¹ Government agencies are prohibited from using such data in the purchase or procurement of health benefits for their employees.

² By October 31 of each year, the lead organization must submit to the Office of Financial Management a list of reports it anticipates producing in the following year.

³ Also includes the data vendor when not conducting WA-APCD-specified work.

ⁱ **Direct patient identifier:** Data variable that directly identifies an individual, including: Names; telephone numbers; fax numbers; social security number; medical record numbers; health plan beneficiary numbers; account numbers;

ⁱⁱ **Proprietary financial information:** Claims data or reports that disclose or would allow the determination of specific terms of contracts, discounts, or fixed reimbursement arrangements or other specific reimbursement arrangements between an individual health care facility or health care provider, as those terms are defined in RCW 48.43.005, and a specific payer, or internal fee schedule or other internal pricing mechanism of integrated delivery systems owned by a carrier

ⁱⁱⁱ **Indirect patient identifier:** Data variable that may identify an individual when combined with other information

^{iv} **Unique identifier:** An obfuscated identifier assigned to an individual represented in the database to establish a basis for following the individual longitudinally throughout different payers and encounters in the data without revealing the individual's identity

^v **Other data:** Procedure codes; diagnoses codes; **age**; gender; claim paid date; billed, allowed and paid amounts (in some circumstances); service date; provider information
