In determining if an item should be coded as Object **C-Professional Service Contracts** or Subobject **ER-Other Routine Contractual Services**, answers to the questions below should be factored into the decision. Refer to the decision flowchart shown below.

1. Are the contracted services part of the core day-to-day business operations or a unique or infrequent service?
2. Are the services received consulting or advisory in nature? That is, are the services predominantly intellectual in character such as the development of findings, conclusions, and recommendations that are presented to the agency for consideration and decision making?

Object C or ER Decision Workflow

1 – Are the services being contracted part of the core day to day business operations or is it a unique service or infrequent service?

2 – Includes services that are predominately intellectual in character such as the development of findings, conclusions, and recommendations that are presented to the agency for consideration and decision making.
