

Ordinance No. _____

An ordinance annexing property into the City of Forks.

Hendrickson Annexation

WHEREAS, property owners of over 10% in value of the property described below notified the City Council of their intent to commence annexation proceedings for said area; and

WHEREAS, during that meeting the City Council did determine that it would accept the proposed annexation. In addition, the Council determined that it would require the simultaneous adoption of the Forks Zoning Code and Zoning Map upon the proposed annexation area. Finally, the Council determined that it would not require the assumption of any part of existing city indebtedness by the annexed area; and,

WHEREAS, the City Council received a petition for annexation of the area signed by John Hendrickson who is the owner of over 60% of the value of all of the land in the area to be annexed; and

WEHREAS, the Clallam County Boundary Review Board took no action on the petition after said petition and associated documentation was forwarded to said Board for their review and languished there without review or action;

WHEREAS, the City Council held a public hearing on the petition on 13 June 2011 and determined that the annexation would be in the best interest of the community and that the annexation should take place;

WHEREAS, the City Council received a petition for annexation of the area signed by the owners of over 60% of the value of all of the land in the area to be annexed; and

WHEREAS, the City Council held a public hearing on the petition, however, it was discovered that notice had not been done as required by statute and therefore a new hearing and a new ordinance is required to properly annex the property in question;

WHEREAS, the notice was in fact published in the City's journal of record prior to the hearing, posted in three places on the property in question, and mailed to the petitioner and adjacent property owners;

WHEREAS, on 12 Sep 2011, the City Council held the required public hearing and reaffirmed that the City's tax revenues would be increased by the annexation and that the annexation should take place;
