FY08 Transportation Fuel, Vehicle Miles Traveled and Fleet

Gasoline Report all gallons of gasoline purchased for vehicle use. Include gallons of gas from Motor Pool reports. (Report fuel used for heating/energy in the energy reporting tab).

E85 Report ethanol only if purchased at the E85 blend level (85% ethanol, 15% petroleum gasoline). Most gasoline in WA State is E10 already.

Petroleum Diesel Report all gallons of conventional diesel purchased for vehicle use (report fuel used for heating/energy in energy reporting)

Biodiesel Report only the amount of B100 your agency purchases in bulk, example: (if you purchase 100 gallons of B10 then only report 10 gallons of B100)

Report biodiesel purchased from WSDOT in the narrative Word document only

Aviation Report all gallons of aviation fuel purchased

Vehicle A passenger-carrying vehicle which has a primary duty for shuttling employees, not deliver equipment, etc.

Vessel Boats, ships, ferries that are run on state business (report fuel use separately if possible)

Agency Leased (MP Perm) A vehicle that is leased from the GA State Motor Pool by an agency for long-term use.

Agency Owned (AOV) A vehicle that is purchased and owned by an agency. (The agency retains the title and/or is registered as the owner.)

GA Fleet (MP Daily Trips) General Administration's Daily use Motor Pool; utilized by agencies for short term trip rentals.

Personally Owned (POV) Personally Owned Vehicles that are used for state business. Calculate miles by dividing total dollars spent by rate of agency reimbursement per mile. Calculate gallons of gas from POV by dividing POV miles by a 20.26 rate of fuel economy.* If your agency does not use POV please place N/A in cell N19.
