Dear Ms. Marcus:

As a result of the petitions filed with our office, **Referendum Measure 88** may be on the 2019 General Election ballot. We are in the process of verifying the signatures on the petition. In anticipation that this measure will be on the 2019 General Election ballot and included in the Voters' Pamphlet, I'm forwarding a request that you provide the fiscal impact statement.

I respectfully request that you prepare a Fiscal Impact Statement by **5:00 p.m. on July 31**. This information is essential for the timely preparation of the official Voters' Pamphlet. Please email the information to voterspamphlet@sos.wa.gov.

If you have questions please contact Katrina Osborn at (360) 725-5791 or voterspamphlet@sos.wa.gov. Thank you so much for all you do to contribute to a meaningful Washington State Voters' Pamphlet.

Sincerely,

Lori Augino
