

## **Rebuilding Together CapacityCorps – South Sound**

---

Rebuilding Together is the nation's leading nonprofit working to preserve affordable homeownership by providing free home repairs to low-income homeowners. AmeriCorps members serve a national affiliate network in 15 different states with the goal of capacity building. They will learn community engagement strategies to recruit as many as 12,000 additional volunteers.

Rebuilding Together CapacityCorps is a collaborative national service program coordinated by Rebuilding Together and funded by an AmeriCorps National Direct grant from the Corporation for National and Community Service. In the South Sound affiliate, the CapacityCorps AmeriCorps member is assigned to management of the affiliate's two home repair programs.
