

## **College Success Foundation - College and Career Coaches**

The College Success Foundation has over fifteen years of proven experience inspiring underserved, low-income students to finish high school and providing the unique, integrated system of supports and scholarships they need to graduate from college and succeed in life. Through the College and Career Coaching Program, low-income, high-potential scholars, who might not otherwise have been able to attend college, will receive mentoring and support services from 15 AmeriCorps members.

AmeriCorps members serve in King, Pierce, Spokane and Yakima Counties at local middle schools in the Seattle, Highline, Tacoma, Spokane and Yakima school districts. Service responsibilities include college awareness, advising and readiness support in 14 high need middle schools. Members also provide outreach to families and recruit volunteers for their sponsor sites.
