

ABOUT

In 2013, the Washington State Statistical Analysis Center was awarded a State Justice Statistics Program grant by the Bureau of Justice Statistics to convene a stakeholder workgroup to evaluate options for collaborating and sharing data across state agencies.

After the end of the grant period, the members of the Consortium felt continuing the workgroup would be beneficial to their agencies and the state.

Agencies in the Criminal Justice Consortium

- Administrative Office of the Courts
- Washington Association of Sheriffs and Police Chiefs
- Washington State Institute for Public Policy
- Department of Corrections
- Department of Social & Health Services – Juvenile Rehabilitation
- Department of Social & Health Services – Research & Data Analysis
- Department of Commerce
- Washington State University
- Central Washington University
- Washington State Patrol
- Caseload Forecast Council
