of the city and within the boundaries of the detachment as designated by the Department during the bid process. Residency requirements established prior to June 1, 2012 will remain in effect. However, if an employee is in the position whose residency requirement was established prior to June 1, 2012, he may request that the Employer

establish a new residency requirement utilizing the provisions of this subsection. The Chief or designee will select a city or town from which the mile limit will be measured. The Employer will not pay for any moving expenses related to employee requested moves.

E. Permanent residence is defined as where an employee physically lives or physically resides. The methods normally used to determine residency will be as follows:

1. Mailing address;
2. Utility and service bills;
3. Residence, rental or ownership agreement; and
4. Telephone number.

F. The parties agree that the permanent residence will be the official duty station.

G. Employees Assigned to Headquarters

For employees assigned to headquarters, Natural Resource Building, 1111 Washington Street SE, Olympia, WA, commute time will not be considered work time unless the time is part of a response to an enforcement action taken diving to or from headquarters.

H. Hardship Transfers

For purposes of this Article, a hardship transfer is defined as a medical or safety-threatening situation causing specific loss or suffering to an employee or the employee's spouse, children, parents, or spouse's parents. This provision includes stepchildren and stepparents. Employees who have a hardship may request a hardship transfer to a vacant or new position. Requests for hardship will be submitted to the Union. Those supported by the Union will be forwarded with a written record of support, including the original employee request and all supporting documentation, to the Appointing Authority/Chief for consideration. The Appointing Authority/Chief's decision on the request for a hardship transfer will be final and is not subject to the grievance procedure.

I. Measuring Distance for Residency Compliance

The Internet program MapQuest.com (fastest route) will be the official measurement of the distance from the boundary of the assigned geographic area, or from the detachment office or duty station, to the employee's residence. If MapQuest.com does not recognize a street name or address, the employee will be responsible for finding the nearest address that MapQuest.com does recognize and then driving the remaining distance with the supervisor to determine whether the residence is within the mileage limitations.

The mileage determination on MapQuest.com will not contain water (ferry) miles, airline, straight line or any other method of mileage measurement other than all season, paved, maintained streets recognized by MapQuest.com that are generally open, passable, and available to be used by employees to travel to and from their duty station.

ARTICLE 4 FILLING OF VACANCIES

- 4.1** The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification that is being filled. If the Employer converts a position which results in it no longer being in the bargaining unit, the Employer will fulfill its obligation to bargain. Only those candidates who have the position-specific skills and abilities required to perform the duties of the vacant position will be referred for further consideration by the employing agency.
- 4.2** An agency's internal layoff list will consist of employees who have elected to place their name on the layoff list through [Article 35](#), Layoff and Recall, of this Agreement and are confined to each individual agency.

Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position-specific skills and abilities to perform the duties of the position to be filled. If there is a tie for the last

The employer will provide the employee two (2) working days' notice prior to the effective date of the separation. The day that notification is given is considered the first day of notice. If the Employer fails to provide two (2) working days' notice, the separation will stand and the employee will be entitled to payment of salary for up to two (2) working days, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status. The separation of the probationary employee will not be subject to the grievance procedure.

The length of the new probationary period may be adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than as defined in Subsection A.1, above.

1. Except for those employees in an in-training appointment, all other employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months. The Employer may extend the trial service period to no more than twelve (12) consecutive months, provided the employee is given written, performance based reasons for the extension. The Employer agrees to notify the employee when it intends to extend the trial service period beyond six (6) months. The employee may choose to notify the union.
2. Any employee serving a trial service period will have his/her trial service period extended, on a day-for-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.
3. An employee serving a trial service period may voluntarily revert to his/her former position within fifteen (15) days of the appointment, provided that the position has not been filled or an offer has not been made to an applicant. With the Appointing Authority's approval, an employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same agency that is:
 - a. Vacant or filled by a non-permanent employee and is within the employee's previously held job classification.
 - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

Physicians are expected to work as many hours as necessary to accomplish their assignment or fulfill their core responsibilities. However, because DSHS has a unique situation that requires physicians to work hours over and above those necessary to accomplish their assignment and fulfill their core responsibilities, physicians will receive additional straight time pay at their regular rate of pay for working these “extra duty” hours.

“Extra Duty” is defined as work hours that are hours over and above those necessary to accomplish the physician’s regular assignment and fulfill their core responsibility. These “extra duty” hours typically include covering hours/shifts not regularly assigned to any other physician, on-call work, covering patient loads due to vacancies or working hours that are not covered because of leave usage by the regularly assigned physician. When seeking to fill the extra duty hours, the Employer retains the right to assign any physician who has the appropriate skills and abilities required for the extra duty to create equitable distribution of work. Management will ask for volunteers for the extra duty, but retains the right to select any physician for the extra duty regardless of whether there are volunteers or not and retains the right to restrict the number of extra duty assignments that any one physician works.

E. AWP

In such case, the Employer will provide notice to the employee with written confirmation to follow.

C. Temporary Schedule Changes

Employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. Overtime-eligible employees will receive three (3) calendar days' written notice of any temporary schedule change. The day that notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change.

- B. Detachment Sergeants will take the resulting plan and meet with Detachment Officers prior to the beginning of the twenty-eight (28) day work period, as soon as possible, to schedule patrols and other assignments and to identify officers' days off, ensuring the regional plan will be accomplished. The resulting detachment plan will be forwarded to the Captain for review and final approval.
- C. Sergeants will provide weekly updates to the Captain, to include deviations from the plan and anticipated changes for the upcoming week. Sergeants will manage their Detachments to accomplish the Agency mission, regional plans, detachment plans and emergent situations.
- D. A "Scheduled Day Off" is defined as a day off during the upcoming twenty-eight (28) day period approved by the Captain. Prior to the beginning of the upcoming twenty-eight (28) day work period, Sergeants may identify eight (8) scheduled days off for said twenty-eight (28) day work period, normally two (2) days off per week. For the twenty-eight (28) day period, four (4) of the scheduled days off will be weekend days. The Captain may approve requests for additional weekend days. The Captain may deny the requests for scheduled days off in accordance with [Subsection 7.4 A](#) of this Article; however, the specific or personal needs of the Sergeants will be taken into consideration. When mutually agreed, changes to scheduled days off may be approved.

Work schedules may be changed on a temporary, permanent, emergency or employee-requested basis in accordance with [Subsections 7.3 C through F](#), above.

The only exception to the above is in those rare instances when a Sergeant is at the end of the twenty-eight (28) day period and is unable to complete the one hundred seventy-one (171) hours due to the unscheduled/unplanned sick leave or leave in lieu of sick leave. If this occurs, the Sergeant must submit a request to the Captain, or in the Captain's absence to the deputy Chief, for an exception to the leave limits described above.

- F. Each workday will include a thirty (30) minute paid meal period as near the middle of the workday as practical. Paid rest breaks shall consist of two (2) fifteen (15) minute periods, one during the first one-half (1/2) of the shift and one in the second one-half (1/2) of the shift. Based on program needs, each supervisor has the authority to make final decisions necessary to plan and schedule the time, place and methods of the work to be performed by employees of his or her detachment or unit; however, supervisors will attempt to meet officers' personal needs. The result of the meeting will be a twenty-eight (28) day detachment or unit plan that will be forwarded to the Captain for final approval. The approved plan will be forwarded to regional staff and the appropriate emergency communication center(s).

C. Days Off

Officers will request days off as Preferred Days Off (PDO) or as Regular Days Off (RDO) at the planning meeting. Supervisors may deny requests for days off to provide for and schedule patrol priorities. When the supervisor has approved requests for PDOs, they may be cancelled by the supervisor within seventy-two (72) hours' notice without incurring callback pay. If a PDO is cancelled with less than seventy-two (72) hours' notice, the Department will compensate the officer in accordance with Section 42.17 of Article 42, Compensation. Additional hours worked on a cancelled PDO will be compensated at the regular rate of salary and will be part of the normal one hundred seventy-one (171) hour work period. Officers wishing to change a PDO must also provide seventy-two (72) hours' notice to their supervisor. Approvals with shorter notice may be granted by mutual agreement between the supervisor and the officer. Cancellation of a RDO by the supervisor will not result in callback compensation. Officers that wish to adjust RDOs may request those changes in advance from their supervisor. Officers will normally work at least two (2) weekends each work period. Non-weekend days off will be consecutive unless otherwise selected by the officer. Officers who do not participate in the planning process may have their days off unilaterally set by their supervisor.

If leave is taken in conjunction with hours worked, the combination of hours worked and sick or annual leave taken will not exceed nine (9) hours in any twenty-four (24) hour period or forty-five (45) hours in any consecutive seven (7) day period.

The only exception to the above is in those rare instances when an Officer is at the end of the twenty-eight (28) day period and is unable to complete the one hundred seventy-one (171) hours due to the unscheduled/unplanned sick leave or leave in lieu of sick leave. If this occurs, the Officer must submit a request to the Supervisor, or in the Supervisor's absence to the Captain, for an exception to the leave limits described above.

E. Meal Periods

12.5 Vacation Leave Usage

- A. Vacation leave will be charged by rounding upward to the nearest one-tenth (1/10th) of an hour increments.
- B. Employees may request vacation leave at any time on a first come, first served basis; however, posted vacation schedules shall take precedence.
- C. Employees will not request or be authorized to take scheduled vacation leave if they will not have accrued sufficient vacation leave credits to cover the absence at the time of the scheduled leave.

12.6 Vacation Scheduling for Masters, Mates and Pilots

- A. This Section applies to all leave that has been requested and approved in advance of the planned absence.
- B. A chart will be posted on November 15th of each calendar year that indicates the number of employees within each job classification who may be approved scheduled leave for a given period of time. This chart will be posted in a readily accessible area by classification and shall remain posted until January 1st.

- C. Vacations will be scheduled within the limitations of the available relief allocated for each shift. Beginning January 2nd of each calendar year, employees who desire to take their vacation at a specific period of time shall be scheduled a time, based on the longest period of time in grade in the Masters, Mates and Pilots bargaining unit, to request and may be awarded up to three (3) segments of vacations during the time period of April 1st through March 31st.

A “segment” is one (1) day or more contiguous days of vacation leave. Off-shift times to select a vacation shall not be considered as “time worked” for purposes of computing callback or overtime. If an employee is unable to be present during their scheduled time, they may make their choice by telephone or another individual with written documentation of designation may select a vacation segment(s) for the employee.

If an employee fails to select their vacation during his/her assigned time, Management may proceed with scheduling. The employee will be provided an opportunity to select his/her segment(s) from the remaining available dates at a later date when he/she is available. Management will not approve a vacation leave segment when it is known the employee will not have accrued sufficient vacation leave for the segment of time. Local Management will publish the vacation schedule by March 1st.

- D. Nothing in the above paragraphs shall preclude the right of an employee to request vacation leave at any time. Management shall consider said request in relation to program needs and the existing published vacation schedule, both of which take precedence. Any conflicts between two (2) or more employees’ vacation requests, other than those on the above referenced vacation schedule, shall be resolved on a first come, first served basis.
- E. No employee on approved vacation leave shall be required to return to his/her place of employment until the scheduled leave has ended, except in an emergency situation.
- F. Management acknowledges that canceling an employee’s approved vacation segment is an extraordinary action and will not do so if other qualified staff within the same job classification is available, on an overtime basis or otherwise. Each employee will be granted vacation for the time stipulated on the vacation schedule, except that Management with reasonable notice, may cancel or otherwise adjust vacation periods when it is determined the program of the Agency will be adversely impacted by the employee being absent from duty. Employees, whose leave has been cancelled or adjusted, shall be allowed to request alternative leave dates pursuant to this Section.
- G. Accrued vacation time, not to exceed two (2) shifts in any calendar year, shall be granted to an employee with thirty (30) calendar days’ written

notification by the employee. Such time off must normally be granted provided:

1. Such leave shall be used in increments of not less than one (1) shift.
 2. Supervisory denials of the use of such leave are subject to the review of the Superintendent at the employee's written request.
- H. Employee-requested cancellations of any portion of an approved segment to the annual vacation schedule must be submitted in writing no later than fifteen (15) calendar days in advance of his/her scheduled vacation except in bona fide emergencies. The request is subject to approval by Management, but will not be unreasonably withheld.

Such requests must be submitted no later than January 1st. The Employer will compile and post an approved vacation leave schedule. Employees on this schedule will have priority and will be granted vacation leave at times specified, if possible.

- B. Employees will be granted no more than four (4) segments during the annual vacation scheduling process. In the event that two (2) or more employees request the same vacation period and the supervisor must limit the number of people who may take vacation leave at one time due to business needs and work requirements, preference will be determined by seniority. A "segment" is three (3) or more contiguous days of vacation leave.
- C. Employees may request additional vacation leave at any time on a first come, first served basis; however, the posted vacation schedule shall take precedence. The Employer will normally respond to all such requests within fourteen (14) days of the request.

12.8 Vacation Scheduling for All Other Employees

- A. Employees who desire to take vacation leave at a specific period of time will submit their requests to their supervisor prior to December 15th for the following calendar year. Employees will be granted their requested period of leave by bargaining unit seniority in so far as possible. The supervisor will compile and post the schedule by January 15th. Should Management be required to cancel previously scheduled annual leave due to an emergency, employees so affected will be given top priority for rescheduling. Employees may request additional vacation leave at any

time on a first come, first served basis; however, the posted vacation schedule shall take precedence. The Employer will normally respond to all such requests within fourteen (14) days of the request.

B. An employee who is reassigned or bumped to a new position due to a layoff action will retain his/her approved vacation schedule.

B. Employee Initiated

Employee requested cancellations of scheduled vacation leave must be submitted in writing and is subject to prior approval by the Employer.

12.13 Vacation Leave Maximum

Employees may accumulate maximum vacation balances not to exceed two hundred forty (240) hours. However, there are two (2) exceptions that allow vacation leave to accumulate above the maximum:

A. If an employee's request for vacation leave is denied by the Appointing Authority or designee, and the employee has not exceeded the vacation leave maximum two hundred forty (240) hours, the Appointing Authority may grant an exception to the maximum. If the Appointing Authority grants an exception, the employee's vacation leave maximum will be

extended for each month that the Employer must defer the employee's request for vacation leave.

- B. An employee may also accumulate vacation leave days in excess of two hundred forty (240) hours as long as the employee uses the excess balance prior to his/her anniversary date. Any leave in excess of the maximum that is not deferred in advance of its accrual as described above, will be lost on the employee's anniversary date.

12.14 Separation

Any employee, who resigns with adequate notice, retires, is laid-off, or is terminated by the Employer, will be entitled to payment for vacation leave credits. In addition, the estate of a deceased employee will be entitled to payment for vacation leave credits.

13.5 Sick Leave Reporting and Verification

An employee must promptly notify his/her supervisor on the first day of sick leave and each day after, unless there is mutual agreement to do otherwise. If the employee is in a position where a relief replacement is necessary, the employee will notify his/her supervisor at least two (2) hours prior to his/her scheduled time to report to work (excluding leave taken in accordance with the Domestic Violence Leave). If the Employer suspects abuse, the Employer may require a written medical certificate for that sick leave absence. An employee returning to work after any sick leave absence may be required to provide written certification from his/her health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

13.6 Sick Leave Annual Cash Out

Each January, employees are eligible to receive cash on a one (1) hour for four (4) hours basis for ninety-six (96) hours or less of their accrued sick leave, if:

- A. Their sick leave balance at the end of the previous calendar year exceeds four hundred and eighty (480) hours;

- C. They notify their payroll office by January 31st that they would like to convert their sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.

All converted hours will be deducted from the employee's sick leave balance.

13.7 Carry Forward and Transfer

Employees will be allowed to carry forward, from year to year of service, any unused sick leave allowed under this provision, and will retain and carry forward any unused sick leave accumulated prior to the effective date of this Agreement. When an employee moves from one state agency to another, regardless of status, the employee's accrued sick leave will be transferred to the new agency for the employee's use.

13.8 Sick Leave Separation Cash Out

At the time of retirement from state service or at death, an eligible employee or the employee's estate will receive cash for his/her total sick leave balance on a one (1) hour for four (4) hours basis. For the purposes of this Section, retirement will not include "vested out of service" employees who leave funds on deposit with the retirement system. In accordance with state and federal law, agencies and employees in bargaining units may agree to form Voluntary Employee Beneficiary Associations (tax-free medical spending accounts) funded by the retiree sick leave cash out described above.

An employee is eligible to request participation in the shared leave program when the

 - C. The receiving employee's absence and the use of shared leave are justified.
 - D. The receiving employee has depleted or will shortly deplete his/her:

 - E. The Agency Head or designee permits the leave to be shared with an eligible employee.
 - F. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee's vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for annual leave balances will be prorated.
 - G. Employees may not donate excess vacation leave that the donor would not be able to take due to an approaching anniversary date.
 - H. The donating employee may donate any specified amount of sick leave provided the donation does not cause the employee's sick leave balance to fall below one hundred seventy-six (176) hours after the transfer. For purposes of sick leave donation, a day equals the donor's monthly sick leave accrual.
 - I. The donating employee may donate all or part of a personal holiday. Any portion of a personal holiday that is not used will be returned to the donating employee.
- 14.4** The Agency Head will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of five hundred twenty-two (522) days of shared leave during total state employment. A.4.
- 14.6** Any donated leave may only be used by the recipient for the purposes specified in this Section.
- 14.7** The receiving employee will be paid his/her regular rate of pay; therefore, one (1) hour of shared leave may cover more or less than one (1) hour of the recipient's salary. The calculation of the recipient's leave value will be in accordance with Office of Financial Management policies, regulations, and procedures. The dollar value of the leave is converted from the donor to the recipient. The leave received will be coded as shared leave and be maintained separately from all other leave balances.
- 14.8** All forms of paid leave available for use by the recipient must be used prior to using shared leave when qualified under Section 14.3. All forms of paid leave, except sick leave, available for use by the recipient must be used prior to using shared leave when qualified under Section 14.3 A.2 or 14.3 A.3.
- 14.9** Any shared leave not used by the recipient during each incident/occurrence as determined by the Agency Head or designee will be returned to the donor(s). The shared leave remaining will be divided among the donors on a prorated basis based on the original donated value and returned at its original donor value and reinstated to each donor's appropriate leave balance. The return will be prorated back based on the donor's original donation.

- 14.10** All donated leave must be given voluntarily. No employee will be coerced, threatened, intimidated, or financially induced into donating leave for purposes of this program.

ARTICLE 15

FAMILY AND MEDICAL LEAVE - PREGNANCY DISABILITY LEAVE

15.1

- A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington State Family Leave Act of 2006 (WFLA), an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for any one or more of the following reasons 1-4:
1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;
 2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
 3. Family medical leave to care for a spouse, son, daughter, parent, or state registered domestic partner as defined by RCW [26.60.020](#) and [26.60.030](#), who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) weeks of FMLA.
 4. Family medical leave for a qualifying exigency when the employee's spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), child of any age, or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country. Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to family medical leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
- C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off, or shared leave.

15.2 The family medical leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins family medical leave. Each time an employee takes family medical leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) weeks of available leave.

15.3 The Employer will continue the employee's existing employer-paid health insurance, life insurance and disability insurance benefits during the period of leave covered by family medical leave. The employee will be required to pay his/her share of health insurance, life insurance and disability insurance premiums.

15.4 The Employer has the authority to designate absences that meet the criteria of the family medical leave. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for an family medical leave qualifying event will run concurrently with, not in addition to, the use of the family medical leave for that event. Any employee using paid leave for a family medical leave qualifying event must follow the notice and certification requirements relating to family medical leave usage in addition to any notice and certification requirements relating to paid leave.

- 15.5** The Employer may require certification from the employee's, the family member's, or the covered service member's health care provider for the purpose of qualifying for family medical leave.
- 15.6** Personal medical leave, serious health condition leave or serious injury or illness leave covered by the family medical leave may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- 15.7** Upon returning to work after the employee's own family medical leave-qualifying illness, the employee will be required to provide a fitness for duty certificate from a health care provider. Once the employee provides the fitness for duty certification, the agency will not delay the return to work while the agency seeks clarification and authentication from the employee's health care provider.
- 15.8** The employee will provide the Employer with not less than thirty (30) days' notice before the family medical leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- 15.9 Parental Leave**
- A. Parental leave will be granted to the employee for the purpose of bonding with his/her natural newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by the family medical leave, during the first year after the child's birth or placement. Leave beyond the period covered by family medical leave may only be denied by the Employer due to operational necessity. Such denial may be grieved beginning at the agency director step of the grievance procedure in [Article 31](#).
- B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave, personal holiday, compensatory time, or leave without pay. Sick leave may only be used for the same time period the employee is approved and using FMLA or WFLA leave for baby bonding purposes.
- 15.10 Pregnancy Disability Leave**
- A. Leave for pregnancy or childbirth related disability is in addition to any leave granted under FMLA or WFLA.
- B. Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with agency policy. An employee may be required to submit medical certification or verification for the period of the disability. Such leave due to pregnancy and/or childbirth may be a combination of sick leave, vacation leave, personal

holiday, compensatory time, exchange time and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

This may include consideration of hazardous inclement weather, extraordinary number of hours worked, the nature of the work required, and/or other travel-related circumstances which could threaten the safety of the employee.
- 22.2** Employees shall be notified upon hire of the necessity to use their personal vehicle for state business, if such use is on a regular/frequent basis. Employees shall not be required to ride in another employee's personal vehicle.

1. The employee is entitled to accrue vacation leave, sick leave, or a personal holiday.
 2. The employee has been called to service in the uniformed services.
 3. The call to service has caused, or is likely to cause, the employee to go on leave without pay status or terminate state employment.
 4. The employee’s absence and the use of shared leave are justified.
 5. The employee has depleted or will shortly deplete his/her vacation leave and paid military leave allowed under [RCW 38.40.060](#).
 6. The employee has followed agency rules regarding military leave.
- B. An employee may donate vacation leave, sick leave, or all or part of a personal holiday to the uniformed service shared leave pool under the following conditions:
1. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee’s vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated.

- D. Shared leave, in combination with military salary, will not exceed the level of the employee's state monthly salary. Up to eight (8) hours per month of shared leave may be withdrawn and used to continue coverage under the Public Employees' Benefit Board, regardless of the employee's monthly salary and military salary.
- E. The receiving employee continues to be classified as a state employee and receives the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation or sick leave.

26.2 All Employees

Employees will report all arrests and any court-imposed sanctions or conditions that would prevent or negatively affect their ability to perform assigned duties to their Appointing Authority or designee within twenty-four (24) hours or prior to their scheduled work shift or work period, whichever occurs first.

ARTICLE 27

COMMUTE TRIP REDUCTION AND PARKING

- 27.1** The Employer will continue to encourage but not require employees covered by this Agreement to use alternate means of transportation to commute to and from work in order to reduce traffic congestion, improve air quality and reduce the need for parking.
- 27.2** Agencies may provide commute trip reduction incentives consistent with agency policies and within available resources.
- 27.3** During the term of this Agreement, agency-administered parking rates charged to employees who work at facilities located off the Capital Campus will not be increased from the facility parking rates in existence as of June 30, 2009.

- 27.5** **Masters, Mates and Pilots (MM&P) and International Association of Firefighters (IAFF)**

- 27.6** **CWA and Teamsters 767M**

ARTICLE 29

DEFENSE AND INDEMNIFICATION

29.1 Employee Liability

In the event an employee becomes a defendant in a civil liability suit arising out of actions taken or not taken in the course of his/her employment for the state, he/she has the right to request representation and indemnification through his/her agency in accordance with [RCW 4.92.060](#) and [070](#) and agency policy.

29.2 MM&P

Upon proof of purchase, Management will reimburse each Master on a quarterly basis, seventy-five dollars (\$75.00).

ARTICLE 30

DISCIPLINE

30.1 Just Cause

The Employer will not discipline any permanent employee without just cause.

30.2 Employee Privacy

When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.

30.3 Forms of Discipline

Discipline includes oral and written reprimands, reduction in pay, suspension, demotion, and discharge.

30.4 Investigative Process

- A. The Employer has the authority to determine the method and develop appropriate guidelines for conducting investigations and notify the Union of those guidelines.
- B. Upon written request of the Union, if an investigation lasts longer than sixty (60) days from the date the employee was notified of the investigation, the Employer will notify the Union of the current status of the investigation (for example: interviews pending, drafting of investigative report, waiting for analysis of data), next steps and anticipated timeframe for completion. The Employer will provide its response to the Union's request for the current status of the investigation at least ten (10) days from the date of request by the union. However, in the event the Employer does not respond to the Union's request for a status of the investigation within ten (10) days, the failure to meet this timeframe will not be a basis for challenging the disciplinary action or precluding admissibility of evidence.
- C. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a notification when the investigation is completed and that no discipline will be imposed.

30.5 Investigatory Interviews

- A. The Employer will notify the employee in advance of an investigatory interview and the nature of the interview.
- B. Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. The role of the representative is to provide assistance and counsel to the employee, rather than serve as an adversary to the investigator. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.
- C. Employees have a duty to cooperate with an Agency investigation. Employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington and this collective bargaining agreement.

- D. The Employer will allow a reasonable break for an employee participating in an investigatory interview.

30.6 Alternative Assignments

An employee placed on an alternate assignment during an investigation will be informed of the general reason(s) for the alternative assignment, unless it would compromise the integrity of the investigation, and will not be prohibited from contacting his or her union representative unless there is a conflict of interest, in which case the employee may contact another union representative. This does not preclude the Employer from restricting an employee's access to agency premises. Upon completion of the investigation process(es), the employee will be notified.

30.7 Pre-Disciplinary Meetings

Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee and the Union of the reasons for the contemplated discipline and an explanation of the evidence and copies of written documents relied upon to take the action. The employee will be provided an opportunity to respond in writing or in person.

30.8 Notice Prior to Reduction in Pay or Demotion

The Employer will provide an employee with fifteen (15) calendar days written notice prior to the effective date of the reduction in pay or demotion.

30.9 Ability to Grieve Specific Discipline

The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 31](#). Oral reprimands, however, may only be processed through the Agency Head step of the grievance procedure.

30.10 Copy of Disciplinary Action Provided to Union

Copies of disciplinary actions, except for oral reprimands, will be sent to the Union at the time it is given to the employee.

**ARTICLE 31
GRIEVANCE PROCEDURE**

31.1 The purpose of this Article is to provide for an orderly method of resolving disputes over the provisions of this Agreement. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

31.2 Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been an act that violates this Agreement which occurred during the term of this Agreement. The term "grievant" as used in this Article includes the term "grievants."

- B. Filing a Grievance
Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees.
- C. Computation of Time
Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.
- D. Failure to Meet Timelines
The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.
- E. Contents
The written grievance must include the following information:
1. The nature of the grievance;
 2. All pertinent facts or issues, including date of occurrence, upon which the grievance is based;
 3. The specific article and section of the Agreement violated;
 4. The specific remedy requested; and
 5. The name and signature of the grievant(s) or the Union representative.
- F. Modifications
No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.
- G. Resolution
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.
- H. Withdrawal
A grievance may be withdrawn at any time.

- I. Resubmission
If terminated, resolved or withdrawn, a grievance cannot be resubmitted.
- J. Pay
Grievants will not lose pay for attending grievance meetings or arbitration hearings held during their work time. Grievants will not be paid for meetings held during their off-duty time.
- K. Consolidation
The Employer may consolidate grievances arising out of the same set of facts.
- L. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- M. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.

31.3 Filing and Processing

- A. Filing
A grievance must be filed within fifteen (15) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The employee may first discuss the issue with the immediate supervisor in an attempt to informally resolve the issue. The employee may elect to have a union representative or union steward present.

Even when informal discussions occur, the written grievance must be filed no later than the fifteen (15) days described above.
- B. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.
- C. Processing
Step 1: Responsible Supervisor, Manager or Designee:
If the issue is not resolved informally, the Union may file a written grievance with the employee's supervisor or designee with a copy to the Human Resources Office, within the fifteen (15) day period described above. The Employer will designate a responsible supervisor, manager or designee who will, upon agreement of the parties, meet or confer by telephone with a union steward and/or staff representative and the grievant

within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting. If the parties cannot agree on the meeting process, the Union may move the grievance to Step 2 of the grievance procedure.

Note: The Departments of Fish and Wildlife, Social and Health Services, Enterprise Services and the Washington State Patrol will bypass Step 1.

Step 2: Appointing Authority or Designee:

If the grievance is not resolved at Step 1, the Union may move it to Step 2 by filing the written grievance, with the Appointing Authority or designee, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 1 decision.

For agencies bypassing Step 1: If the issue is not resolved informally, the Union may file a written grievance with the employee's Appointing Authority or designee, with a copy to the Human Resources Office within the fifteen (15) day period described in 31.3 A.

In either case, the Appointing Authority or designee will meet (or if mutually agreeable confer by telephone), with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal and will respond in writing to the Union within fifteen (15) days after the meeting.

Step 3: Agency Head or Designee:

If the grievance is not resolved at Step 2, the Union may move it to Step 3 by filing the written grievance with the Agency Head, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 2 decision. Upon agreement of the parties, the Agency Head or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the Step 2 decision. Management will provide a written response to the Union within fifteen (15) days after the meeting and if the remedies are denied the response will include an explanation.

Note: If the Agency Head is the only Appointing Authority for the Agency, Step 3 will be bypassed.

Step 4: Mediation or Pre-Arbitration Review Meeting:

If the grievance is not resolved at Step 3, the Union may either file a request for mediation with Public Employment Relations Commission (PERC) or file a demand for arbitration with a copy of the grievance and all responses attached.

A. Request for Mediation

The Union may choose to file a request for mediation with PERC in accordance with WAC 391-55-020, with a copy to the OFM Labor Relations Division and the agency's Human Resources Office within fifteen (15) days of receipt of the Step 3 decision.

B. Request for Pre-Arbitration Review Meeting (PARM)

As an alternative to requesting mediation, the Union may request a PARM. The PARM shall be filed with the Assistant Director of the OFM Labor Relations Division (OFM/LRD) and the Agency's Human Resource Office within fifteen (15) days of the Union's receipt of the Step 3 decision. Within fifteen (15) days of the receipt of the arbitration demand, the OFM/LRD will either:

1. Schedule a pre-arbitration review meeting with the OFM/LRD Assistant Director or designee, an agency representative, and the Union's representative to review and attempt to settle the dispute. If the matter is not resolved in this pre-arbitration review, within fifteen (15) days of the meeting, the Union may file a demand to arbitrate the dispute with the American Arbitration Association (AAA), Federal Mediation and Conciliation Service (FMCS), or through a mutually agreed upon list of arbitrators, or
2. Notify the Union in writing that no pre-arbitration review meeting will be scheduled. Within fifteen (15) days of receipt of this notice, the Union may file a demand to arbitrate the matter with the AAA, FMCS, or through a mutually agreed upon list of arbitrators.

Step 5: Arbitration:

Filing Demand to Arbitrate

If the grievance is not resolved at Step 4, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the appropriate organization within fifteen (15) days of the mediation session or PARM.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names from the list of arbitrators, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

D. Authority of the Arbitrator

1. The arbitrator will:

- a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in his/her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
 - c. Not make any decision that would result in the violation of this Agreement;
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.
 3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for one-half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its attorneys, representatives, witnesses, travel expenses and any fees. Grievants will be paid for participation in arbitration hearings and may use leave for preparation for and travel to or from arbitration hearings.

31.4 Election of Remedies

Pursuit of a claim before the Equal Employment Opportunity Commission, the Human Rights Commission, or in a judicial or other forum constitutes a waiver of the right to pursue the same claim through arbitration under this Article.

ARTICLE 32 PERSONNEL FILES

32.1 There will be one (1) official personnel file maintained by the Employer for each employee. Additional employee files may include supervisory, attendance, payroll and medical files. The location of personnel files will be determined by the Agency. Medical files will be kept separate and confidential in accordance with state and federal law. An employee will have the right to examine his/her own personnel file. Written authorization from the employee is required before any representative of the employee will be granted access to the personnel file. The employee and/or representative may not remove any contents; however, an employee may provide a written rebuttal to any information in the file that he/she considers objectionable. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or his/her representative.

32.2 When documents in an employee's personnel file are the subject of a public disclosure request, the Employer will provide the employee notice of the request at least ten (10) calendar days in advance of the intended release date.

32.3 Adverse material or information related to alleged misconduct that is determined to be false, and all such information in situations where the employee has been fully exonerated of wrongdoing, will be promptly removed from the official personnel file.

32.4 Prior to any document that may be deemed derogatory to the employee being placed into the employee's personnel file, the employee will be provided a copy.

32.5 Removal of Documents

A. Written reprimands and their related documentation will be removed from an employee's personnel file or WSP Office of Professional Standards file after two (2) years if:

1. Circumstances do not warrant a longer retention period, such as sexual harassment or criminal conduct; and
2. There has been no subsequent discipline; and
3. The employee submits a written request for its removal.

B. Records of disciplinary actions involving reductions-in-pay, suspensions or demotions, and written reprimands not removed after two (2) years, will be removed after six (6) years if:

1. Circumstances do not warrant a longer retention period, such as sexual harassment, or criminal conduct; and
 2. There has been no subsequent discipline; and
 3. The employee submits a written request for its removal.
- C. Nothing in this Section will prevent the Employer and employee from agreeing to an earlier removal date, unless to do so would violate [RCW 41.06.450](#).
- D. Any disciplinary actions removed from an Employee's personnel file may not be considered for progressive purposes.

32.6 Supervisory Files

Supervisory files will be purged of the previous year's job performance information following the completion of the annual performance evaluation, unless circumstances warrant otherwise. If circumstances warrant retention of a document past an annual performance evaluation, it shall be purged upon the next annual performance evaluation. Employees retain a right to review their supervisory file.

ARTICLE 33 REASONABLE ACCOMMODATION AND DISABILITY SEPARATION

- 33.1** The Employer and the Union will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.
- 33.2** An employee who believes that he/she suffers a disability and requires a reasonable accommodation to perform the essential functions of his/her position may request such an accommodation by submitting a request to the Agency.
- 33.3** Employees requesting accommodation must cooperate with the Agency in discussing the need for and possible form of any accommodation. The Agency may require supporting medical documentation and may require the employee to obtain a second medical opinion at agency expense. Medical information disclosed to the Agency will be kept confidential.
- 33.4** The Agency will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided.
- 33.5** An employee with permanent status may be separated from service when the Agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the Agency based on an employee's written request for disability separation or

after obtaining a written statement from a physician or licensed mental health professional. The Agency must make a disability determination within a reasonable amount of time after the submittal of this paperwork. The Agency can require an employee to obtain an independent medical examination at the Agency's expense, including paid time, from a physician or licensed mental health professional of the Agency's choice. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations.

An employee may elect to have a second medical examination, at the employee's expense, if the employee disagrees with the results of the Agency's physician's exam. The employee must use approved leave for the second exam. Upon request, the Agency will provide a copy of the documents which were provided to the Agency's examining professional to the employee's selected examining physician. The results of this examination will be taken into consideration when making an accommodation or separation determination.

- 33.6** The Agency may separate an employee when the Agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position, or when the employee requests separation due to disability.
- 33.7** An employee separated due to disability, will be placed in the General Government Transition Pool Program if he/she submits a written request for reemployment and has met the reemployment requirements of [WAC 357-46-090](#) through 105. Employees participating in the transition pool program shall have no right of appeal within the program.
- 33.8** Disability separation is not a disciplinary action. An employee who has been separated due to disability may grieve his/her disability separation in accordance with [Article 31](#), Grievance Procedure, unless separation was at the employee's request. Upon written request, an employee who grieves a disability separation will be provided a copy of the medical information the Agency used to make the disability separation determination.

ARTICLE 34

SENIORITY

34.1 Definition

- A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on call employees will be based on actual hours worked. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when leave without pay is taken for:

1. Military leave or United States Public Health Services Workers' compensation;
2. Governmental service leave and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;
3. Educational leave, contingent upon successful completion of the coursework;
4. Reducing the effects of layoff; and/or
5. Compensable work related injury or illness leave.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward to an amount equal to the duration of the leave without pay. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with [Article 35](#), Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within two (2) years of their separation date will not be considered to have a break in service.

- B. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse, or surviving state registered domestic partners as defined by [RCW 26.60.020](#) and [26.60.030](#), as provided for in RCW 41.06.133.

34.2 Ties

If two (2) or more employees have the same date, ties will be broken in the following order:

- A. Longest continuous time within their current job classification;
- B. Longest continuous time with the Agency;
- C. Longest continuous time with the State; and
- D. By lot.

34.3 Semi-Annual Seniority List Posting

The Employer will prepare and post a seniority list and provide a copy to the Union by April 15th and September 15th of each year. The list will be updated annually and will contain each employee's name, job classification and seniority date. The list will be arranged in descending order of seniority. For the purpose of this posting, the seniority list will not include military service credit. Employees will have thirty (30) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct.

- 34.4** For purposes of layoff, the Employer will, at least thirty (30) days prior to the layoff or upon request by the union, provide the Union headquarters with the seniority list adjusted for military service credit. without dates specified. The Union will provide the Employer with any known discrepancies in seniority as soon as known. The list will be arranged in descending order of seniority. The parties recognize that the list may change as new information is provided and therefore the parties agree that the list provided to the union is an unofficial document intended only to supply general information based on DD214(s) on file with the agency.

ARTICLE 35 LAYOFF AND RECALL

35.1 Definition

- A. Separation from service with the Employer,
- B. Employment in a class with a lower salary range,
- C. Reduction in the work year,
- D. Reduction in the number of work hours.

- 35.2** The Agency will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article Thirty (30) calendar days prior to any layoff, with the exception of those resulting from [subsection 35.6](#) below, each affected Agency will notify its respective union of its intent to lay off bargaining unit members. This notice shall include: the anticipated position(s) to be eliminated; an electronic list of the seniority of all bargaining unit employees including employee's job class and program; and a list of all known vacancies.

35.3 Basis for Layoff

Layoffs may occur for any of the following reasons:

- A. Lack of funds
- B. Lack of work
- C. Good faith reorganization
- D. Ineligibility to continue in a position that was reallocated
- E. Termination of a project
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

35.4 Voluntary Layoff, Leave Without Pay or Reduction in Hours

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce his/her hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based on seniority if all staffing needs are equal. Employees who volunteer to be laid off may request to participate in the

General Government Transition Pool Program and/or have their names placed on the internal layoff list for the job classifications in which they held permanent status.

35.5 Permanent, Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

35.6 Temporary Reduction of Work Hours or Layoff – Agency Option

- A. The Agency may temporarily reduce the work hours of an employee to no less than twenty (20) per week, up to thirty (30) calendar days, due to severe and inclement weather or natural disaster and unanticipated loss of funding, or lack of work. Employees will normally receive notice of seven (7) calendar days of a temporary reduction of work hours.
- B. The Agency may temporarily layoff an employee for up to thirty (30) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or severe and inclement weather or natural disaster. Employees will receive notice of seven (7) calendar days of a temporary layoff.
- C. An employee whose work hours are temporarily reduced or who is temporarily laid off will not be entitled to:
 - 1. Be paid any leave balance;
 - 2. Bump to any other position; or
 - 3. Be placed on the internal layoff list.

35.7 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in Appendix B, Layoff Units.

35.8 Skills and Abilities

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions, bona fide occupational qualifications approved by the Human Rights Commission or recruitment announcements that have been identified prior to the layoff.

For the purposes of layoff, the Agency will use the most current completed position description form (reviewed, approved and signed by the appropriate chain of command) as the primary basis for determining the skills and abilities necessary to perform the duties of the position. Agencies will ensure that position

description forms accurately reflect the job duties of the position. The union may challenge the use of any PDF within the bargaining unit that shows a significant change in the required skills and abilities for the position within three months of the layoff notice.

35.9 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in [Article 34](#), Seniority, among the group of employees with the required skills and abilities as defined in [Section 35.8](#) of this Article. The Agency will determine if the employee possesses the required skills and abilities for the position. Employees being laid off will be provided an option to a comparable position in descending order within the layoff unit. Once an option as described in 1 – 3 below is available and offered, no further formal option will be provided.
1. A funded vacant position for which the employee has the skills and abilities, within his/her current job classification. If there are multiple funded vacancies within the layoff unit, the employee(s) will be afforded a choice of vacancies according to seniority and the required skills and abilities.
 2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within his/her current job classification.
 3. A funded vacant position or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as his/her current permanent position, within a job classification in which the employee has held permanent status, or, at the employee's written request, to a lower classification within his or her current job classification series even if the employee has not held permanent status in the lower job classification.
- B. For multi-employee layoffs, more than one (1) employee may be offered the same funded, vacant or filled position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed. Appointments will be made in descending order of seniority of the employees with the skills and abilities of the position(s).
- C. If a job classification in which an employee has previously held status has been abolished or revised, a cross-walk to the class series will be used to identify layoff options. The employee must have the skills and abilities of any identified positions(s).

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions.

35.10 Informal Options

An employee being laid off may be offered a funded vacant position to job classifications he/she has not held permanent status within his/her layoff unit provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently holds permanent status. The Agency will determine if the employee possesses the required skills and abilities for the position.

An employee may request an informal option to job classifications through the agency's Human Resources Office within five (5) calendar days of receipt of a written notice of a permanent layoff. The award or denial of an informal option is not subject to the grievance procedure.

35.11 Notification to Employees With Permanent Status

- A. Except for temporary reduction in work hours and temporary layoffs as provided in Section 31.5, employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Union/Association will be provided with a copy of the notice at the same time the employee is notified.
- B. Except for temporary reduction in work hours and temporary layoffs as provided in Section 31.5, if the agency chooses to implement a layoff action without providing fifteen (15) calendar days notice, the employee will be paid his/her salary for the days that he/she would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the agency to the employee.
- D. The day that notification is given constitutes the first day of notice.

35.12 Moving Expenses

An employee whose layoff option requires an increase of thirty-five (35) additional commute miles and who chooses to move the permanent residence to reduce the commute will be entitled to reimbursement of moving expenses as defined in OFM regulation.

35.13 Salary

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Transfer or Bump
An employee who accepts a transfer or bumps to another position within his/her current job classification will retain his/her current salary.

- B. Voluntary Demotion in Lieu of Layoff or Bump to a Lower Position
An employee who voluntarily demotes in lieu of layoff or who bumps to another position with a lower salary range will be paid an amount equal to his/her current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.
- C. Appointment from a Layoff List
1. Employees who are appointed from a layoff list to a position with the same salary range from which they were laid off will be paid the amount in which they were compensated when laid off plus any general wage increase or step increase that occurred during the time they were laid off.
 2. Employees who are appointed from a layoff list to a position with a lower salary range than the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off, provided it is within the salary range of the new position. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

35.14 Transition Review Period

- A. The Agency may require an employee to complete a six(6) month transition review period when the employee accepts a layoff option to a job classification in which he/she has:
1. Not held permanent status;
 2. Been appointed from the General Government Transition Pool Program;
 3. Been appointed from a layoff list.
- B. The Agency will have the authority to extend or shorten an employee's review period as long as the extension does not cause the review period to exceed twelve (12) months. In such case, the Employer will provide written notice of the extension to the union and employee of the basis for an extension. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Agency may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the layoff list. The employee will remain on the list until such time as his/her eligibility expires or he/she has been rehired, whichever occurs first. Separation during, or extension of, the transition review period will not be subject to the grievance procedure in [Article 31](#).

35.15 Recall

- A. The Agency will maintain layoff lists for each job classification that will include geographic availability. Permanent employees who are laid off will, at their request, have their name placed on the list for the job classification from which they were laid off and will indicate the geographic areas they are willing to accept employment. Additionally, employees may request to have their name placed on the layoff list for other job classifications in which they have held permanent status. An employee will remain on layoff lists for two (2) years from the effective date of his/her layoff.
- B. When a vacancy occurs within an agency and when there are names on a layoff list, the agency will fill the position in accordance with [Article 4](#), Filling of Vacancies. An employee who is offered a position two (2) times and refuses the offer each time will have his/her name removed from the layoff list. Once an employee accepts an offer, his/her name is removed from the layoff list for that classification unless returned to the list in accordance with other sections of this contract.

35.16 General Government Transition Pool Program

Employees who are notified that they are at risk of being laid off or have been laid off may request their names be placed into the General Government Transition Pool Program administered by the Department of Personnel. When a vacancy occurs within an agency, the Agency will consider employees in the General Government Transition Pool Program along with all other candidates, all of whom must have the skills and abilities to perform the duties of a position being filled.

35.17 Project Employment

- A. Project employees have layoff rights within their project. Formal options will be determined using the procedure outlined in [Section 35.9](#), above.
- B. Permanent status employees who left regular classified positions to accept project employment without a break in service have layoff rights within the agency in which they held permanent status. The employee's return rights are to the job classification they last held permanent status in prior to accepting project employment using the procedure outlined in [Section 35.9](#).
- C. Project employees who are separated from state service due to layoff and have not held permanent status in classified service may request their names be placed into the General Government Transition Pool Program.

- A. Seasonal career employees have layoff rights within their agency to other seasonal career positions within their layoff unit as provided in Appendix B.
- B. Employees will be given no less than two (2) working days' notice of a layoff.

- B. Formal options will be determined using the procedure outlined in [Section 35.9](#), above, to other seasonal career positions. Employees separated due to layoffs will be placed on a separate seasonal layoff list for the season in which they were laid off. Employees who have the skills and abilities to perform the duties of the position to be filled will be recalled based on seniority for other seasonal career positions.

A. Meeting Space and Facilities

The Employer's offices and facilities may be used by the Union to hold meetings, subject to agency policy, availability of the space and with prior written authorization from the Employer.

B. Supplies and Equipment

The Union and its membership will not use state-purchased supplies or equipment to conduct union business or representational activities. C. E-mail, Fax Machines, the Internet, and Intranets

The Union and its members will not use state-owned or operated e-mail, fax machines, the Internet, or intranets to communicate with one another, except as provided in this agreement. Union communications may not be posted in any other location in the Agency.

38.5 Union Training

The State agrees to release with pay all designated shop stewards and representatives for a bona fide training by the Union regarding labor relations with the State, for two (2) days per fiscal year, provided the absence does not cause a workload coverage issue. The stewards/representatives agree to provide their supervisors with fourteen (14) days' notice of the date of the training.

38.6 Contract Negotiations

Each Union may designate no more than two (2) bargaining unit members who will serve as the negotiation committee and will be allowed to attend up to ten (10) negotiation sessions, agreed upon by the union and management, without loss of pay. - C. An employee who does not join the Union based on bona fide religious tenets, or teachings of a church or religious body of which they are members, will make payments to the Union that are equal to its membership dues, less monthly union insurance premiums, if any. These payments will be used for purposes within the program of the Union that are in harmony with the employee's conscience. Such employees will not be members of the Union, but are entitled to all of the representational rights of union members.
- D. The Union will establish a procedure that any employee who makes a request may pay a representation fee equal to a pro rata share of collective bargaining expenses, rather than the full membership fee.
- E. The Union will notify new employees of the above provisions. If an employee fails to meet these conditions, the Union will notify the Employer and inform the employee that his/her employment will be discharged if the employee does not comply with the requirements in this Section.

39.3 Dues Cancellation

An employee may cancel his/her payroll deduction of dues by written notice to the Employer and the Union. The cancellation will become effective on the second payroll after receipt of the notice. - B. The Employer will assign newly created positions to the appropriate classification within the classification plan.

40.2 Position Review

Employee Initiated Review:

An individual employee who believes that the duties of his/her position have changed, or that his/her position is improperly classified may request a review according to the following procedure:

- A. The employee and/or the employee's immediate supervisor will complete and sign the appropriate form.
- B. The supervisor will then send the completed form to the Agency's Human Resources Office. The Agency's Human Resources Office will review the

completed form. A decision regarding appropriate classification will then be made by the Agency.

- C. In the event the employee disagrees with the reallocation decision of the Agency, he/she may appeal the decision to the State Human Resources Director within thirty (30) calendar days of being provided the results of a position review or the notice of reallocation. The appropriate board will render a decision which will be final and binding.
- E. The effective date of a reallocation resulting from an employee request for a position review is the date the request was filed with the Agency.

40.3 Effect of Reallocation

- A. Reallocation to a Class with a Higher Salary Range Maximum
 - 1. If the employee has performed the higher level duties for at least twelve (12) months and meets the skills and abilities required of the position, the employee will remain in the position and retain existing appointment status.
 - 2. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher level duties for at least twelve (12) months, the Employer must give the employee the opportunity to compete for the position if he/she possesses the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in [Article 35](#), Layoff and Recall, of this Agreement applies. If the employee is appointed, he/she must serve a trial service period.
- B. Reallocation to a Class with an Equal Salary Range Maximum

Pistol maintenance instructors are eligible for this additional compensation when they are instructing in a classroom setting, providing one-on-one instruction or repairing at the firing range.

COMPENSATION APPENDIX H SPECIAL PAY RANGES AND NOTES

These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

“E” RANGE: This range is used for classes having a prevailing pay range that is shorter than Washington’s standard range. An “E” range is a standard range with the first four (4) steps removed. Thus, the first step is the same as Step E of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“G” RANGE: This range is used for classes having a prevailing pay range which is shorter than Washington’s standard ranges. A “G” range is a standard range with the first six steps removed. Thus, the first step of such a range is the same as Step G of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“N1” RANGE: This range applies to nurses represented by the Coalition and is used for classes requiring licensure as a registered nurse and having a prevailing pay range which is longer than Washington’s standard ranges. An “N1” range is a standard range, step A through K, with ten (10) added steps, L through U. Periodic increases through step K of these ranges are made at the same intervals as through standard ranges. Thereafter, an employee receives a one-step increase based on years of experience up to the maximum step of the range.

The parties agree that if the February 2014 Economic and Revenue Forecast Council (ERFC) forecast for General Fund-State revenues for Fiscal Year 2015 is \$200 million or more than the September 2012 ERFC forecast for General Fund-State revenues for Fiscal Year 2015 as a result of increased economic activity, effective July 1, 2014, all salary ranges and steps of each salary schedule in the parties' 2013-2015 collective bargaining agreement will be increased by 1% as shown in Compensation Appendices D, E and F. These salary schedules will remain in effect for twelve (12) months and will expire on June 30, 2015. The parties acknowledge that this increase is subject to the Legislature approving the funds necessary to implement this memorandum of agreement.

For purposes of this memorandum of agreement, "increased economic activity" means additional revenue derived from taxable business and consumer activity and does not include revenue changes from changes in state or federal law or revenue changes characterized by the ERFC as a non-economic change.

If, during negotiations for the 2013-2015 biennium, the Employer agrees to a change that results in more favorable treatment regarding across-the-board salary increases, shift premium rate increases, callback pay increases, standby pay increases, or lump sum payments for any general government bargaining unit covered by RCW 41.80, then the Employer will apply such treatment to employees covered by this agreement. The parties will meet promptly upon request of the Association to negotiate the implementation of that more favorable treatment. **MEMORANDUM OF UNDERSTANDING
BETWEEN THE STATE OF WASHINGTON
AND
THE COALITION OF UNIONS**

This Memorandum of Understanding (MOU) by and between the Coalition of Unions (Union), and the State of Washington, Office of Financial Management/Labor Relations Office (Employer) concerning the parties 2013-2015 Collective Bargaining Agreement. The parties agree to the following:

The parties recognize that the economic terms described in sections 41.1B; 41.1C; 41.2B; 41.2C; 41.3B; 41.3C; 41.4, 41.5; and specific Assignment Pays that were tentatively agreed to on September 17, 2008 were not funded, and were not implemented, based upon a December 2008 finding by the Director of OFM that such terms were not economically feasible. The parties acknowledge that, based on information available at the time of bargaining the 2009 – 2011 master agreement, it recognized the need for these adjustments to wages and appendices. These adjustments included increased pay to the Fish and Wildlife Enforcement Sergeant classification due to increased duties, the Psychiatrist 4 classification at Western State Hospital due to recruitment and retention difficulties and salary survey adjustments to Physician 3 classification, the F & W Sergeant classification, and the Communication Officer 4 classification, as well as the increase in additional approved assignment pays. The need for such terms shall be considered as having already been established when the parties negotiate for a successor collective bargaining agreement. The parties recognize that the Director's determination of unfeasibility does not affect the parties' mutual understanding that the matters described in those sections were a full and fair settlement of the economic terms of agreement at the time the settlement was reached. Nothing in this MOU obligates either party to agree to any proposal.

**MEMORANDUM OF UNDERSTANDING
AMONG
WASHINGTON STATE PATROL TRADES ASSOCIATION
AND THE
WASHINGTON STATE PATROL TRADES SUPERVISORS ASSOCIATION
AND THE
OFFICE OF FINANCIAL MANAGEMENT LABOR RELATIONS OFFICE
AND THE
WASHINGTON STATE PATROL**

The parties to this Memorandum of Understanding (MOU) are the Washington State Patrol Trades Association (WSPTA), the Washington State Patrol Trades Supervisors Association (WSPTSA), the Office of Financial Management Labor Relations Office (OFM/LRO), and the Washington State Patrol (WSP). This MOU, which becomes effective on July 1, 2013, sets forth an optional mechanism for the fair and efficient resolution of certain disciplinary cases that may arise for bargaining unit members. Nothing in this MOU shall be construed to limit the Employer's authority to determine the method and develop guidelines for conducting investigations under Article 30.4.

1. At any time between when an employee receives notice that the employee is the subject of an administrative investigation due to allegations of misconduct and when discipline is imposed, the employee may approach the employee's appointing authority and/or the division commander of the Office of Professional Standards (OPS) within the WSP to request a disciplinary settlement agreement.

The parties agree that a disciplinary settlement agreement:

- a. Shall be subject to the mutual agreement of the employee and the WSP;
- b. Is premised on the employee's acknowledgement of misconduct;
- c. Shall include a stipulation that just cause for the discipline exists;
- d. Shall conclusively settle all issues related to the discipline; no grievance, labor action, civil claim, legal action or other appeal may be filed by either the employee or the union regarding the discipline and administrative investigation;
- e. Does not constitute or establish a precedent or "past practice;"
- f. May provide for days of suspension to be held in abeyance;
- g. May require the retention of the disciplinary settlement agreement and/or the documents relating to associated OPS case files to be retained longer than otherwise provided, if circumstances warrant a longer retention period;

**MEMORANDUM OF UNDERSTANDING
BETWEEN
STATE OF WASHINGTON
AND
COALITION**

The parties recognize that there is a pending Unfair Labor Practice Complaint filed by the Fish & Wildlife Officers' Guild (Guild) against the State of Washington concerning, in part, the State's obligation to bargain with a newly formed labor organization. Specifically, the Public Employment Relations Commission (PERC) Hearing Examiner dismissed some of the Guild's complaints in Case No. 24387-U-11-6249, and the Guild has appealed that dismissal. As of the date of this agreement, separate charges in the same matter are still pending in front of a PERC Hearing Examiner.

The parties understand that the Guild's participation in the negotiations for the Coalition's 2013-2015 master agreement shall not be construed as a waiver by either party of any assertions, arguments, or affirmative defenses raised in relation to the application of the Collective Bargaining Agreement in place for the remainder of the 2011-2013 biennium. Additionally, nothing in the contents of the agreed on 2013-2015 master agreement shall be construed as a waiver of any assertions, arguments, or affirmative defenses made by either party relating to the application of the Collective Bargaining Agreement in place for the remainder of the 2011-2013 biennium.

Pursuant to the Savings Clause, the parties agree to comply with any final order which may affect the application of the 2011-2013 or successor agreements if included in a final order. However, the parties agree this Memorandum of Understanding shall expire when PERC renders a final decision in all matters under CASE No. 24387-U-11-6249 and all appeals have been exhausted or timeframes for appeals have elapsed.

The parties understand that prior to the transition of the Washington State Printer to Department of Enterprise Services (DES) the Employer agreed to deduct wages from employees and provide voluntary deductions to an Inter-Local pension fund operated by 767M.

The parties agree that with authorization from the employee, the Employer will deduct from the employee's wages for the Union's Inter-Local pension fund. If changes are made to the deduction amount, updated pension withholding cards will be submitted to payroll at least ninety (90) days prior to the effective date of the change. The Employer agrees to remit electronically any deductions made pursuant to this provision to the Union together with any electronic report showing:

1. Employee name
2. Personnel Number/Social Security Number
3. Amount deducted

The parties further agree that the current practice of deducting wages from employees for the Inter-local pension fund is appropriate under RCW 41.04.230(6). However, if the circumstances related to this deduction change and are no longer compliant with RCW 41.04.230(6) then the Employer may terminate the practice of deducting wages from employees. Before termination of this practice, the Employer will provide notice to the Union.

The parties understand the transition of the Washington State Printer to Department of Enterprise Services (DES) has resulted in on-going efforts to address the transition of Department of Printing processes to the recently formed DES.

The parties understand that prior to the merger with DES, the Department of Printing and the Union had a joint apprenticeship committee which had the responsibility to monitor the progress of an apprentice, provide input on the selection of apprentices and assist in establishing training standards. The parties agree the positions represented by Teamsters 767M and CWA are unique craft positions which require specialized training.

The parties agree to meet and explore whether or not existing apprenticeship programs within other state agencies, such as Labor and Industries, will meet the parties' shared interest to have sufficiently trained and qualified journey level workers. In the event a program does not exist in another agency, the parties will meet to discuss the formation of a training and development program with appropriate guidelines and timeframes.
