Bill No	Title	Section	Description
SHB 1008	Elected officials' salaries	1	Provisions relating to membership on the <b>Washington Citizens' Commission on Salaries for Elected Officials</b> are changed. Provisions regarding the composition of the Commission are amended to allow the appointment of an additional member representing the forthcoming new congressional district.
SHB 1084	Board on geographic names	1-7 (PV Sec 7)	The <b>Board on Geographic Names</b> is reestablished as a constituted board of the Board of Natural Resources and has the same duties as the original Board.
HB 1181	Board of naturopathy	1-12	A seven-member <b>Board of Naturopathy</b> is created and the Naturopathic Advisory Committee is repealed. Members are appointed by the Governor and serve four-year terms. Five members must be licensed naturopaths, and two members must be from the public.
E2SHB 1371	Boards and commissions	1, 2, 3-12, 14-17, 18, 19-20	<p>The following entities are eliminated and in some cases duties are transferred to agencies:</p> <p>The <b>Eastern State Hospital Board</b>. (Sec 1)</p> <p>The <b>Firearms Range Advisory Committee</b>. (Sec 2)</p> <p>The <b>Performance Agreement Committee</b>. (Sec 18)</p> <p>The <b>Salmon Stamp Selection Committee</b>. (Sec 19-20)</p> <p>The <b>Western State Hospital Board</b>. (Sec 1)</p> <p>The <b>Home Care Quality Authority</b>. Responsibility for the referral registry is transferred to the Department of Social and Health Services. (Sec 3-12)</p> <p>The <b>Migratory Waterfowl Art Committee</b>. The responsibility to select the migratory bird stamp is transferred to the Department of Fish and Wildlife (DFW). The DFW must solicit recommendations from the public. (Sec 14-17)</p>

Bill No	Title	Section	Description
		33, 35-40, 41-42, 45-50, 51-52	<p>The following entities are renamed advisory committees, and in some cases functions are limited to reflect the advisory role. For entities to which the Governor appoints the members, the appointing authority is changed.</p> <p>The <b>Correctional Industries Board of Directors</b> becomes the Correctional Industries Advisory Committee. Appointments are made by the Secretary of the Department of Corrections (DOC), and the Correctional Industries Advisory Committee makes recommendations to the Secretary of the DOC. (Sec 35-40)</p> <p>The <b>Hanford Area Economic Investment Fund Committee</b> becomes the Hanford Area Economic Investment Fund Advisory Committee. Appointments are made by the Director of the Department of Commerce (COM), and the Hanford Area Economic Investment Fund Advisory Committee advises the Director of the COM. (Sec 41-42)</p> <p>The <b>Escrow Commission</b> becomes the Escrow Advisory Committee. (Sec 45-50)</p> <p>The <b>Livestock Identification Advisory Board</b> becomes the Livestock Identification Advisory Committee. (Sec 51-52)</p> <p>The <b>Achievement Gap Oversight and Accountability Committee</b> is renamed the Educational Opportunity Gap Oversight and Accountability Committee. (Sec 33)</p>
HB 1413	Invasive species council	2	The <b>Invasive Species Council</b> is authorized to continue operations until June 30, 2017.
SHB 1585	Intrastate mutual aid system	9	The <b>Intrastate Mutual Aid Oversight Committee</b> is created as a subcommittee of the <b>Emergency Management Council</b> . The Committee consists of a maximum of five members who must be appointed by the Council chair from Council membership. The chair of the Committee is the Washington Military Department representative appointed as a member of the Council.
HB 1594	Financial education	1	All members of the <b>Financial Education Public-Private Partnership</b> are

Bill No	Title	Section	Description
			appointed for two-year terms of service except the representative from the Department of Financial Institutions. Excluding legislative members, the terms of service are staggered so that half of the members within each category are appointed for a one-year term, and then a two-year term thereafter. Appointments under these provisions must be made by August 1, 2011.
SHB 1614	Traumatic brain injury	2	<p>The composition of the <b>Washington Traumatic Brain Injury (TBI) Strategic Partnership Advisory Council</b> is changed. Some members are to be appointed by the Governor and some members will be representatives from state agencies.</p> <p>Added to the members appointed by the Governor are an individual with expertise in working with children with TBI and a physician who has experience working with persons with TBI.</p> <p>Changes have been made to the agency representatives who are members to include a representative from the Division of Behavioral Health and Recovery Services and a designee in place of the Executive Director of the State Brain Injury Association.</p>
E2SHB 1634	Underground utilities	18, 26	Requires the <b>Utilities and Transportation Commission</b> to contract with a nonprofit organization to create a new safety committee to review alleged violations of the underground utility damage prevention act, and to conduct education and training on damage prevention. The committee expires December 2020.
2E2SHB 1738	Medicaid single state agency	116	Designates the <b>Health Care Authority</b> as the single state agency for purposes of the Medicaid program. Assigns all responsibilities of the Department of Social and Health Services for medical services programs to the Authority.
E2SHB 1965	Adverse experiences/children	12, 13	The <b>Family Policy Council</b> and <b>Council for Children and Families</b> are eliminated effective June 30, 2012.
ESHB 2088	Opportunity scholarship brd	3	The <b>Opportunity Scholarship Board</b> is created and is made up of seven persons appointed by the Governor.
SSB 5181	State debt statutory limit	2	A <b>Commission on State Debt</b> is established to examine the use of debt in Washington State and make recommendations on debt policy and debt limitations. Commission members include the State Treasurer; the Director

Bill No	Title	Section	Description
			of the Office of Financial Management; four legislators, one from each of the four major caucuses; and six independent experts, three appointed by the Governor and three appointed by the State Treasurer. The commission's report is due December 1, 2011.
E2SSB 5182	Student financial assistance	101-246, 301, 301 <b>(PV Sec 246)</b>	<p>Creates the Office of Student Financial Assistance effective July 1, 2012. (Sec 101-245)</p> <p>The HECB is eliminated on July 1, 2012, and the <b>Council for Higher Education</b> is created, subject to recommendations of a Steering Committee on Higher Education and legislation enacted in 2012. (Sec 301)</p> <p>The <b>Steering Committee on Higher Education</b> is created to establish the purpose and functions of the Council. The Steering Committee is chaired by the Governor or the Governor's designee and includes four legislators and equal representation from higher education sectors in the state. The membership and specific functions of the new Council will be determined by the Steering Committee. (Sec 302)</p>
SSB 5445	Health benefit exchange	3	The <b>Health Benefit Exchange Board</b> is established as a public-private partnership separate and distinct from the state, exercising functions delineated by the act. By December 15, 2011, the Governor must appoint two members from each list submitted by the caucuses, including at least one employee benefits specialist, one health economist or actuary, one representative of small business, and one representative of health consumer advocates. The Governor must appoint an additional member to act as chair, who will serve as a nonvoting member except to break ties. The chair may not be a government employee. The Insurance Commissioner or designee and the Administrator of the HCA or designee will serve as nonvoting members.
SB 5584	Apprenticeship standards	1	Authority for apprenticeship programs is transferred from the <b>Washington State Apprenticeship and Training Council</b> to the Department of Labor and Industries.
2SSB 5636	North Puget Sound higher ed	1-4	Management and leadership of the University Center at <b>Everett Community College</b> are assigned to the <b>Washington State University</b> (WSU).

Bill No	Title	Section	Description
			<p>A <b>Coordinating and Planning Council</b> is established, and the Director of the University Center implements decisions of the Council and reports to the President of the WSU. The membership of the Council is specified, but may be modified by agreement.</p> <p>The act will take effect only after the HECB determines whether a needs assessment and analysis is required and, if so, conducts a needs assessment and viability determination and recommends implementation. These recommendations are due by July 1, 2012. The Office of Financial Management, the Legislature, and the Office of the Code Reviser shall be notified of the HECB's recommendations. Contingent on the HECB's recommendations, WSU's leadership role begins by July 1, 2014.</p>
SSB 5741	Econ development commission	2	Membership in the <b>Economic Development Commission</b> is increased from 18 to 24 by adding two more private sector members, one more labor representative, a representative with expertise in international trade, the Secretary of the Department of Transportation, and the Director of the Department of Agriculture.
2ESSB 5742	Ferry system	16-27	Effective July 1, 2011, the <b>Marine Employees Commission</b> (MEC) is created within the Public Employment Relations Committee (PERC). For the 2011-13 biennium, all process and procedures will be handled according to PERC processes in place and only appeals will be handled by MEC. Effective July 1, 2013, MEC is dissolved.
2ESB 5764	Innovate Washington	1	<b>Innovate Washington</b> is created as the successor agency to <b>WTC and SIRTI</b> and is the primary state agency responding to the technology transfer needs of existing businesses in the state.
ESSB 5891	Criminal justice savings	15, 28, 36	<p>The <b>Indeterminate Sentence Review Board</b> is transferred and created within the Department of Corrections. (Sec 15)</p> <p>The <b>Caseload Forecast Council</b> serves as a clearinghouse and information center on adult and juvenile sentencing and data collection. (Sec 28).</p> <p>The <b>Sentencing Guidelines Commission</b> is created, located within the Office of Financial Management. (Sec 36)</p>
ESSB 5921	Social services programs	22	The <b>Office of Fraud and Accountability</b> (OFA) is established in DSHS to

Bill No	Title	Section	Description
			detect, investigate, and prosecute any act that constitutes fraud or abuse in the public assistance programs administered by DSHS except for Medicaid and other medical programs. By December 31, 2011, OFA is to report to the Legislature on the development of the office, identification of any barriers to meeting the stated goals of OFA, and recommendations for improvement to the system and laws related to the prevention, detection and prosecution of fraud and abuse in public assistance programs.
ESSB 5931	State government	103, 104, 107, 201-259, 301-315, 401-484, 502-535, 601-615, 702 715-716, 801-814	<p>The <b>Department of Enterprise Services (DES)</b> is created as an executive branch agency. The director is appointed by the Governor and subject to confirmation by the Senate. (Sec 103, 104)</p> <p>The <b>Department of General Administration</b> is eliminated as a state agency and all of its powers and duties are assigned to DES. (Sec 107, 201-259)</p> <p>The <b>State Printer's</b> powers and duties are transferred to the DES. (Sec 301-315)</p> <p>The <b>Department of Personnel</b> is eliminated and its powers and duties divided between OFM and DES. (Sec 401-484)</p> <p>Risk management and personal services contracting oversight activities are transferred from the <b>Office of Financial Management (OFM)</b> to DES. (Sec 502-535)</p> <p>The <b>Department of Information Systems</b> will no longer exist as a state agency. High-speed Internet programs are moved to the Department of Commerce. (Sec 601-615)</p> <p>The <b>Office of the Chief Information Officer (OCIO)</b> is created within OFM. (Sec 702)</p> <p>A 13-member <b>Technology Services Board (TSB)</b> is created, consisting of eight members appointed by the Governor and four legislators. (Sec 715-7160)</p>

Bill No	Title	Section	Description
			The <b>Consolidated Technology Services</b> (CTS) is created as a new state agency. A majority of service provision duties are transferred from DIS to CTS. (Sec 801-814)

Bill No	Title	Section	Description
ESHB 1181	Board of naturopathy	1-12	A seven-member <b>Board of Naturopathy</b> is created. Members are appointed by the Governor and serve four-year terms. Five members must be licensed naturopaths, and two members must be from the public.
E2SHB 1311	Health care collaborative	3	The <b>Robert Bree Collaborative</b> is established to identify and review certain high-variation or high-utilization health care services and develop best practices guidelines related to those services and strategies to promote the use of those guidelines. The Governor appoints twenty members of the collaborative.
E2SHB 1371	Boards and commissions	13, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 34, 43, 44	<p>The appointment authority of the Governor is changed for the following entities:</p> <p>The <b>Capitol Campus Design Advisory Committee</b> (appointed by the Director of the Department of General Administration). (Sec 34)</p> <p>The <b>State Advisory Board of Plumbers</b> (appointed by the Director of the Department of Labor and Industries). (Sec 21)</p> <p>The <b>Apprenticeship Council</b> (appointed by the Director of the Department of Labor and Industries). (Sec 22)</p> <p>The <b>Boundary Review Board</b> (Three positions appointed by the Governor are eliminated. The number of members appointed by counties, and also cities, is increased from three to four and the number of members appointed by the Boundary Review Board from special districts is increased from two to three.) (Sec 23)</p> <p>The <b>Commission on Pesticide Regulation</b> (appointed by the Director of the Department of Agriculture). (Sec 24)</p>

Bill No	Title	Section	Description
			The <b>Commuter Trip Reduction Board</b> (The Governor's representative is changed to a representative from OFM, and other representatives are to be determined by the Secretary of Transportation.) (Sec 26)
			The <b>Community Economic Revitalization Board</b> (appointed by the Director of the COM). (Sec 25)
			The <b>Emergency Management Council</b> (appointed by the Adjutant General). (Sec 27)
			The <b>Emergency Medical Services and Trauma Care Steering Committee</b> (appointed by the Secretary of Health). (Sec 28)
			The <b>Interstate Horse Racing Compact Committee</b> (appointed by the Horse Racing Commission). (Sec 29)
			The <b>State Council on Aging</b> (Appointments are made by the Area Agencies on Aging, except that the Governor continues to appoint a city and county member and up to five at-large members.) (Sec 31)
			The <b>Horse Park Authority Board</b> (appointed by the Parks and Recreation Commission). (Sec 32)
			The <b>Home Inspector Advisory Licensing Board</b> (appointed by the Director of the Department of Licensing). (Sec 43)
			The <b>Real Estate Appraiser Commission</b> (appointed by the Director of the Department of Licensing). (Sec 44)
			The <b>Productivity Board</b> (appointed by the Secretary of State for the three Governor's appointments). (Sec 30)
			The <b>Horse Racing Commission</b> is reduced from five to three members. (Sec 13)

Bill No	Title	Section	Description
SHB 1614	Traumatic brain injury	2	The composition of the <b>Washington Traumatic Brain Injury (TBI) Strategic Partnership Advisory Council</b> is changed. Some members are to be appointed by the Governor and some members will be representatives from state agencies. Added to the members who shall be appointed by the Governor are the following: an individual with expertise in working with children with TBI; and a physician who has experience working with persons with TBI.
ESHB 2088	Opportunity scholarship brd	3	The <b>Opportunity Scholarship Board</b> is created and is made up of seven persons appointed by the Governor.
SB 5181	State debt statutory limit	2	A <b>Commission on State Debt</b> is established to examine the use of debt in Washington State and make recommendations on debt policy and debt limitations. Commission members include the State Treasurer; the Director of the Office of Financial Management; four legislators, one from each of the four major caucuses; and six independent experts, three appointed by the Governor and three appointed by the State Treasurer.
SSB 5389	Early learning adv council	2	Membership of the <b>Early Learning Advisory Council</b> is aligned with federal requirements for State Advisory Councils by specifying categories for four of the Governor's seven appointed leaders in early childhood education: the Head Start State Collaboration Office director or director's designee; a representative of a Head Start, Early Head Start, Migrant/Seasonal Head Start, or Tribal Head Start program; a representative of a local education agency; and a representative of the state agency responsible for programs under Part C of IDEA.
2SSB 5445	Health benefit exchange	3	The <b>Health Benefit Exchange Board</b> is established as a public-private partnership separate and distinct from the state, exercising functions delineated by the act. By December 15, 2011, the Governor must appoint two members from each list submitted by the caucuses, including at least one employee benefits specialist, one health economist or actuary, one representative of small business, and one representative of health consumer advocates. The Governor must appoint an additional member to act as chair, who will serve as a nonvoting member except to break ties. The chair may not be a government employee. The Insurance Commissioner or designee and the Administrator of the HCA or designee will serve as nonvoting members.

Bill No	Title	Section	Description
2SSB 5459	People w/development disabilities	8	A <b>developmental disability service system task force</b> is established. The Governor appoints two advocates for people with developmental disabilities; a representative from the developmental disabilities council; a representative of families of residents in residential 18 habilitation centers; and two representatives of labor unions representing workers who serve residents in residential habilitation centers.
2ESB 5764	Innovate Washington	1	A board of directors governs <b>Innovate Washington</b> , including the Governor or the Governor's designee, and seven members appointed by the Governor from among individuals who own or are executives at technology-based and innovative firms in the state.
ESSB 5921	Social services programs	2	A <b>legislative-executive task force overseeing the WorkFirst program</b> is established. The President of the Senate appoints two members from the two largest caucuses in the Senate. The Speaker of the House of Representatives appoints two members from the two largest caucuses in the House. The Governor must appoint members representing the following state agencies: DSHS; Department of Early Learning; Department of Commerce; Employment Security Department; Office of Financial Management; and State Board for Community and Technical Colleges.
ESSB 5931	State government	103, 104. 703	The <b>Department of Enterprise Services</b> is created as an executive branch agency. The director is appointed by the Governor and subject to confirmation by the Senate. (Sec 103, 104)  The CIO is appointed by the Governor and subject to confirmation by the Senate. (Sec 703)

Bill No	Title	Section	Description
HB 1178	Regulatory assistance office	2	The duty of reporting the effects of rulemaking on the regulatory system to the Governor and the Legislature are transferred from the Office of Financial Management to the <b>Office of Regulatory Assistance</b> .
ESHB 1886	Ruckelshaus Center process	11	The statewide advisory committee must be appointed by the Commission from nominations made by county, agricultural, and environmental organizations. At least two representatives from each of these organizations must serve on the committee and the Commission, in conjunction with the <b>Office of the Governor</b> , and must invite participation by two representatives of tribal governments.
2ESSB 5182	State debt statutory limit	302	The Steering Committee on Higher Education is created to establish the purpose and functions of the Council. The Steering Committee is chaired by the <b>Governor or the Governor's designee</b> and includes four legislators and equal representation from higher education sectors in the state. The membership and specific functions of the new Council will be determined by the Steering Committee.
2ESSB 5742	Ferry system	10	Performance measures are defined. Performance targets must be established by an ad hoc committee with members from and designated by the <b>Office of the Governor</b> , which must include at least one member from labor.
E2SSB 5769	Coal-fired generation	106	By January 1, 2012, the <b>Governor</b> must enter into a binding memorandum of agreement with TransAlta to implement the provisions of the bill.
SSB 5784	Regional ocean partnership	2	Upon receipt of funding for the Marine Resources Stewardship Trust account, requires the <b>Governor</b> to provide recommendations for expenditures prior to the next regular legislative session.
ESSB 5931	State government	715-716	A 13-member Technology Services Board is created, consisting of eight members appointed by the <b>Governor</b> and four legislators.

Bill No	Title	Section	Description
2ESHB 1087	Operating 2009-11 & 2011-13	129(2), 129(3), 146(1), 201(2), 202(3), 219(1), 219(3), 714, 715, 718(1), 719(1), 720(2), 721(1), 722, 725, 905, 924, 1101(5), 1121, 1414(2) and (3), 1604	<p>OFM is to contract with an independent consultant to evaluate and recommend the most cost-effective provisions of services required to support the Department of Social and Health Services (DSHS) special commitment center on McNeil Island. OFM shall solicit input from Pierce County, Department of Corrections, and DSHS in developing the request for proposal, evaluating applications, and directing the evaluation. (Sec 129(2))</p> <p>OFM is to prepare a report to be used to initiate a comprehensive, long-range planning process for the future of McNeil Island during the 2013-15 Biennium. OFM shall engage in broad consultation with interested parties. (Sec 129(3))</p> <p>OFM is required to approve state and federal Disaster Response Account expenditures on disasters declared by the Governor. (Sec 146(1))</p> <p>If DSHS receives unanticipated unrestricted federal moneys and any appropriated state moneys under this subsection lapse, OFM shall notify the legislative fiscal committees. (Sec 201(2))</p> <p>OFM must give prior approval of expenditures that exceed allotments based on a three month rolling average. (Sec 202(3))</p> <p>If the Department of Health receives unanticipated unrestricted federal moneys and any appropriated state moneys under this subsection lapse, OFM shall notify the legislative fiscal committees. (Sec 219(1))</p> <p>OFM must review and approve the investment plan submitted by the department before funding can be expended to implement online licensing for health care providers. (Sec 219(3))</p>

Bill No	Title	Section	Description
			OFM shall approve the expenditure of appropriations for the payment of supplies and services furnished to the agency or institution in prior fiscal biennia. (Sec 714)
			OFM shall distribute funds to Franklin County, Jefferson County, and Okanogan County for extraordinary criminal justice costs. (Sec 715)
			OFM shall allocate the moneys appropriated in this section in the amounts specified in LEAP Transportation Document C-AFS and adjust appropriation schedules accordingly. (Sec 718(1))
			OFM shall allocate the moneys appropriated in this section in the amounts specified in LEAP Transportation Document C-RTA and adjust appropriation schedules accordingly. (Sec 719(1))
			OFM shall allocate the moneys appropriated in this section in the amounts and to the state agencies specified in LEAP Transportation Document C-GLK and adjust appropriation schedules accordingly. OFM shall make any further allotment adjustments necessary to reflect agency mergers or consolidations assumed in this act. (Sec 720(2))
			OFM shall allocate the moneys appropriated in this section in the amounts and to the state agencies specified in LEAP Transportation Document C-GLU and adjust appropriation schedules accordingly. (Sec 721(1))
			OFM shall work with the appropriate state agencies to generate savings from the state General Fund resulting from SB 5931. OFM shall reduce General Fund-State allotments for Fiscal Year 2013 to reflect savings resulting from SB 5931. (Sec 722)
			OFM shall reduce General Fund-State allotments for Fiscal Year 2012 and

Bill No	Title	Section	Description
			<p>Fiscal Year 2013 to reflect savings in the industrial insurance costs of state agencies resulting from the implementation of HB 2123. (Sec 725)</p> <p>Requires OFM to approve any voluntary retirement, separation, and/or downshifting incentive program offered by agencies. Agencies participating in this authorization may offer voluntary retirement, separation, and/or downshifting incentives and options according to procedures and guidelines established by the office of financial management, in consultation with the department of personnel and the department of retirement systems. (Sec 905)</p> <p>OFM must determine if collective bargaining agreements negotiated with the state are feasible financially to the state. (Sec 924)</p> <p>OFM shall approve the transfer of General Fund-State appropriations for Fiscal Year 2011 between programs in the Department of Social and Health Services after May 1, 2011 if the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. OFM shall notify the appropriate legislative fiscal committees in writing seven days prior to approving any allotment modifications or transfers. (Sec 1101(5))</p> <p>OFM shall approve the transfer of General Fund-State appropriations for Fiscal Year 2011 between programs in the Department of Corrections after May 1, 2011 and notify the appropriate legislative fiscal committees in writing seven days prior to approving any deviations from appropriation levels. (Sec 103(1))</p> <p>OFM shall increase the marine insurance deductible and reduce components of the policy in order to keep the total cost of the two-year policy at or below the appropriation. (Sec 103(2))</p> <p>OFM shall contract with the Washington State Association of Counties to identify, evaluate, and implement performance measures associated with county transportation activities. (Sec 103(5))</p> <p>OFM shall study the available data regarding statewide transit, bicycle, and pedestrian trips and recommend additional performance measures that will effectively measure the state's performance in increasing transit ridership and bicycle and pedestrian trips. OFM is to report its findings and recommendations to the transportation committees of the legislature by November 15, 2011 and integrate the new performance measures into a report regarding progress towards achieving Washington State's transportation system policy goals. (Sec 103(8))</p> <p>OFM must complete a budget evaluation study that indicates a new building is the recommended option for accommodating additional traffic management operations before the Department of Transportation can award a contract for construction of a new traffic management center. (Sec 211(1))</p> <p>OFM must provide a detailed accounting of the revenues and expenditures</p>

Bill No	Title	Section	Description
			of the self- insurance fund to the transportation committees of the Legislature on December 31 and June 30 of each year. (Sec 219(1))
			OFM, Washington State ferries, and the transportation committees of the Legislature jointly determine the level of detail the Washington State ferries shall include in its 2011-13 supplemental and 2013-15 omnibus transportation appropriation act requests. (Sec 221(1))
			OFM, Department of Transportation, and transportation committees of the Legislature shall make recommendations regarding an appropriate budget structure for the Washington State ferries by September 2, 1011. (Sec 221(16))
			Requires OFM to approve spending of funds for emergency capital repair costs. (Sec 308(14))
			OFM must approve the transfer of federal funds from program Z to programs I and P and state funds from programs I and P to program Z as authorized in this subsection following the initial allotment as appropriated. (Sec 310(4))
			For the 2011-13 project appropriations, unless otherwise provided in this act, OFM may authorize a transfer of appropriation authority between projects managed by the Freight Mobility Strategic Investment Board in order for the board to manage project spending and efficiently deliver all projects in the respective program. (Sec 310(8))
			OFM may authorize a transfer of appropriation authority between projects funded with Transportation 2003 Account (Nickel Account) appropriations or Transportation Partnership Account appropriations in order to manage project spending and efficiently deliver all projects in the respective

Bill No	Title	Section	Description
			<p>program under certain conditions and limitations. OFM shall work with legislative staff of the House and Senate transportation committees to review the requested transfers. OFM shall document approved transfers and schedule changes in the transportation executive information system (TEIS), compare changes to the legislative baseline funding and schedules identified by project identification number identified in the LEAP transportation documents referenced in this act, and transmit revised project lists to chairs of the legislative transportation committees on a quarterly basis. (Sec 603(1), (3), and (4))</p> <p>OFM and the Joint Transportation Committee are consulted before the Department of Transportation enters into new leases, equal value exchanges, or property acquisitions for office needs until September 1, 2012, except as provided otherwise in the act. (Sec 604(2))</p> <p>Requires OFM to approve any voluntary retirement, separation, and/or downshifting incentive program offered by agencies. Agencies participating in this authorization may offer voluntary retirement, separation, and/or downshifting incentives and options according to procedures and guidelines established by the office of financial management, in consultation with the department of personnel and the department of retirement systems. (Sec 609)</p> <p>Requires OFM to approve the transfer of State Patrol Highway Account-State appropriations for 2009-11 between operating programs after May 1, 2011, except for those moneys provided solely for a specified purpose. (Sec 803 and 804(7))</p> <p>Requires OFM to release funds from unallotted status only to cover shortfalls in the State Route 520 Corridor Account due to delayed toll revenue collection in order to support activities funded in subsection (3) of this section. (Sec 805(7))</p>

Bill No	Title	Section	Description
ESHB 1497	Capital 2011-2013 & sup 2011	7002, 7003(2)(b), 7004, 7005, 7015, 7017, 7036	<p>Requires OFM to approve the transfer of Department of Transportation state appropriations for 2009-11 among operating programs after May 1, 2011, except for those moneys provided solely for a specific purpose. OFM shall not approve the transfer unless it is consistent with the object of conserving, to the maximum extent possible, the expenditure of state funds and not federal funds. OFM shall notify the appropriate transportation committees of the Legislature prior to approving any allotment modifications or transfers. (Sec 819)</p> <p>OFM must review and approve the agency's predesign before funds are expended or encumbered on a project with an appropriation in excess of \$5 million. (Sec 7002)</p> <p>OFM may make an exception to the limitations described in this subsection for exigent circumstances after notifying the legislative fiscal committees and waiting ten days for comments by the Legislature regarding the proposed exception. (Sec 7003(2))</p> <p>OFM may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of that project to another project within an agency for which the appropriation is not sufficient. OFM shall report any transfer effected under this section to the House Capital Budget Committee, Senate Ways and Means Committee, and the Legislative Evaluation and Accountability Program Committee at least 30 days before the date the transfer is effective. OFM shall report all emergency or smaller transfers within 30 days from the date of the transfer. (Sec 7004)</p> <p>OFM shall establish a requirement that agencies conduct the analysis comparing a 30 year and 50 year building life when using the life-cycle cost model and a requirement that agencies include renovation, system replacement, and remodel costs in maintenance costs for use in the life-cycle cost model. (Sec 7005)</p>

Bill No	Title	Section	Description
			<p>OFM, in consultation with the Senate Ways and Means Committee and the House Capital Budget Committee, must give prior approval of the replacement of federal moneys appropriated but not received by the state with funds available from private or local sources. (Sec 7015)</p> <p>OFM, in consultation with the fiscal committees of the Legislature, may select capital projects that have completed predesign to undergo a budget evaluation study. In conducting the studies, OFM must utilize the budget evaluation study team approach using value engineering techniques. OFM shall select the team members, contract for the study, and report the results to the Legislature and agencies in a timely manner following the study. Funds from the project appropriation must be used by OFM through an interagency agreement with the affected agencies to cover the cost of the study. (Sec 7017)</p> <p>OFM shall allocate moneys appropriated in this section in the amounts and to the state agencies specified in OFM document 2011-01 and adjust appropriation schedules accordingly. (Sec 7036)</p>
2020	Capital projects	1033(2), 1035, 7002(2), 8002, 8003(2)(b), 8004, 8012(4)	<p>OFM, in collaboration with the Department of Transportation, Department of Ecology, affected and interested federal agencies, tribal governments, and local governments, must provide a report to the Governor and Legislature that identifies recommended priority flood hazard mitigation projects in the Chehalis River basin for continued feasibility and design work. (Sec 1033(2))</p> <p>OFM shall report to the House Capital Budget Committee and Senate Ways and means committee annually on the approved emergency projects. (Sec 1035)</p> <p>OFM shall administer the proceeds from the sale of bonds authorized in Section 7001 of this act subject to legislative appropriation. (Sec 7002(2))</p> <p>Section 8002: OFM must review and approve the agency's predesign before</p>

Bill No	Title	Section	Description
			funds are expended or encumbered on a project with an appropriation in excess of \$5 million. (Sec 8002)
			OFM may make an exception to the limitations described in this subsection for exigent circumstances after notifying the legislative fiscal committees and waiting ten days for comments by the Legislature regarding the proposed exception. (Sec 8003(2)(b))
			OFM may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of that project to another project within an agency for which the appropriation is not sufficient. OFM shall report any transfer effected under this section to the House Capital Budget Committee, Senate Ways and Means Committee, and the Legislative Evaluation and Accountability Program Committee at least 30 days before the date the transfer is effective. 			OFM shall allocate moneys appropriated in this section in the amounts and to the state agencies specified in OFM document 2011-01 and adjust appropriation schedules accordingly. (Sec 8012(4))

Bill No	Title	Section	Description
ESHB 1421	Community forest trust	6, 8, 11	DNR must establish a local advisory committee and use the committee as a source of advice and comment on the post-acquisition management plan. DNR may establish a statewide advisory committee for the entire Community Forest Land Trust Program. The DNR must submit biennially to the <b>Office of Financial Management</b> and the Legislature a prioritized list that identifies nominated parcels of state land or state forest land that are suitable for transfer.
EHB 1703	Fiscal notes/schools	1	RCW 43.88A.020 sets forth the requirements for the <b>Office of Financial Management</b> regarding fiscal note procedures. A new provision is added: the fiscal note process is to include a school district fiscal note when there is legislation proposed that uniquely affects school districts.
ESHB 1795	Higher ed opportunity act	5, 7, 8, 27	<p>Each four-year institution of higher education must negotiate an institutional performance plan with the <b>Office of Financial Management</b>. The first plan is due September 1, 2011. Subsequent plans are due every two years. The plan must include specified expected outcomes. (Sec 5)</p> <p>Requirements for reporting on the estimates on per student funding levels for global challenge states revised to eliminate the requirement to report progress toward reaching the goal. A new requirement to report the amount that equals the sixtieth percent of tuition is added. (Sec 7)</p> <p>Display institutions data on a dashboard on the <b>Office of Financial Management's</b> website no later than December 2011 and updated annually. (Sec 8)</p> <p>The <b>Office of Financial Management</b> convenes an interagency work group to develop and implement improved administration and management practices to enhance efficiency of operations on higher education campuses. Interim report due November 15, 2012 and final report November 15, 2013. (Sec 27)</p>

Bill No	Title	Section	Description
2SHB 1909	Community & tech colleges	3	Section 3(4) includes the following sentence: "If the college board adopts a plan for an enterprise solution that is not coordinated with other institutions of higher education, authorization of expenditure of funds by the legislature must be approved by the <b>Office of Financial Management</b> ". Three percent of tuition funds are deposited into the innovation account which is subject to allotment but not appropriation. Large enterprise resource planning projects must be submitted to the legislature for approval. (See Sec. 3 (2) (b))
ESHB 2088	Opportunity scholarship brd	4, 7	The <b>Office of Financial Management</b> must report on the state's progress toward achieving the sixtieth percentile of per-student funding in the global challenge states. (Note the statutory duty to make this calculation is removed in section 7 of 1795) (Sec 4)  The <b>Office of Financial Management</b> must report the percentage of households in middle income bracket. (Sec 7)
SB 5181	State debt statutory limit	2	A Commission on State Debt is established to examine the use of debt in Washington State and make recommendations on debt policy and debt limitations. Commission members include the State Treasurer; the Director of the <b>Office of Financial Management</b> ; four legislators, one from each of the four major caucuses; and six independent experts, three appointed by the Governor and three appointed by the State Treasurer. The commission is to be staffed by the Office of the State Treasurer, Office of Financial Management, and Legislative staff.
ESB 5505	Federal census data	1, 2	If an annexing city is using 2010 federal decennial census data, and at least two weeks prior to the date of annexation, the <b>Office of Financial Management</b> confirms a known census error within a complete federal census block, the Office may require the city to enumerate the population of certain group quarters, mobile home parks, apartment complexes, missing subdivisions, and closures of any of these structures or complexes within that block.
SSB 5614	University of Washington	1	Section 1 exempts contracts at the University of Washington with less than \$10, 000 in state funding from the financial feasibility certification requirement by the <b>Office of Financial Management</b> .

Bill No	Title	Section	Description
2SSB 5622	State land recreation access	3(2) and 4	Every four years the <b>Office of Financial Management</b> is required to review the cost of the Discover and day-use passes and recommend to the Legislature inflation adjustments to the price, if necessary,
2ESSB 5742	Ferry system	12	The <b>Office of Financial Management</b> will report to the Legislature on whether targets are met.
ESSB 5931	State government	104, 308, 314	The <b>Office of Financial Management</b> must examine on a biennial basis which services within DES might be performed by the private sector. (Sec 104)  All agencies with 1000 FTE's or more will utilize print management services. All agencies with 500 FTE's or more must consult with the <b>Department of Enterprise Services</b> to standardize the use of envelopes. The <b>Office of Financial Management</b> may authorize an exemption from this requirement. (Sec 308, 314)
ESSB 5942	Liquor warehousing	2, 4	The <b>Office of Financial Management</b> must conduct a competitive process for the selection of a private sector entity to lease and modernize the state's spirits warehousing and distribution facilities and related operations. (Sec 2)  The director of the <b>Office of Financial Management</b> must appoint a spirits distribution advisory committee to assist and make recommendations to OFM regarding setting the requirements for the procurement process, selection of a private entity or recommendation that no entity be selected, and creation of the terms of a contract with a selected private entity. (Sec 4)

Bill No	Title	Section	Description
2ESHB 1087	Operating 2009-11 & 2011-13	501(1)(a)(i) v)	OFM is directed to explore the use of grant funds for the electronic certification system's construction, if funds are available and consistent with the administration of other projects in the P-20 system.
ESHB 1175	Trans budget 2011-13	Sections 103(3), 103(4), 210(4), 221(7), 221(18), and 308(12)	<p>OFM is committed to working with the legislative transportation committees and stakeholders during the interim to assess and re-write the predesign manual for all appropriate transportation facilities, not just for ferry terminals and vessels. (Section 103(3))</p> <p>OFM is directed to provide information on all demands to bargain received by the Labor Relations Office to the legislative transportation committees and the Joint Committee on Employment Relations, as appropriate. Sec 103(4)</p> <p>With leadership from OFM, the project to develop a time, leave, and labor distribution system will commence as a partnership of state agencies. (Sec 210(4))</p> <p>OFM is directed to work with the appropriate agencies to provide wage and benefit information to the legislative transportation committees and ways and means committees. (Sec 221(7))</p> <p>OFM is directed to convene a workgroup that includes staff from the legislative transportation committees to evaluate how these various requirements should be integrated and reflected in future budget instructions. (Sec 221(18))</p> <p>OFM is directed to ensure adequate provisions are included in the predesign manual and budget instructions to address the concerns identified. (Sec 308(12))</p>
