

## **YouthBuild Yakima (OIC of Washington)**

---

YouthBuild Yakima is a collaborative effort between OIC of Washington, the City of Yakima and Habitat for Humanity. Forty (40) part-time AmeriCorps members will build homes that will be sold to low income community members. In addition to gaining construction skills, members will also be given the opportunity to work towards the GED or gaining a high school diploma. Many former YouthBuild members go on to participate in higher educational opportunities.
