1. INTRODUCTION

1.1 PURPOSE AND BACKGROUND

The purpose of this procurement is to secure economic analysis services to assist with quantifying the impacts to small businesses when changes to regulations are being proposed by Washington State agencies.

Washington's Legislature enacted the Regulatory Fairness Act ([19.85 RCW](#)) in 1982 to reduce the disproportionate impact of state administrative rules on small businesses. Lawmakers recognized that small businesses are likely to bear a disproportionate share of regulatory costs and burdens, and this disproportionate impact can adversely affect market competition, reduce competitiveness, discourage innovation and threaten the very existence of some small businesses.

The Washington State Regulatory Fairness Act, chapter 19.85 RCW, requires state agencies to develop a small business economic impact statement (SBEIS) if a proposed rulemaking will impose more than "minor" costs on businesses. In the 2017 legislative session, the state legislature passed [House Bill 1120](#) to help agencies more consistently perform the required economic analyses under the Regulatory Fairness Act (RFA). The bill requires the Office for Regulatory Innovation and Assistance (ORIA) to act as the central entity to collaborate with and provide support to state agencies in meeting the requirements of the Act. Specifically, ORIA is required to assist in providing access to available data and resources for performing statutorily required cost calculations and impact analyses.

1.2 SCOPE AND OBJECTIVES FOR THIS ACQUISITION

State agencies are required to consider how their proposed rules will impact businesses and to mitigate the costs to small businesses that are disproportionately impacted. Many state agencies lack the expertise needed to complete the analysis required to fulfill the Regulatory Fairness Act requirements. Because of this, state agencies may benefit from the skill and knowledge of an economist.

The Regulatory Fairness Act requires state agencies to consider a number of cost comparisons and business-related information during their rulemaking process. A typical analysis of this rulemaking and the impact on businesses may determine the need for a Small Business Economic Impact Statement (SBEIS). The SBEIS analysis would involve the following basic functions:

- a. Identifying which businesses are required to comply with the proposed rulemaking;
- b. Surveying a representative sample of affected businesses and trade organizations to obtain cost and impact data;
- c. Calculating and analyzing the probable cost of compliance with the proposed rulemaking;
- d. Comparing the compliance costs against a set of statutorily-defined criteria to determine whether costs are more-than-minor on businesses in the industry;
- e. Determining whether the proposed rule may have a disproportionate impact on small businesses with the cost of compliance for ten percent of businesses that are the largest businesses required to comply with the proposed rules;

- f. When it is determined the proposed rule is likely to impose a disproportionate impact on small businesses, identifying the steps taken to reduce the costs of the rule on small business to include, without limitation, mitigation methods outlined in statute;
- g. Developing an estimate of the number of jobs that will be created or lost as the result of compliance with the proposed rule; and
- h. Outlining how small businesses were involved in the development of the proposed rule.

The successful bidder(s) would be expected to assist with determining what data will be needed from affected industries, obtaining the necessary data, and performing an analysis to comply with the RFA. All analysis products are intended to support the administrative record in agency decision-making. Therefore, work products are a matter of public record and must be transparent and reproducible. Proposed rules vary widely in their impact and complexity. Because this is a new service offered by ORIA pursuant to newly passed legislation, initial and ongoing demand from agencies may be fluid.

With this contract opportunity, ORIA intends to maintain a roster of qualified contractors that agencies can use on an as-needed basis. When an agency work request becomes available ORIA will notify all firms on the contract roster and solicit a brief proposal in response to the specific scope of work supplied by the agency. A successful bidder will be selected from among the responsive bids.

1.3 MINIMUM QUALIFICATIONS

Minimum qualifications include:

- a. The Consultant must be licensed to do business in the state of Washington or provide a commitment that it will become licensed in Washington within fifteen (15) calendar days of being selected as an Apparently Successful Contractor.
- b. Successful candidates must have a minimum of 5 years as an economist or 5 years professional experience conducting economic analyses for government agencies. Economists working as project managers or senior reviewers overseeing the work of teams of technicians are acceptable.

Applicants who do not meet these minimum qualifications will be rejected as non-responsive and will not receive further consideration. Any proposal that is rejected as non-responsive will not be evaluated or scored.

Highly Desired Experience and Qualifications

- a. Professional experience with policy or impact analysis, cost-benefit analysis, and modeling jobs impacts using input-output, macroeconomic, or other models in Washington state;
- b. Professional experience performing analysis for Small Business Economic Impact Statements (SBEIS);
- c. Professional experience gathering data and evaluating the economic impact of government agencies' proposed rules on businesses;
- d. Professional experience gathering and evaluating data for newly regulated industries where limited or no data is readily available.

1.4 CONTRACT TERM

The resulting Convenience Contracts will have an initial term of seventeen (17) months, with the potential for three additional two-year extensions. However, because it is difficult to anticipate future needs, ORIA cannot guarantee that the Contractors will actually receive work off these contracts.

1.5 DEFINITIONS

Definitions for the purposes of this RFQQ include:

Agency. The Office for Regulatory Innovation and Assistance (ORIA) is the agency of the state of Washington that is initiating this RFQQ and executing any contract resulting from this RFQQ.

1.6 ACQUISITION PROCESS

Based upon the evaluation process described in this document, ORIA will create an unranked list of pre-qualified vendors to provide services on an as-needed basis. The Pre-Qualified Vendors’ List will be comprised of the highest-scoring bidders and at ORIA’s discretion. Pre-qualified vendors will be expected to sign a Convenience Contract with ORIA. The Pre-Qualified Vendors List may be utilized by ORIA to select

vendors for work on an as-needed basis. Receiving a contract through this competition does not guarantee a Contractor will receive work.

As the need for services arises, all Contractors on the Pre-Qualified Vendors List will be invited to submit a response to a second-tier review that meets ORIA's business requirements. The second-tier process may include a review of the Contractor's availability, the experience of the person proposed for the specific engagement, the proposed cost of the engagement, and the Contractor's approach to the particular project. ORIA will review all responses submitted for consideration and will, in its sole discretion, select Contractor(s) to provide those services for ORIA. ORIA, at its sole discretion, retains the right to select the most qualified Contractor(s) from the responses received.

For any given engagement, staff from multiple pre-qualified vendors may be selected to meet ORIA's needs, and Statements of Work will be issued against the Contractor's contract at that time.

1.7 ADA

The AGENCY complies with the Americans with Disabilities Act (ADA). Consultants may contact the RFQQ Coordinator to receive this RFQQ in Braille or on tape.

1.8 CONTRACTING WITH CURRENT OR FORMER STATE EMPLOYEES

Consultants are required to collect and pay Washington State taxes as applicable.

Cost Proposals/Quotations will not be scored but Bidders will be bound by the hourly rates they quote in this RFQQ.

4. EVALUATION AND SELECTION AS AN APPARENTLY SUCCESSFUL CONTRACTOR

4.1 EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this solicitation and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team to be designated by the AGENCY, which will determine the ranking of the proposals for selection as an Apparently Successful Contractor.

The RFQQ Coordinator reserves the right to contact the Consultant for clarification of any portion of the Consultant's proposal.

4.2 PROCUREMENT EVALUATION FOR EXECUTIVE ORDER 18-03 (FIRMS WITHOUT MANDATORY ARBITRATION FOR EMPLOYEE)

Pursuant to RCW 39.26.160(3) and consistent with Executive Order 18-03 – Supporting Workers' Rights to Effectively Address Workplace Violations, dated June 12, 2018, AGENCY will evaluate bids for best value and provide a bid preference of 5 points.

4.3 EVALUATION WEIGHTING AND SCORING

The maximum number of evaluation points available is 85. The Administrative Requirements are evaluated on a pass/fail basis. The following points will be assigned to the Proposal for evaluation purposes:

Qualifications/Experience	80
Executive Order 18-03 Certification	5
Total	85

Proposals will be consensus scored by evaluators. AGENCY reserves the right to award the contracts to the bidder whose proposal is deemed to be in the best interest of AGENCY and the State of Washington.

4.4 FINAL DETERMINATION OF APPARENTLY SUCCESSFUL BIDDER

The AGENCY may, after evaluating the written proposals, decide at that point to award the contract to the Bidder(s) whose proposal best fits the needs of the AGENCY. The AGENCY may also elect to schedule oral presentations of the finalists. Should oral presentations become necessary, the AGENCY will contact the top-scoring firm(s) to schedule a date, time and location. Commitments made by the Bidder at the oral interview, if any, will be considered binding.

If the AGENCY opts for an Oral Evaluation, written scores will then be set aside and final evaluations will be based upon the oral presentation, the Bidder's proposal, key staff references, as well as any other information known about the Contractor's prior and expected performance by AGENCY.

AGENCY management shall make the final determination as to which Bidder(s), initially designated as a finalist, shall be officially selected and notified as an Apparently Successful Bidder.

Any Bidder who would be an Apparently Successful Bidder based on the scores awarded by the evaluators, and who is not selected, shall be provided, upon request, the reasons why AGENCY selected a Bidder with a lower final score.

4.5 NOTIFICATION TO PROPOSERS

The AGENCY will notify the Apparently Successful Bidder of their selection by e-mail upon completion of the evaluation process. Individuals or firms whose proposals have not been selected as an Apparently Successful Consultant will be notified separately by e-mail.

4.6 DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Any Bidder who has submitted a proposal and been notified that they were not selected as an Apparently Successful Bidder may request a debriefing. The request for a debriefing conference must be **received** by the RFQQ Coordinator no later than 3:30 PM, local time, Olympia, Washington, on January 31, 2020. Debriefings will be held on or about February 3-4, 2020.

Discussion at the debriefing conference will be limited to the following:

- Evaluation and scoring of the Consultant's proposal;
- Critique of the requesting Consultant's proposal based on the evaluation; and
- Review of proposer's final score in comparison with other final scores without identifying the other firms.

Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

4.7 PROTEST PROCEDURE

Protests may be made only by Bidders who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Bidder is allowed five (5) business days to file a protest of the acquisition with the RFQQ Coordinator. Protests must be received by the RFQQ Coordinator no later than 3:30 PM, local time, in Olympia, Washington on the fifth business day following the debriefing. Protests may be submitted by email, but must then be followed by the document with an original signature.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Consultants under this procurement.

All protests must be in writing, addressed to the RFQQ Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFQQ number, the grounds for the protest with specific facts and complete statements of

the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator
- Errors in computing the score
- Non-compliance with procedures described in the procurement document or AGENCY policy

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) An evaluator's professional judgment on the quality of a proposal, or 2) AGENCY'S assessment of its own and/or other agencies' needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY director or an employee delegated by the Director who was not involved in the procurement, will consider the record and all available facts and issue a decision within five (5) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Consultant that submitted a proposal, such Consultant will be given an opportunity to submit its views and any relevant information on the protest to the RFQQ Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action.
- Find only technical or harmless errors in the AGENCY's acquisition process and determine the AGENCY to be in substantial compliance and reject the protest.
- Find merit in the protest and provide the AGENCY options which may include:
 - Correct the errors and re-evaluate all proposals
 - Reissue the solicitation document and begin a new process
 - Make other findings and determine other courses of action as appropriate

If the AGENCY determines that the protest is without merit, the AGENCY will enter into a contract with the Apparently Successful Contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

- 6) When it is determined the proposed rule is likely to impose a disproportionate impact on small businesses, identifying the steps taken to reduce the costs of the rule on small business to include, without limitation, mitigation methods outlined in statute;

The CONTRACTOR and his or her employees or agents performing under this contract are not employees or agents of the AGENCY. The CONTRACTOR will not hold himself/herself out as or claim to be an officer or employee of the AGENCY or of the State of Washington by reason hereof, nor will the CONTRACTOR make any claim of right, privilege or benefit that would accrue to such employee under law. Conduct and control of the work will be solely with the CONTRACTOR.

19. INDUSTRIAL INSURANCE COVERAGE

The CONTRACTOR shall comply with the provisions of Title 51 RCW, Industrial Insurance. If the CONTRACTOR fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, AGENCY may collect from the CONTRACTOR the full amount payable to the Industrial Insurance accident fund. The AGENCY may deduct the amount owed by the CONTRACTOR to the accident fund from the amount payable to the CONTRACTOR by the AGENCY under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the CONTRACTOR.

20. LICENSING, ACCREDITATION AND REGISTRATION

The CONTRACTOR shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary for the performance of this contract.

21. LIMITATION OF AUTHORITY

Only the AGENT or AGENT'S delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this contract is not effective or binding unless made in writing and signed by the AGENT.

22. NONCOMPLIANCE WITH NONDISCRIMINATION LAWS

In the event of the CONTRACTOR'S non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the CONTRACTOR may be declared ineligible for further contracts with the AGENCY. The CONTRACTOR shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

23. NONDISCRIMINATION

During the performance of this contract, the CONTRACTOR shall comply with all federal and state nondiscrimination laws, regulations and policies.

24. PRIVACY

Personal information including, but not limited to, "Protected Health Information," collected, used, or acquired in connection with this contract shall be protected against unauthorized use, disclosure, modification or loss. CONTRACTOR shall ensure its directors, officers, employees, subcontractors or agents use personal information solely for the purposes of accomplishing the services set forth herein. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the agency or as otherwise required by law.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The CONTRACTOR agrees to indemnify and hold harmless the AGENCY for any damages related to the CONTRACTOR'S unauthorized use of personal information.

25. PUBLICITY

The CONTRACTOR agrees to submit to the AGENCY all advertising and publicity matters relating to this contract wherein the AGENCY'S name is mentioned or language used from which the connection of the AGENCY'S name may, in the AGENCY'S judgment, be inferred or implied. The CONTRACTOR agrees not to publish or use such advertising and publicity matters without the prior written consent of the AGENCY.

26. RECORDS MAINTENANCE

The CONTRACTOR shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

CONTRACTOR shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by the AGENCY, personnel duly authorized by the AGENCY, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

27. REGISTRATION WITH DEPARTMENT OF REVENUE

The CONTRACTOR shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this contract.

28. RIGHT OF INSPECTION

The CONTRACTOR shall provide right of access to its facilities to the AGENCY, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract.

29. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the AGENCY may terminate the contract under the "Termination for Convenience" clause, without the ten-day notice requirement, subject to renegotiation at the AGENCY'S discretion under those new funding limitations and conditions.

30. SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

31. SITE SECURITY

While on AGENCY premises, CONTRACTOR, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

32. SUBCONTRACTING

Neither the CONTRACTOR nor any SUBCONTRACTOR shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the AGENCY. In no event shall the existence of the subcontract operate to release or reduce the liability of the contractor to the Department for any breach in the performance of the contractor's duties. This clause does not include contracts of employment between the contractor and personnel assigned to work under this contract.

Additionally, the CONTRACTOR is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the agency or as provided by law.

33. TAXES

All payments accrued because of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the CONTRACTOR or its staff shall be the sole responsibility of the CONTRACTOR.

34. TERMINATION DUE TO CHANGE IN FUNDING

If the funds OFM relied upon to establish this Contract are withdrawn or reduced, or if additional or modified conditions are placed on such funding, OFM may immediately terminate this Contract by providing written notice to the Contractor. The termination shall be effective on the date specified in the notice of termination.

35. TERMINATION FOR CAUSE

In the event the AGENCY determines the CONTRACTOR has failed to comply with the conditions of this contract in a timely manner, the AGENCY has the right to suspend or terminate this contract. Before suspending or terminating the contract, the AGENCY shall notify the CONTRACTOR in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the CONTRACTOR shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

The AGENCY reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the CONTRACTOR from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the CONTRACTOR or a decision by the AGENCY to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the CONTRACTOR: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of the AGENCY provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

36. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this contract, the AGENCY may, by 10 calendar days written notice, beginning on the second day after the mailing, terminate this contract, in whole or in part. If this contract is so terminated, the AGENCY shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.

37. TERMINATION PROCEDURES

Upon termination of this contract, the AGENCY, in addition to any other rights provided in this contract, may require the CONTRACTOR to deliver to the AGENCY any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The AGENCY shall pay to the CONTRACTOR the agreed upon price, if separately stated, for completed work and services accepted by the AGENCY, and the amount agreed upon by the CONTRACTOR and the AGENCY for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by the AGENCY, and (iv) the protection and preservation of property, unless the termination is for default, in which case the AGENT shall determine the extent of the liability of the AGENCY. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The AGENCY may withhold from any amounts due the CONTRACTOR such sum as the AGENT determines to be necessary to protect the AGENCY against potential loss or liability.

The rights and remedies of the AGENCY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the AGENT, the CONTRACTOR shall:

- a. Stop work under the contract on the date, and to the extent specified, in the notice;
- b. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
- c. Assign to the AGENCY, in the manner, at the times, and to the extent directed by the AGENT, all of the rights, title, and interest of the CONTRACTOR under the orders and subcontracts so terminated, in which case the AGENCY has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;

- e. Transfer title to the AGENCY and deliver in the manner, at the times, and to the extent directed by the AGENT any property which, if the contract had been completed, would have been required to be furnished to the AGENCY;
- f. Complete performance of such part of the work as shall not have been terminated by the AGENT; and

- g. Take such action as may be necessary, or as the AGENT may direct, for the protection and preservation of the property related to this contract, which is in the possession of the CONTRACTOR and in which the AGENCY has or may acquire an interest.

38. TREATMENT OF ASSETS

- a. Title to all property furnished by the AGENCY shall remain in the AGENCY. Title to all property furnished by the CONTRACTOR, for the cost of which the CONTRACTOR is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the AGENCY upon delivery of such property by the CONTRACTOR. Title to other property, the cost of which is reimbursable to the CONTRACTOR under this contract, shall pass to and vest in the AGENCY upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the AGENCY in whole or in part, whichever first occurs.
- b. Any property of the AGENCY furnished to the CONTRACTOR shall, unless otherwise provided herein or approved by the AGENCY, be used only for the performance of this contract.
- c. The CONTRACTOR shall be responsible for any loss or damage to property of the AGENCY that results from the negligence of the CONTRACTOR or which results from the failure on the part of the CONTRACTOR to maintain and administer that property in accordance with sound management practices.

39. U.S. Department of Treasury, Office of Foreign Assets Control

The agency complies with U.S. Department of the Treasury, Office of Foreign Assets Control (OFAC) payment rules. OFAC prohibits financial transactions with individuals or organizations, which have been placed on the OFAC Specially Designated Nationals (SDN) and Blocked Persons sanctions list located at <https://sanctionssearch.ofac.treas.gov/>. Compliance with OFAC payment rules ensures that the agency does not conduct business with individuals or organizations that have been determined to be supporters of terrorism and international drug dealing or that pose other dangers to the United States.

Prior to making payment to individuals or organizations, the agency will download the current OFAC SDN file and compare it to agency and statewide vendor files. In the event of a positive match, the agency reserves the right to: (1) make a determination of “reasonability” before taking the positive

match to a higher authority, (2) seek assistance from the Washington State Office of the State Treasurer (OST) for advanced assistance in resolving the positive match, (3) comply with an OFAC investigation, if required, and/or (4) if the positive match is substantiated, notify the contractor in writing and terminate the contract according to the Termination for Convenience provision without making payment. The agency will not be liable for any late payment fees or missed discounts that are the result of time required to address the issue of an OFAC match.

40. WAIVER

Waiver of any default or breach shall not be deemed a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this contract unless stated to be such in writing and signed by authorized representative of the AGENCY.

41. WAGE THEFT CERTIFICATION

Contractor certifies by signing this agreement that, to the best of its knowledge and belief, they have not been determined by a final and binding citation and notice of assessment issued by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in [RCW 49.48.082](#), any provision of RCW chapters [49.46](#), [49.48](#), or [49.52](#) within three (3) years prior to the date of the above-referenced procurement solicitation date.
