Comments on Miles Traveled	When we surplused our fleet we were able to get credit from GA on our monthly invoices. We saved \$58,891.12 by looking at maintenace records of vehicles averaging the cost per month then comparing it to the new lease cost from 11/07 to 7/09. There is actually more savings in staff time that was not quantified we no longer process vehicle payments, deal with insurance companies, or the fuel cards all is handled by Motor Pool.
