1. INTRODUCTION

1.1. PURPOSE AND BACKGROUND

The Washington State Office of Financial Management hereafter called "AGENCY," is initiating this Request for Proposals (RFP) to solicit proposals from firms interested in participating on a project to prepare, submit, and negotiate for the federal approval of the annual state of Washington Statewide Central Services Cost Allocation Plan (SWCAP).

The state of Washington annually submits to the U.S. Department of Health and Human Services a statewide central services cost allocation plan prepared in accordance with requirements listed in Appendix V to 2 CFR Part 200 . The plan consists of two parts:

1. An Allocation of non-billed, central service costs benefiting state operating agencies with federal programs.
2. A financial reconciliation of billed central internal service activities that impact federally funded activity in operating states.

The Accounting Division of the AGENCY would provide the contractor with financial reports extracted from the state's agency financial reporting system (AFRS). Individual central internal service activities would provide the contractor with specific information on activity descriptions, actuarial reports, and billing practices as well as other financial data that is at a detail level below that maintained in AFRS.

AGENCY intends to award one contract to provide the services described in this RFP.

1.2. OBJECTIVES AND SCOPE OF WORK

- a. Annual Cost Allocation Plan: The objective of the contract is to prepare, submit and negotiate for federal approval the annual statewide central service cost allocation plan.

3.4 COST PROPOSAL (Section 4 of Proposal) (20 Points Possible)

The maximum fee for this contract must be Thirty One Thousand Six Hundred Fifty Dollars (\$31,650.00) or less to be considered responsive to this RFP. Non-responsive proposals will not be evaluated.

The evaluation process is designed to award this procurement not necessarily to the Bidder of least cost, but rather to the Bidder whose proposal best meets the requirements of this RFP. However, Bidders are encouraged to submit proposals which are consistent with state government efforts to conserve state resources.

A. Identification of Costs

A.1 Costs for Annual Cost Allocation Plan Referenced in Sections 1.1 and 1.2

Provide a fixed price cost for (1) Year One Annual Cost Allocation Plan as referenced in Sections 1.1 and 1.2. include the following:

- a. A fully detailed budget for the Annual Cost Allocation Plan including staff costs, administrative costs, travel costs, and any other expenses necessary to accomplish the objectives and produce the deliverables under the contract.
- b. The proposed number of hours per person with job title and their hourly rate.
- c. A table showing the anticipated number of hours each assigned staff person is expected to devote to each major project activity.

Costs for subcontractors are to be broken out separately. Please note if any subcontractors are certified by the Office of Minority and Women's Business Enterprises.

Expenses will not be reimbursed as a separate item for the Cost Allocation Plan(s).

A.2 Costs for Extra Services Referenced in Section 1.2

The cost proposal must separately state an all-inclusive hourly rate by job title for the Extra Services contemplated in Section 1.2. The hourly rate must include any and all expenses. In the event Extra Services are utilized, expenses will not be reimbursed as a separate item. Extra Services are outside what is necessary to produce the plan, submit the plan, negotiate and finalize and approval of the plan.

Failure to provide an all-inclusive hourly rate for Extra Services will result in the proposal being deemed non-responsive and the proposal will not be evaluated.

No points will be awarded for the Extra Services cost proposal.

A.3 Computation of the Fixed Price Cost for Annual Cost Allocation Plan Referenced in Sections 1.1 and 1.2

The maximum points available for the fixed price for the Annual Cost Allocation is 20 points. The score for the fixed price cost proposal will be computed by dividing the lowest fixed price cost bid received by the Bidder's fixed price cost bid. Then the resulting number will be multiplied by the maximum possible points for the cost section.

4. EVALUATION AND CONTRACT AWARD

The AGENCY may after evaluating the written proposals elect to schedule oral presentations of the finalists. Should oral presentations become necessary, the AGENCY will contact the top-scoring firm(s) from the written evaluation to schedule a date, time, and mode (Microsoft Teams or Skype). The scores from the written evaluation and the oral presentation combined together will determine the apparent successful contractor.

4.5. NOTIFICATION TO BIDDERS

The AGENCY will notify the Apparently Successful Bidder of their selection in writing upon completion of the evaluation process. Individuals or firms whose proposals were not selected for further negotiation or award will be notified separately by e-mail.

Discussion at the debriefing conference will be limited to the following:

- Evaluation and scoring of the firm's proposal;
- Critique of the proposal based on the evaluation;

Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted via Microsoft Teams, Skype or on the telephone and will be scheduled for a maximum of one hour.

4.7. PROTEST PROCEDURE

Protests may be made only by Bidders who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Bidder is allowed five (5) business days to file a protest of the acquisition with the RFP Coordinator. Protests must be received by the RP Coordinator no later than 3:30 PM, local time, in Olympia, Washington on the fifth business day following the debriefing. Protests may be submitted by email, but must then be followed by the document with an original signature.

Bidders protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFP number, the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of an evaluator;
- Errors in computing the score;
- Non-compliance with procedures described in the procurement document or AGENCY policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) AGENCY'S assessment of its own and/or other agencies needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY Director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within five (5) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Bidder that also submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action; or
- Find only technical or harmless errors in the AGENCY's acquisition process and determine the AGENCY to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide the AGENCY options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If the AGENCY determines that the protest is without merit, the AGENCY will enter into a contract with the apparently successful contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The CONTRACTOR agrees to indemnify and hold harmless the AGENCY for any damages related to the CONTRACTOR'S unauthorized use of personal information.

25. PUBLICITY

The CONTRACTOR agrees to submit to the AGENCY all advertising and publicity matters relating to this contract wherein the AGENCY'S name is mentioned or language used from which the connection of the AGENCY'S name may, in the AGENCY'S judgment, be inferred or implied. The CONTRACTOR agrees not to publish or use such advertising and publicity matters without the prior written consent of the AGENCY.

26. RECORDS MAINTENANCE

The CONTRACTOR shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

CONTRACTOR shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by the AGENCY, personnel duly authorized by the AGENCY, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

28. RIGHT OF INSPECTION

29. SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

31. SUBCONTRACTING

Neither the CONTRACTOR nor any SUBCONTRACTOR shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the AGENCY. In no event shall the existence of the subcontract operate to release or reduce the liability of the CONTRACTOR to the AGENCY for any breach in the performance of the CONTRACTOR'S duties. This clause does not include contracts of employment between the CONTRACTOR and personnel assigned to work under this contract.

Additionally, the CONTRACTOR is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. If the funds AGENCY relied upon to establish this Contract are withdrawn or reduced, or if additional or modified conditions are placed on such funding, AGENCY may immediately terminate or suspend this Contract by providing written notice to the Contractor. The termination shall be effective no later than the end of the week within which notice was provided.

34. TERMINATION FOR CAUSE

In the event the AGENCY determines the CONTRACTOR has failed to comply with the conditions of this contract in a timely manner, the AGENCY has the right to suspend or terminate this contract. Before suspending or terminating the contract, the AGENCY shall notify the CONTRACTOR in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the CONTRACTOR shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

The AGENCY reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the CONTRACTOR from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the CONTRACTOR or a decision by the AGENCY to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the CONTRACTOR: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of the AGENCY provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

35. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this contract, the AGENCY may, by 10 calendar days written notice, beginning on the second day after the mailing, terminate this contract, in whole or in part. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The AGENCY may withhold from any amounts due the CONTRACTOR such sum as the DIRECTOR determines to be necessary to protect the AGENCY against potential loss or liability.

The rights and remedies of the AGENCY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

Title to other property, the cost of which is reimbursable to the CONTRACTOR under this contract, shall pass to and vest in the AGENCY upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the AGENCY in whole or in part, whichever first occurs.

- b. Any property of the AGENCY furnished to the CONTRACTOR shall, unless otherwise provided herein or approved by the AGENCY, be used only for the performance of this contract.

OFAC prohibits financial transactions with individuals or organizations, which have been placed on the OFAC Specially Designated Nationals (SDN) and Blocked Persons sanctions list located at <https://sanctionssearch.ofac.treas.gov/>. Compliance with OFAC payment rules ensures that the agency does not conduct business with individuals or organizations that have been determined to be supporters of terrorism and international drug dealing or that pose other dangers to the United States. Prior to making payment to individuals or organizations, the agency will download the current OFAC SDN file and compare it to agency and statewide vendor files. In the event of a positive match, the agency reserves the right to: (1) make a determination of "reasonability" before taking the positive match to a higher authority, (2) seek assistance from the Washington State Office of the State Treasurer (OST) for advanced assistance in resolving the positive match, (3) comply with an OFAC investigation, if required, and/or (4) if the positive match is substantiated, notify the contractor in writing and terminate the contract according to the Termination for Convenience provision without making payment. The agency will not be liable for any late payment fees or missed discounts that are the result of time required to address the issue of an OFAC match.
