

Timeline
The Open Checkbook
Updated 3/26/12

This is a revised timeline based on actual dates for various tasks involved in getting the Open Checkbook portion of the transparency [website](#) live to the public.

2011

- June – September:** Agencies received access to their own payment data for the 2009-11 biennium on a test website and reviewed it for accuracy and data exempt from disclosure.
- July – December:** Agencies continued to review their Fiscal Year 2010, 2011, and 2012 data for accuracy and data exempt from disclosure.
- December:** Coding changes were complete for data exempt from disclosure. The extract criteria were updated.

2012

- January 2012:** The Open Checkbook went live to the public.
- March 2012:** The state received a grade of “B” on the state’s report card from U.S. PIRG.
