5. Pursuant to RCW 35A.14.120, the Ephrata City Council met with the property owners/petitioners within sixty days of receipt of the Notice of Intention to Commence Annexation Proceeding, on November 16, 2011, to review the proposed annexation and found said proposed annexation to be a logical extension of the City corporate limits; and that said property should be annexed to the City; and that (1) said property should assume its pro rata share of the City's bonded indebtedness and be assessed and pay taxes at the same rate and on the same basis as other property within the City; and that (2) said property should be assigned the Industrial-1 zoning classification.
6. Following the meeting with the owner/petitioner, the proponent of the annexation circulated the necessary petition which was signed by the owners of more than sixty percent of the assessed valuation, according to the assessed valuation for general taxation, of the property for which annexation has been petitioned and was certified as legally sufficient by the County Assessor.
