

## **Selected Islands**

The Washington State Office of Financial Management produces estimates of total population, household population, group quarter population, total housing units, and occupied housing units for selected islands as part of the Small Area Estimate Program (SAEP). The islands represent aggregations of 2010 census blocks. Island names were derived from the United States Geologic Survey's [Geographic Names Information System](#) and other sources. In some cases multiple islands are included in a single census block. When this occurs, the names are separated by a forward slash character '/'. Although OFM has made every effort to include all populated islands according to the 2010 federal census, some islands with population may have been inadvertently omitted.

If you have any questions about the SAEP estimates for islands, please contact Tom Kimpel at 360.902.0596 or [thomas.kimpel@ofm.wa.gov](mailto:thomas.kimpel@ofm.wa.gov).
