   - No barriers to employment
   - Full-time student or recent graduate
   - No prior employment experience
   - Lacks motivation to seek or maintain legal employment
   - Developmental disabilities
   - Mental health concerns
   - Cleanliness/hygiene
   - Punctuality
   - Social skills
   - Problem solving
   - Poor work habits
   - Child care issues
   - Transportation issues
   - Criminal conviction record
   - Chemical dependency
   - Other

   *Text box for entry ________

5. **Primary source of income during the most recent 6 months in the community**
   - Employment
   - Income from criminal behavior
   - Family financial support
   - Under the table income
   - Public assistance
   - Social Security Insurance due to disability
   - Temporary Unemployment, Workman’s Compensation, or L & I benefits
   - Student loans/grants
   - Tribal per diem
   - Pension
   - Family inheritance
   - No income
   - Other

   *If “No income” selected this auto-populates item #6 “No legal income”.

   *If “Never Employed” is selected from item #1 do not allow ‘Employment, Temporary Unemployment, Workman’s Compensation, or L&I benefits” to be selected.*
### COMMUNITY EMPLOYMENT (cont.)

6. Average monthly income (Net) from **legal** employment and other **legal** source during the most recent 6 months in the community

   If “No income” selected from item #5 “No legal income”. Is auto-populated for this item.

   - $4,000 and over
   - $2,000 to $3,999
   - $1,000 to $1,999
   - Under $1,000
   - No legal income

7. Management of finances during the most recent 6 months in the community

   *(Select all that apply)*

   - Saves money regularly
   - Is managing debt, meeting financial commitments
   - Makes **all** required child support payments
   - Makes **some** required child support payments
   - Does not make **any** required child support payments

   - No interest in managing finances
   - Relies on public assistance
   - Relies on family and/or others
   - Cannot manage debt
   - Relies on illegal activities
   - Sells drugs only for profit
   - Relies on protective payee

8. Health insurance at time of assessment or reassessment

   *(Select all that apply)*

   - No health insurance
   - Health insurance suspended due to incarceration
   - Private insurance
   - Public insurance (Welfare, Medical coupons, Medicaid, etc.)
   - Health insurance provided due to tribal affiliation

9. Current employment at time of assessment or reassessment in the community or immediately prior to incarceration

   *(If selected “Homemaker,” “Retired,” “Temporarily disabled/unable to work,” “Permanently disabled/unable to work” or “Unemployed and able to work,” do not complete #10)*

   - Full-time employment (40 hours per week)
   - Part-time employment (20 hours per week)
   - Homemaker
   - Retired
   - Temporarily disabled/unable to work
   - Permanently disabled/unable to work
   - Unemployed and able to work

10. Current relationship with employer/co-workers at time of assessment or reassessment or immediately prior to incarceration

    *(Select the one most representative of the relationship with each)*

    **Employer/Supervisor**
    - Not employed
    - No supervisor(s), Self-employed
    - Minimal contact
    - Adequate interaction but relationship not developed; indifference
    - Provides encouragement for pro-social behavior
    - Has/would seek out for help with work or personal matter
    - Significant and/or frequent conflict
    - Involved in anti-social/criminal behavior

    **Co-worker(s)**
    - Not employed
    - No co-worker(s)
    - Minimal contact
    - Adequate interaction but relationship not developed; indifference
    - Provides encouragement for pro-social behavior
    - Has/would seek out for help with work or personal matter
    - Significant and/or frequent conflict
    - Involved in anti-social/criminal behavior
### FRIENDS

1. Friends during the most recent 6 months in the community
   
   *(Select all that apply)*
   
   - No friends
   - Unable to maintain relationships with others, involved in unstable interpersonal relationships with others
   - Friends willing to assist in offender success
   - Pro-social community ties
   - Friends involved in anti-social and/or criminal behaviors
   - Associates with gang member(s)

2. Response to influences of anti-social friends during the most recent 6 months in the community
   
   *(Select the most anti-social circumstance)*
   
   If "No friends" selected in item #1 then "No anti-social friends" is auto-populated for this item.
   
   - No anti-social friends
   - Chooses not to associate with anti-social friends
   - Almost always resists going along with anti-social friends
   - Rarely resists going along with anti-social friends
   - Never resists going along with anti-social friends, a follower
   - Admires/emulates anti-social friends, strongly influenced by anti-social friends
   - Leads anti-social friends
### RESIDENTIAL

1. Residence during the most recent 6 months in the community

   (Select all that apply. Indicate amount of time for each and select the current residence at time of assessment or reassessment or immediately prior to incarceration)

   (If “Current” residence is “Residential Treatment,” “Homeless,” or “Transient,” then item #2 is auto-populated as “No current residence.”)

   (The months need to equate to 6-months total and only allows for a positive integer to be entered [1-6]. The current selection does not need to have a corresponding months entry made)

   - Residence as primary occupant
   - Family residence (parent(s), sibling(s), spouse/significant other, and/or other family)
   - Friend's residence
   - Group homes/Transitional housing
   - Residential Treatment
   - Homeless - living on the street or in a shelter
   - Transient - from residence to residence

2. Occupants of current residence at time of assessment or reassessment or immediately prior to incarceration

   (Select all that apply)

   (If “Current” residence is “Residential Treatment,” “Homeless,” or “Transient,” in item #1, this item is auto-populated as “No current residence.”)

   - No current residence
   - Spouse or equivalent partner
   - Adult children
   - Minor children
   - Mother
   - Father
   - Sibling(s)
   - Grandparent(s)
   - Friend(s) with positive influence
   - Friend(s) with anti-social influence
   - Living alone
   - Other Text box for entry

3. Current pro-social support in neighborhood at time of assessment or reassessment or immediately prior to incarceration

   - No barriers, strong pro-social environment
   - Some exposure to anti-social influence, lacking ties/attachments to neighborhood
   - Significant barriers, frequent crimes, drug transactions, police presence
   - Living in remote, isolated area with minimal or no neighborhood influence
### FAMILY

1. **Number of marriages or equivalent relationships**, including current situation  
   *(If “Never been married…” is selected do not complete items #2 or #3)*
   - Never been married or had an equivalent relationship; single, all relationships have been short-term, no long-term commitment
   - One marriage or an equivalent relationship
   - Two or more marriages or equivalent relationships

2. **Longest marriage or equivalent relationship**
   - Never married/no equivalent relationship
   - Less than 6 months
   - 6 months to 1 year
   - More than 1 year

3. **Current marriage or equivalent relationship**
   *(Text box for name of spouse or equivalent partner)*
   *(Select all that apply)*
   *
   **Opportunity for Influence from Partner During the Most Recent 6 Months in the Community**
   - No current relationship
   - Not involved, no influence, or estranged
   - Minimal influence
   - Positive influence
   - Negative influence
   - Living apart
   - Frequently enables anti-social behavior
   **Problems of Partner During the Most Recent 6 Months in the Community**
   - No current relationship
   - No problems
   - Alcohol use problem
   - Drug use problem
   - Anti-social behaviors
   - Criminal convictions
   - Employment problems
   - Physical and/or mental health problems
   **Level of Conflict During the Most Recent 6 Months in the Community**
   - No current relationship
   - Not involved, estranged
   - Minimal conflict
   - Some conflict that is well-managed
   - Verbal intimidation, heated arguments
   - Threats of physical abuse by partner
   - Domestic violence: Partner is perpetrator
   - Domestic violence: Offender is perpetrator
   **Willingness of Partner to Help During the Most Recent 6 Months in the Community**
   - No current relationship
   - Not involved, no influence, or estranged
   - Consistently willing to intervene and support
   - Occasionally willing to intervene and support
   - Not willing to intervene and support
   - Hostile, berating, and/or belittling of offender and the system
### FAMILY (cont.)

| 4. Family members involved in offender’s life during last 6 months, regardless of setting | □ None  
| Family members |

#### Family Member

**Text box for name and relationship**

(Select all that apply)

First entry should reflect family member with whom offender has the most contact

*This only appears if Family members is marked in Item #4.*

Install ADD button for additional family members involved.

#### Opportunity for Influence During the Most Recent 6 Months in the Community

- □ Minimal influence
- □ Positive influence
- □ Negative influence
- □ Frequently enables offender’s anti-social behavior

#### Problems of Family Member During the Most Recent 6 Months in the Community

- □ No problems
- □ Alcohol use problem
- □ Drug use problem
- □ Anti-social behaviors
- □ Criminal convictions
- □ Employment problems
- □ Physical and/or mental health problems

#### Level of Conflict During the Most Recent 6 Months in the Community

- □ Minimal conflict
- □ Some conflict that is well-managed
- □ Verbal intimidation, heated arguments
- □ Threats of physical abuse by offender or family member
- □ Domestic violence: Family member is perpetrator
- □ Domestic violence: Offender is perpetrator

#### Willingness to Help During the Most Recent 6 Months in the Community

- □ Consistently willing to intervene and support
- □ Occasionally willing to intervene and support
- □ Not willing to intervene and support
- □ Hostile, berating, and/or belittling of offender and/or the system

| 5. Number of minor children at time of assessment or reassessment | □ No minor children  
| □ One  
| □ Two or more |

If “No minor children” selected do not completed items #7 & #8)

#### Primary care for minor child(ren)

(This would not be an “item” but rather a text box entry [see example on Factoids & Weights].)

Install ADD button for additional minor child.

#### Offender living with his/her minor child(ren) when committing current offense(s)

- □ No minor children
- □ Yes
- □ No
### FAMILY (cont.)

### Anti-social tendencies & characteristics that are rooted, firmly established, and constant

(Select all that apply)

- No firmly established anti-social characteristics
- **Glib/superficial charm** – Tends to be smooth, engaging, charming, and “slick.” Not shy or afraid to say anything.
- **Grandiose** – Grossly inflated view of abilities and self-worth, egocentric, self-assured, opinionated, and cocky. Unrealistic view of self as superior.
- **Need for stimulation** – Excessive need for thrilling and exciting stimulation, risk taker, easily bored, will not perform tasks perceived as routine, monotonous or uninteresting.
- **Pathological lying** – Deceit, deception, dishonesty, and breaking promises are standard interaction with others.
- **Conning/Manipulative** – Uses deceit and deception to cheat, con, or defraud others as a standard method for personal gain, with no concern for victim.
- **Shallow** – Limited range or depth of feelings, interpersonal coldness in spite of appearing to be a sociable person. Only forms superficial bonds with others, does not experience strong emotions.
- **Parasitic Lifestyle** – Has an intentional, selfish, and exploitative financial dependence on others as reflected by a lack of motivation and inability to begin or complete responsibilities.
- **Lack of Empathy** – A lack of feelings toward people in general; cold, contemptuous, inconsiderate, and tactless.
- **Lack of Remorse/Guilt** – Lack of feelings or concern for the losses, pain, and suffering of victims; a tendency to be unconcerned and coldhearted. Can be demonstrated by blaming and/or a disdain for one’s victims.
- **Lack of Realistic, Long-Term Goals** – Inability or persistent failure to develop and execute long-term plans or goals; a nomadic existence; aimless, lacks direction in life.
- **Irresponsibility** – Repeated failure to fulfill or honor obligations and commitments, such as not paying bills, defaulting on loans, being absent or late to work, failing to honor contractual agreements.
- **Criminally Diverse** – Has a diversity of types of criminal offenses, regardless whether arrested or not. Takes great pride in getting away with crimes.

### Behavior demonstrated toward authority figures during the most recent 6 months regardless of setting

(Select the one most representative)

- Respectful, compliant with directives and/or conditions
- Indifferent toward authority, complies with some directives and/or conditions, but also has received infractions and/or violations
- Resentful, defiant toward authority, refuses to comply with directives and/or conditions

### COPING SKILLS

| 1. Consequential thinking demonstrated during the most recent 6 months regardless of setting | ○ Behaviors and/or verbalizations demonstrate understanding of consequences of their actions, whether it results in positive or negative impacts to self or others  
○ Behaviors and/or verbalizations demonstrate that the offender has not yet made any connection between their actions and the consequences  
○ Can not cognitively connect their behavior and the harm or negative impact it has on self or others, due to some impairment |
| 2. Impulse control demonstrated during the most recent 6 months regardless of setting | ○ Uses self-control, thinks before acting  
○ Some self-control, sometimes thinks before acting  
○ Impulsive, doesn’t think before acting |
| 3. Dealing with others demonstrated during the most recent 6 months regardless of setting | ○ Uses social skills effectively  
○ Has adequate social skills but isolates self by choice  
○ Avoids dealing with others due to limited or lack of social skills, shy and/or withdrawn  
○ Attempts dealing with others but is rejected by peers  
○ Interactions are characterized by aggression, conflict, arguments and fights |
| 4. Problem solving demonstrated during the most recent 6 months regardless of setting | ○ Thinks through situations logically, uses effective skills to obtain a solution  
○ Problem solving skills are limited, difficult situations are frustrating and often unmanageable  
○ Passive response, withdraws from difficult situations  
○ Hostile response, strikes out verbally and/or physically |
| 5. Need for individual living services at time of assessment or reassessment | ○ No need for services  
○ Need for independent living services unknown  
○ Can live independently but would benefit from services:  
○ Cannot live independently without specific services:  
  □ Employment resources  
  □ Housing  
  □ Clothing  
  □ Food  
  □ Budgeting money  
  □ Public transportation  
  □ Hygiene practices  
  □ Medical services  
  Text box for re-entry services related to medical needs  
  □ Mental health services
