

RESOLUTION R-5249

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF KIRKLAND AUTHORIZING THE CITY MANAGER TO EXECUTE AN INTERLOCAL AGREEMENT ADJUSTING THE BOUNDARY LINE BETWEEN THE CITIES OF KIRKLAND AND BELLEVUE.

WHEREAS, due to past circumstances the boundary line between Kirkland and Bellevue around the intersection of Bellevue Way/104<sup>th</sup> Ave NE and Northup Way/Points Dr. NE does not align correctly with the existing infrastructure there; and

WHEREAS, the Washington State Department of Transportation intends to relinquish right-of-way to Bellevue as a result of completing the SR 520 construction project, which will have the effect of increasing this misalignment; and

WHEREAS, this negatively impacts infrastructure maintenance and operations, and police and emergency responder awareness of jurisdiction in the area, which would be improved with a boundary line adjustment; and

WHEREAS, RCW 35.13.310(1) allows for an agreement to effect such an adjustment of a common boundary between two cities where they share that common boundary within the right-of-way of a public street, road, or highway, which is not subject to potential review by the Boundary Review Board for King County; and

WHEREAS, the Bellevue City Council approved this Agreement at its meeting of February 21, 2017.

NOW, THEREFORE, be it resolved by the City Council of the City of Kirkland as follows:

Section 1. The City Manager is hereby authorized and directed to execute on behalf of the City of Kirkland the Agreement between the City of Bellevue and the City of Kirkland Revising the Municipal Boundary of Bellevue and of Kirkland within the Public Right-of Way of NE Points Dr., Bellevue Way NE, 104<sup>th</sup> Ave. NE and Northup Way substantially similar to that attached to this Resolution as Exhibit "A."

Passed by majority vote of the Kirkland City Council in open meeting this \_\_\_\_ day of \_\_\_\_\_, 2017.

Signed in authentication thereof this \_\_\_\_ day of \_\_\_\_\_, 2017.
