ORDINANCE NO. 2010-25

AN ORDINANCE concerning annexation; annexing the Zeigler Annexation area to the City of Yakima; maintaining the current zoning of the area; providing for notice to the WUTC of the City's intent to provide residential refuse collection and disposal service; assumption of the City's current indebtedness by properties in the Zeigler Annexation area; and an effective date of June 20, 2010.

WHEREAS, proceedings have been held in accordance with all applicable laws for the annexation to the City of Yakima of the Zeigler Annexation hereinafter described; and

WHEREAS, the City duly filed a notice of intention with the state Boundary Review Board for Yakima County (BRB) for the Zeigler Annexation. No request was submitted invoking BRB jurisdiction, therefore on March 3, 2010 the Zeigler Annexation was deemed approved by the Board; and

WHEREAS, garbage and refuse collection within the Zeigler Annexation area is presently being provided by Yakima Waste Systems, Inc., under authority issued by the Washington Utilities and Transportation Commission (WUTC) to both residential and commercial accounts and the City desires to provide such services to residential accounts only in accordance with RCW 35.13.280; and

WHEREAS, RCW 35.13.280 requires the City to grant Yakima Waste Systems, Inc., as the current WUTC-authorized provider of garbage and refuse collection and disposal service within the Zeigler Annexation area, a franchise to continue such service to residential properties within the Zeigler Annexation area for a term of not less than seven years after annexation becomes effective. Such franchise does not apply to garbage and refuse generated by commercial establishments because the City does not provide or contract for such service. The City understands that collection and disposal services to all commercial accounts within the City is now subject to and shall remain under the authority of the WUTC and that, pursuant to state law, Yakima Waste Systems, Inc., shall, under its WUTC authority, continue to provide garbage and refuse collection and disposal services to all commercial accounts within the City, including such accounts in the Zeigler Annexation area; and

WHEREAS, RCW 35.13.280 requires the City to provide specific notice to the WUTC regarding the City's intent, pursuant to RCW 81.77.020, and subject to the provisions of RCW 35.13.280, to provide residential refuse collection and disposal service to the Zeigler Annexation area; and

WHEREAS, pursuant to due and legal notice, the City Council held a public hearing on said annexation on May 18, 2010 and, as a result thereof, finds:

1. The annexation petition requirements of RCW 35.13.120 have been satisfied in that the owners of not less than sixty percent in value, according to the assessed valuation for general taxation of the Zeigler Annexation area, have signed the petition.
2. The Zeigler Annexation area should be annexed to the City of Yakima.
3. The Comprehensive Plan designation for Zeigler Annexation area should be changed to Low Density Residential, to conform to the Yakima Urban Area Comprehensive Plan, the General Plan of the City of Yakima and the zoning should be

changed to R-1, Single-Family Residential to conform to the Yakima Urban Area Zoning Ordinance.

4. The owners of the real property within the Zeigler Annexation area should be required to assume their pro rata share of the existing indebtedness of the City of Yakima.

5. The needs of the City and community do require the hereinafter set forth zoning classification, and the highest and best use for said property is as hereinafter determined.

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF YAKIMA, WASHINGTON:
