

Habitat for Humanity National Service Program

Habitat for Humanity is a nonprofit, ecumenical Christian ministry founded on the conviction that every man, woman and child should have a decent, safe and affordable place to live. We build with people in need regardless of race or religion. We welcome volunteers and supporters from all backgrounds.

National Direct AmeriCorps members serving with Habitat for Humanity affiliates can swing a hammer on the construction site, recruit partner families, and recruit and coordinate volunteers. These positions are “hands on” with members interacting directly with partner families and volunteers.
