Certification of Sufficiency  
La Center West Annexation

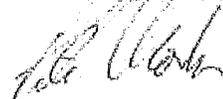

The city of La Center on August 19, 2011 submitted for review by Clark County Assessor, a petition to annex to the city, approximately 583.14 acres of land known as the La Center West Annexation. Subject to the requirements of RCW 35A.01.040, I now certify the following in my capacity as Clark County Assessor:

1. On August 19, 2011 the city of La Center submitted for certification by the Clark County Assessor a petition to annex to the city ninety two parcels of land and associated road and public utility rights-of-way, totaling approximately 583.14 acres.
2. The legal description and map of the area proposed for annexation, as provided by the city of La Center, are attached to this certification. According to the map provided by the city, this area is located in unincorporated Clark County and within the urban growth boundary.
3. The city is completing annexation pursuant to the direct petition method of annexation, RCW 35A.14.120 through RCW 35A.14.150.
4. The Clark County Assessor initiated determination of petition sufficiency on August 25, 2011 which is the "terminal date" as defined in RCW 35A.01.040.
5. The area proposed for annexation has a certified annexation value for general taxation of \$ 22,887,870.
6. Petition signatures provided by the city of La Center represent signatures, in compliance with the RCW 35A.14.120 through 35A.14.150, of a combined total assessed value for general taxation of not less than 60% of the total assessed value for general taxation of all property in the proposed annexation area. This review did not address the legal sufficiency of any proxy or utility covenant, only the sufficiency of the presence of signatures thereon.

Therefore, based on the petition certification request and supporting materials submitted by the city of La Center, I hereby declare and certify that the petition represents the affirmative consent of properties totaling more than 60% of the value according to the assessed valuation for general taxation purposes of the property proposed for annexation.

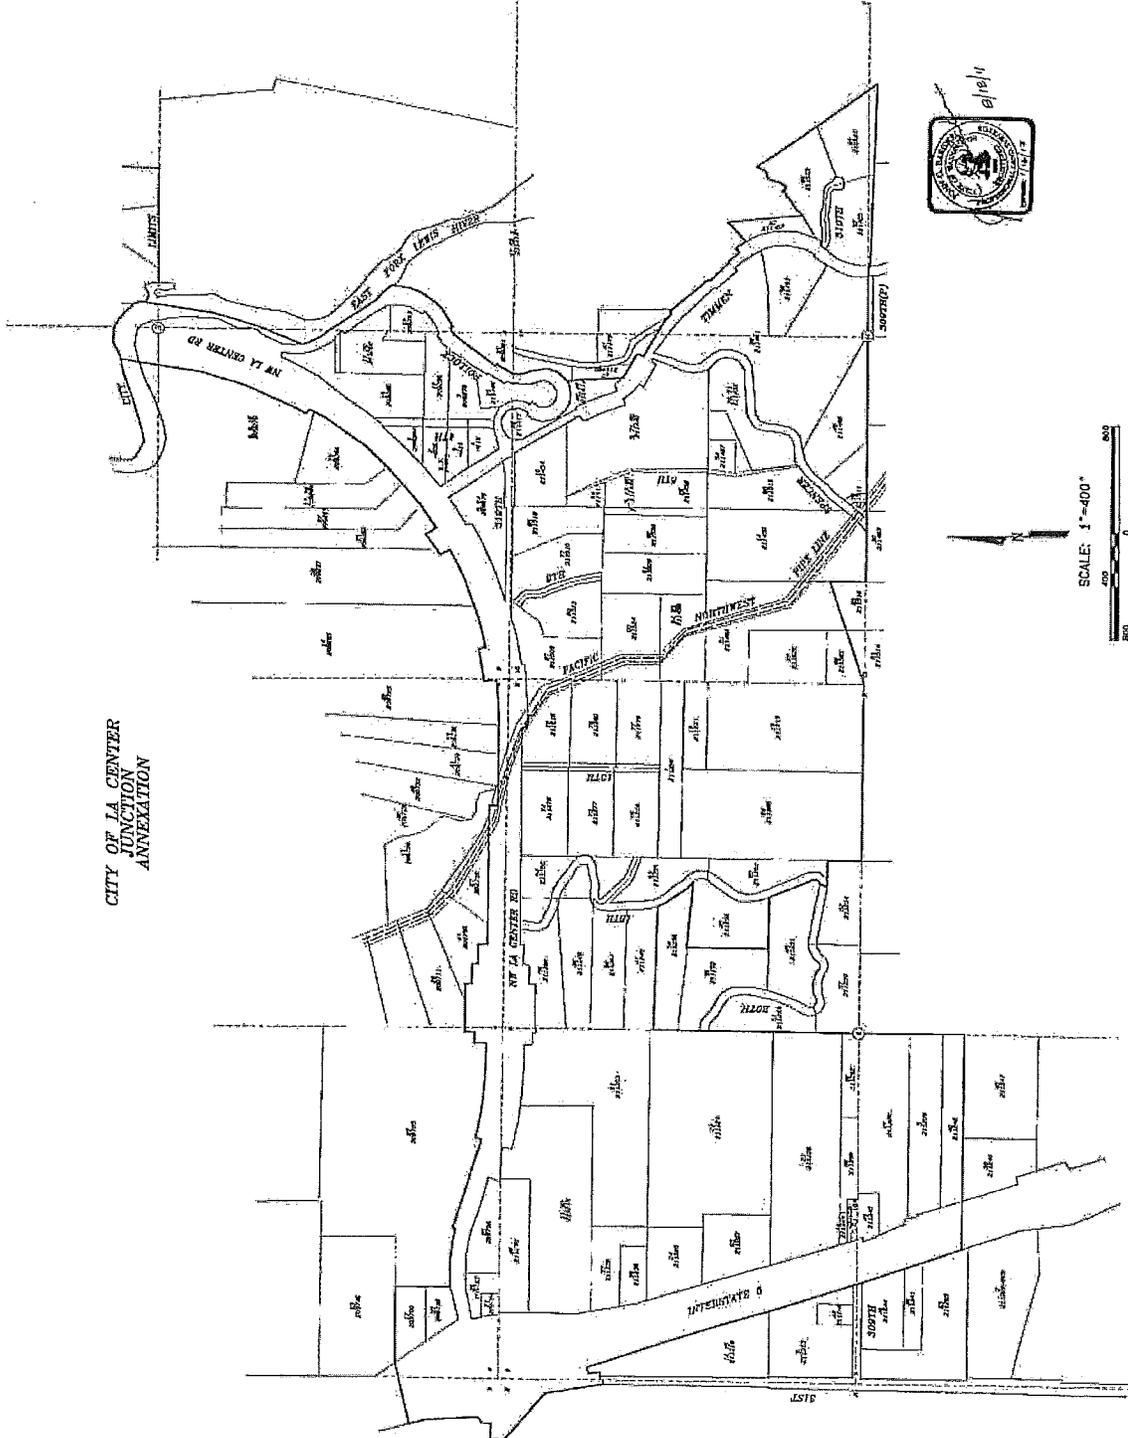

Given under my hand and seal this 26<sup>th</sup> day of August 2011.
