<b>Comments on Miles Traveled</b>	Although we hold many hearings in Lacey, our boards do travel to hearings throughout the state. Certain appeals require site visits. EHO's amount of travel depends on the number of appeals received and on origination of those appeals.
-----------------------------------	--

<b>Comments on Fuel Purchased</b>	
-----------------------------------	--

<b>Comments on Building Square Footage</b>	
--	--

<b>Comments on Energy consumed</b>	PSE meters are not set up for each tenant or floor in our building. Tenants are billed as a percentage of the whole building, and the number of tenants has increased dramatically in the past year, thus raising the percentage of usage for all tenants.
------------------------------------	--

<b>Comments on Water consumed</b>	There is no way to measure water consumption at our current location.
-----------------------------------	---

<b>Comments on Paper purchased</b>	
------------------------------------	--

<b>Comments on Waste and Recycling</b>	Pacific Disposal said to calculate 102 lbs. per 90-gal. tote for paper recycling in FY08. In FY09, they changed that to 250 lbs. per tote, so FY09 number is significantly higher. Actual number of times totes picked up: FY08: 24; FY09: 25.
