Avoiding an Undercount – Knowing Your Community

HARD TO COUNT COMMUNITIES

- High Level Definition
 - People of Color
 - Low Income
 - Children under 5
- Deeper look
 - Rental units/Mobile populations
 - Single mothers/complex living arrangements
 - Internet: Rural and Older (minus)/millennials (plus)
 - Homeless, Mobile Youth, & New or Hidden Construction
 - Linguistically Isolated & less well-educated
 - Other groups hostile/suspicious of government

- Educate
 - Raise awareness about the process & innovations & truths
 - Get every organization/entity thinking
 - Who are my constituents?
 - What do they need to know?
 - When do they need to know it?
 - Who can be trusted to deliver messages?
 - What would be the best medium/media for delivering messages?
- Promote
- Mobilize

How to ensure Everyone Counts!

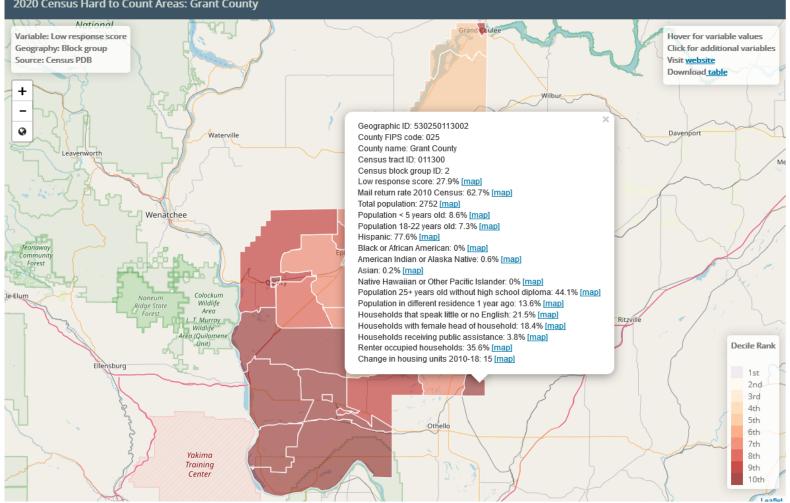

Timeline for 2020 Census Outreach

- Think in terms of a wave
 - Create awareness
 - Educate

 - \$\$
 - Organizations
 - Research/Workplans
 - Recruitment
 - Hardware/venues
 - Unleash the promotion
- April 1 2020 Census Day
- Post census day (info on non-response)

- Website -- <u>www.ofm.wa.gov/2020census</u>
- Coordinate with all other CCCs offer support, encouragement, and guidance
- Find and meet with as many associations as we can
- Connect people and groups
- Ideal world one logo and message for the entire state
- Launch this CCC

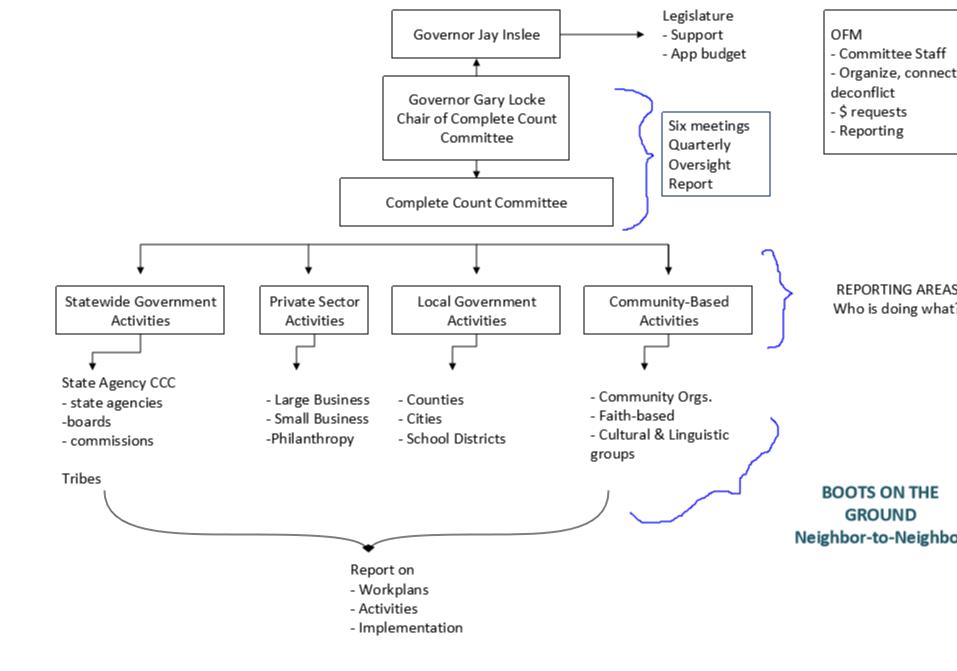

2020 Census Hard to Count Areas: Grant County

COMPLETE COUNT COMMITTEE (The Concept)

- **Mission/Vision:** Ensure everyone is counted accurately
- Leadership: High-level, highly visible, and spanning the spectrum
- Function: Provide oversight of outreach methods, message, and coverage

Grassroots movement of trusted messengers

- Instilling trust and confidence in the process
- Making it meaningful: Don't count yourself out... get counted!
- Assisting the process explanations, FAQ, internet, language
- Providing 'intelligence': how the community is feeling/what it needs

- Stay informed <u>www.ofm.wa/2020census</u>
- Promote recruitment <u>https://2020census.gov/jobs</u>
- Contact your city or county officials and ask them when they plan to launch their Complete Count Committees and what you can do to help
- Organize and spread awareness in your own professional and personal communities
