

2020 Census Roadmap

The 2020 Census Statistics in Schools (SIS) program is being developed and implemented to increase awareness of, and the overall public response to, the decennial census by engaging administrators, teachers, students, and their parents/guardians in public conversations about the census. Additionally, the program will continue to promote understanding of statistical concepts and introduce the use of data to students in a variety of subjects.

Start Now!

New materials and worksheets will be coming, but get started with the SIS program now by checking out www.census.gov/schools. You'll find a wealth of resources like worksheets, fun facts and data tools that help students in grades K-12 learn key skills in a variety of subjects all by using Census Bureau data.

Check it Out!

New worksheets that teach all about the 2020 Census and the importance of being counted are posted to the SIS website. These lessons have been created by educators across the country in conjunction with Census Bureau data experts.

Preschool Fun!

Little ones can join in the SIS excitement. New worksheets for children ages 2-5 will be posted on the website. Additionally, check out the other great activities like a coloring and activity book and interactive song that teaches our youngest learners all about the 2020 Census.

Video Delight!

Check out the cool new videos and webisodes that help children understand what the decennial Census is and why it's important that everyone be counted.
