

Clallam AmeriCorps – Clallam County Family YMCA

AmeriCorps members serve to meet the critical needs of at-risk youth in Clallam and Jefferson Counties. Members will provide tutoring and mentoring for youth (K-12) in schools and community centers. Members spend direct one-to-one time with 12-30 youth, providing a positive adult mentorship in their lives and creating bridges to community services.

The goals of the project are to: 1) enhance academic achievement of youth; 2) provide nurturing mentorship to youth; 3) promote the bond between families and community; 4) strengthen communities through volunteer service; 5) enhance skills and capacities of AmeriCorps members; and 6) develop leadership skills in families and members.
