

Palouse-Clearwater Environmental Institute

The Palouse-Clearwater Environmental Institute (PCEI) is committed to increasing citizen involvement in decisions that affect our region's environment through community organizing and education. PCEI projects engage students and community volunteers in environmental restoration projects, planting native plants, stabilizing stream banks, restoring floodplains, and creating wetlands. The AmeriCorps program of PCEI is a national direct partner of Educational Service District 112. Through this partnership, PCEI places 47 AmeriCorps members in projects throughout Spokane and Whitman Counties.

Counties Served: Spokane
Whitman

Number of Members: 47 AmeriCorps Members
