PREAMBLE

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and the Professional and Technical Employees, Local 17, referred to as the “Union.”

It is agreed by the parties that it is in their best interest to establish employment relations based on mutual respect and cooperation, provide for fair treatment to all employees, promote efficient and cost-effective service delivery to the customers and citizens of the State of Washington, improve the performance results of state government, recognize the value of employees and the work they perform, specify wages, hours, and other terms and conditions of employment, and provide methods for prompt resolution of differences.

The Preamble is not subject to the grievance procedure in [Article 32](#).

ARTICLE 1

UNION RECOGNITION

- 1.1** This Agreement covers the employees in the bargaining units described in [Appendix A](#), entitled “Bargaining Units Represented by the Professional and Technical Employees, Local 17,” but does not cover any statutorily excluded positions or any positions excluded in [Appendix A](#). The titles of the jobs listed in [Appendix A](#) are listed for descriptive purposes only.
- 1.2** The Employer recognizes the Union as the exclusive bargaining representative for all employees in bargaining units described in [Appendix A](#) and Section 1.3, or those bargaining units as they may be subsequently modified by the Public Employment Relations Commission (PERC).
- 1.3** If PERC certifies the Union as the exclusive bargaining representative during the term of this Agreement for a bargaining unit in general government, the terms of this Agreement will apply.
- 1.4** If there is a title change to a classification covered by this Agreement, the Union will continue to be recognized as the exclusive bargaining representative.

ARTICLE 2

NON-DISCRIMINATION

Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, creed, national origin, political affiliation, military status, status as an honorably discharged veteran, disabled veteran or Vietnam-era veteran, sexual orientation, gender expression, gender identity, any real or perceived sensory, mental or physical disability, genetic information, or because of the participation or lack of participation in union activities. Bona fide occupational qualifications based on the above traits do not violate this Section.

The Employer agrees to provide training and the Union agrees to support and encourage participation in training to positively accept the diversity that exists in the workplace and to understand as well as prevent all forms of discrimination.

Both parties agree that unlawful harassment will not be tolerated.

Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following the completion of the internal complaint process, the Union may request the grievance process be continued.

ARTICLE 3

WORKPLACE BEHAVIOR

- 3.1** The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. The parties agree that inappropriate behavior in the workplace does not further an agency's business needs, employee well-being, or productivity. All employees are responsible for contributing to such an environment and are expected to treat others with courtesy and respect.
- 3.2** Inappropriate workplace behavior by employees, supervisors and/or managers will not be tolerated. If an employee believes they have been subjected to inappropriate behavior the employee is encouraged to report this behavior to the employee's supervisor or the Human Resources Office. The Employer will look into the reported behavior and take appropriate action as necessary. The employee will be notified whether or not a violation occurred.
- 3.3** Grievances related to this Article may be processed through the agency head or designee level only and are not subject to a pre-arbitration review meeting (PARM), mediation or arbitration.

ARTICLE 4

HIRING AND APPOINTMENTS

- 4.1 Filling Positions**
The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification that is being filled. Only those candidates who have the position-specific skills and abilities required to perform the duties of the vacant position will be referred for further consideration by the employing agency.
- 4.2** An agency's internal layoff list will consist of employees who have elected to place their name on the layoff list through [Article 36](#), Layoff and Recall, of this Agreement and are confined to each individual agency.
- 4.3** The statewide layoff list will consist of employees who have elected to place their name on the statewide layoff list in accordance with [WAC 357-46-080](#).
- 4.4** A promotional candidate is defined as an employee who has completed the probationary period within a permanent appointment and has attained permanent status within the agency.
- 4.5** A transfer candidate is defined as an employee in permanent status in the same classification as the vacancy within the agency.

4.6 A voluntary demotion candidate is defined as an employee in permanent status moving to a class in a lower salary range maximum, within the agency.

4.7 Permanent Status

An employee will attain permanent status in a job classification upon their successful completion of a probationary, trial service or transition review period.

4.8 Recruitment and Application Process for Permanent Positions

Agencies will determine the recruitment process that will be utilized to fill positions. When recruiting for bargaining unit positions, the recruitment announcement will be posted for a minimum of seven (7) calendar days. Recruitment announcements posted on the State of Washington's primary recruitment website will include the minimum job requirements.

4.9 Types of Appointment

A. Permanent

When filling a vacant position with a permanent appointment, candidates will be certified for further consideration in the following manner:

1. The most senior candidate on the agency's internal layoff list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position.
2. If there are no names on the internal layoff list, the agency will certify up to twenty (20) candidates for further consideration. Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position-specific skills and abilities to perform the duties of the position to be filled. If there is a tie for the last position on the certification for either promotional or other candidates, the agency may consider up to ten (10) additional tied candidates. The agency may supplement the certification with additional tied candidates and replace other candidates who waive consideration with like candidates from the original pool.
3. Employees in the General Government Transition Pool Program who have the skills and abilities to perform the duties of the vacant position may be considered along with all other candidates who have the skills and abilities to perform the duties of the position.
4. If the certified candidate pool does not contain at least three (3) affirmative action candidates, the agency may add up to three (3) affirmative action candidates to the names certified for the position.
5. When recruiting for multiple positions, the agency may add an additional five (5) agency candidates and five (5) other candidates to the certified list for each additional position.

B. Non-Permanent

1. The Employer may make non-permanent appointments to fill in for the absence of a permanent employee, during a workload peak, while recruitment is being conducted, or to reduce the possible effects of a layoff. Non-permanent appointments will not exceed twelve (12) months except when filling in for the absence of a permanent employee. A non-permanent appointee must have the skills and abilities required for the position.
2. The Employer may convert a non-permanent appointment to a permanent appointment when the non-permanent employee is in an entry-level position. The Department of Transportation (DOT) may also convert Transportation Technician 2s and Transportation Planning Technician 2s. The Department of Licensing (DOL) may convert LSR2s, provided there are no eligible bid transfer candidates for the position. The converted employee will serve a probationary or trial service period. The Employer must follow [Section 4.11](#), DOL and Washington State Patrol (WSP) Transfers, or appoint an internal layoff candidate, if one exists, before converting an employee from a non-permanent appointment to a permanent appointment. Time spent in a non-permanent appointment may count towards the probationary or trial service period for a permanent position within the same job classification.
3. A permanent employee that accepts a non-permanent appointment within their agency will have the right to return to a position in the permanent classification they left at the completion of the non-permanent appointment; provided that the employee has not left their original, non-permanent appointment.
4. An employee with permanent status may accept a non-permanent appointment to another agency. At least fourteen (14) calendar days' prior to accepting the appointment, the employee must notify the current Appointing Authority of the intent to accept a non-permanent appointment. Upon notification of the employee's intent, the employee's permanent agency will notify the employee, in writing, of any return rights to the agency and the duration of those return rights. At a minimum, the agency must provide the employee access to the agency's internal layoff list.
5. The Employer may end a non-permanent appointment at any time by giving one (1) working day's notice to the employee. If an employee is terminated for misconduct and the misconduct for which the employee is terminated is documented in the personnel file, just cause will apply.

C. On-Call Employment

The Employer may fill a position with an on-call appointment where the work is intermittent in nature, is sporadic and it does not fit a particular pattern. The Employer may end on-call employment at any time by giving one (1) working day's notice to the employee. On-call employees may schedule annual leave. On-call employees may use accrued sick leave when they are scheduled to work.

D. In-Training Employment

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will document the training program, including a description and length of the program. The Employer will discuss a proposed in-training series at a Labor/Management Communication Committee meeting prior to implementation.
2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from state service, any employee who has completed the probationary period for an in-training appointment but does not successfully complete the subsequent trial service periods required by the in-training program. Employees who are not successful may be separated at any time with one (1) working day's notice from the Employer.
3. An employee with permanent status who accepts an in-training appointment will serve a trial service period or periods, depending on the requirements of the in-training program. The Employer may revert an employee who does not successfully complete the trial service period or periods at any time with one (1) working day's notice. The employee's reversion right will be to the job classification that the employee held permanent status in prior to their in-training appointment, in accordance with [Subsections 4.12 B.3 and 4.12 B.4](#) of this Article.
4. A trial service period may be required for each level of the in training appointment, or the entire in-training appointment may be designated as the trial service period. The Employer will determine the length of the trial service period or periods to be served by an employee in an in-training appointment.
5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status upon successful completion of the training program at each level.
6. If the entire in-training program—meaning all levels within the in-training appointment—is designated as a trial service period, the

employee will attain permanent status upon successful completion of the training requirements for the entire in-training program.

E. Project Employment

1. The Employer may appoint employees into project positions for which employment is contingent upon state, federal, local, grant, or other special funding of specific and of time-limited duration. The Employer will notify the employees, in writing, of the expected ending date of the project employment.
2. Employees who have entered into project employment without previously attaining permanent status will serve a probationary period. Employees will gain permanent project status upon successful completion of their probationary period.

Employees with permanent project status will serve a trial service period when they:

- a. Promote to another job classification within the project; or
- b. Transfer or voluntarily demote within the project to another job classification in which they have not attained permanent status.
3. The Employer may consider project employees with permanent project status for transfer, voluntary demotion, or promotion to non-project positions. Employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position in a job classification that the employees have not previously attained permanent status in.
4. When the Employer converts a project appointment into a permanent appointment, the employee will serve a probationary or trial service period.
5. The layoff and recall rights of project employees will be in accordance with the provisions in [Article 36](#), Layoff and Recall.

F. Seasonal Career Employment

1. The Employer may make seasonal career appointments that are cyclical in nature, recur at the same agency at approximately the same time each year, and last for a minimum of five (5) months but are less than twelve (12) months in duration during any consecutive twelve (12) month period.
2. Upon completion of a twelve (12) month probationary period completed in consecutive seasons at the same agency, employees in

seasonal career employment will assume the rights of employees with permanent status.

3. The layoff and recall rights of seasonal career employees will be in accordance with the provisions in [Article 36](#), Layoff and Recall.

- G. The designation of a position as non-permanent, on-call, in-training or project, or the termination of a non-permanent, on-call, in-training or project appointment is not subject to the grievance procedure in [Article 32](#) except as noted in [Subsection 4.9 \(B\)\(5\)](#).

4.10 WSDOT and DOL Prorate and Fuel Tax Auditors, Transfers and Internal Movement

Prior to certifying candidates in [Subsection 4.9](#) A, an Appointing Authority may grant a transfer, including hardship transfer, voluntary demotion, or elevation within an agency as long as the permanent employee has the skills and abilities to perform the duties of the position. Employees desiring a transfer, voluntary demotion or elevation will initiate a request electronically. The Employer will advise interviewees of the result.

Transfer candidates will be given consideration in order to mitigate the impacts of layoffs.

4.11 DOL and WSP Transfers

A. Department of Licensing (DOL)

Licensing Service Representatives 1 & 2 - This Section applies only to permanent status Licensing Service Representatives 1 & 2 at the DOL. This Section does not apply to the filling of non-permanent or project positions.

For purposes of this Section, seniority is defined per [Article 35](#), Seniority.

When a permanent full-time or part-time vacancy occurs and the Employer decides to fill the vacancy, the following process will occur:

1. If there are different work shifts within an office, the vacant work shift will be offered to the remaining staff by seniority within the office. Permanent part-time employees may not bid on a full-time work shift. However, they may apply for a full-time vacancy as a transfer applicant.
2. Notice of vacancies for Licensing Services Representative (LSR) or Enhanced Driver License Licensing Services Representative (EDL LSR) positions will be posted as follows:
 - a. For LSR positions, the notice for the vacancy with location, days, office hours and the cut-off date for application is electronically posted statewide. Applicants responding are accepting the location, days, and office hours posted.

- b. For EDL LSR positions, the notice for the EDL LSR vacancy with location, days, office hours and the cut-off date for application is electronically posted statewide to current EDL LSRs and candidates in the EDL LSR pool. Applicants responding are accepting the location, days, and office hours posted.
- 3. The supervisor of the vacant position is given the names of the five (5) most senior transfer applicants unless one of the following conditions exists:
 - a. The applicant is still in probationary service status; or
 - b. The applicant has been in Leave Without Pay (LWOP) status within three (3) months of the transfer request, except for authorized LWOP that has been taken in accordance with [Article 14](#), Family and Medical Leave, [Article 31](#), Union Activities, [Article 39](#), Labor/Management Communication Committee, Military Leave, Domestic Violence Leave, Workers' Compensation, Volunteer Firefighting Leave, Military Family Leave, Child and Elder Care Emergencies, Reducing the Effects of a Layoff, pre-approved LWOP; or
 - c. The applicant has been reprimanded or has been under a work plan within three (3) months of the transfer request; or
 - d. The applicant has had other disciplinary action within the last six (6) months; or
 - e. The applicant does not possess the skills and abilities to perform the essential functions of the job; or
 - f. The applicant has already accepted a transfer once within the twelve (12) month period prior to the date the vacancy is advertised unless approved by management as an exception on a case-by-case basis; or
 - g. Appointment of the applicant would result in a violation of agency policy PER.13C (Employment of Related Persons); or
 - h. Other conditions as agreed to by the Administrator and the Staff Representative, including requests for hardship transfer.
- 4. If there are only two (2) eligible transfer candidates available for a position, the supervisor may request a certification of candidates per [Section 4.9](#). The transfer candidates will be considered along with

all other candidates. The supervisor of the vacant position will consider the eligible applicants, selecting the most qualified for the vacancy. If the transfer candidates are not selected, they will be notified of their non-selection.

5. If there are no eligible transfer candidates available for a position, the Appointing Authority may grant an administrative transfer, voluntary demotion, or elevation as long as the permanent employee has the skills and abilities to perform the duties of the position.

B. Washington State Patrol (WSP) – Methods of Requesting a Transfer

1. WSP – Communications Officers or Communications Officer Assistants:

- a. Employees desiring to transfer will initiate a request using the agency's electronic system for doing so. If more than one (1) employee requests a transfer to the same location, the request with the earliest submission date will receive first consideration. If two (2) or more employees have the same submission date for transfer, the position will be given to the employee with the longest most recent period of unbroken service in the classification. Employee requests to transfer will be honored prior to the filling of any position.
- b. In the event a vacancy occurs and there are no transfer candidates for the location in question, advertisement of the vacancy will be made in the Daily Bulletin and posted at all twenty-four (24) hour facilities. Employees will be given a minimum of three (3) calendar days to submit a written transfer request. Appointment will be made from among the three (3) candidates with the longest most recent period of unbroken service in the classification. Supervisors will attempt to contact any employee who is on any form of leave with the information of the advertised vacancy.

2. WSP – Commercial Vehicle Enforcement Officers and Commercial Vehicle Officers/VIN Officer:

- a. Transfer Lists:
Truck enforcement will be divided into separate lists for purposes of applying for transfer, which will include the eight (8) WSP districts. Employees may choose to limit their availability within a given district to interior or port. Each district will have five (5) transfer lists to differentiate between the CVEO 1 and CVEO 2, CVO 1, CVO 2, and VIN Officer.

- b. Employee-Requested Transfers:
An employee may request a transfer from one (1) working location to another and to a substantially similar position in which they have previously performed the core duties (i.e., auditor to auditor position, compliance review to compliance review). Requests will be submitted using the agency's electronic system for doing so. Requests will be ranked by seniority in the classification.
- c. Probationary CVEOs:
A probationary CVEO will be allowed to place their name on the transfer list for the District in which they resided (physical address) prior to being employed as a CVEO. All other guidelines in this Article apply.
- d. VIN Officers:
When a vacancy occurs, it will be advertised to all eligible employees via the Daily Bulletin and posting at twenty-four (24) hour facilities (where applicable). Employees will be given a minimum of ten (10) calendar days to submit a written transfer request. Appointment will be made from among the three (3) candidates with the longest most recent period of unbroken service with the classification. Supervisors will attempt to contact any employee who is on any form of leave with the information of the advertised vacancy.

- 3. WSP – Guidelines on Transfers for All Employees:
Employees who have a hardship may request a hardship transfer. Before such transfers are granted, the department must determine an actual hardship exists. When such transfers are granted, the department will advise those on the regular transfer list that another employee has been selected due to a hardship.

WSP employees will not be allowed to transfer if one of the following conditions is present:

- a. The applicant is still in a probationary or trial service status. (Management may consider exceptions on a case-by-case basis and only for operational necessity or personal hardships; for probationary CVEOs, see above); or
- b. The applicant has been in Leave Without Pay (LWOP) status within three (3) months of the transfer request, except for authorized LWOP that has been taken in accordance with [Article 14](#), Family and Medical Leave, [Article 31](#), Union Activities, [Article 39](#), Labor/Management Communication

Committee, Military Leave, Domestic Violence Leave, Workers' Compensation, Volunteer Firefighting Leave, Military Family Leave, Child and Elder Care Emergencies, Reducing the Effects of a Layoff, pre-approved LWOP; or

- c. The applicant has been reprimanded or has been under a work plan within three (3) months of the transfer request; or
 - d. The applicant has had other disciplinary action within the last six (6) months; or
 - e. The applicant does not possess the skills and abilities to perform the essential functions of the job; or
 - f. The applicant has already accepted a transfer once within the twelve (12) month period prior to the date the vacancy is advertised unless approved by management as an exception on a case-by-case basis; or
 - g. Appointment of the applicant would result in a violation of agency policy; or
 - h. Other conditions as stated below or agreed to by the Division Commander and the Staff Representative.
4. Other Guidelines for the Transfer Lists:
- a. When an employee has declined a transfer to the same location on two (2) occasions, they will be removed from the list for that location. The employee may reapply at anytime, understanding that they will be placed at the bottom of the list.
 - b. When an employee has accepted a transfer, they will be removed from all transfer lists. The employee may reapply at anytime, understanding that they will be placed at the bottom of the list.
 - c. No employee will be permitted to have their name on more than four (4) transfer lists at any time.
 - d. The Chief or designee will have the final approval on all transfer requests.
 - e. If there are no eligible transfer candidates available for a position, the Appointing Authority may grant an administrative transfer, voluntary demotion, or elevation as long as the permanent employee has the skills and abilities to perform the duties of the position.

5. Acceptance or Rejection of Transfer or Promotion:
An employee will have a maximum of twenty-four (24) hours to accept or reject an offer.
6. Promotional Testing (CVEO2):
On a bi-annual or as needed basis, eligible CVEOs will be allowed to test for promotional opportunities. Upon request to WSP Human Resources Division, an employee will be advised of their test results.

4.12 Review Periods

A. Probationary Period

1. Every part-time and full-time employee, following their initial appointment to a permanent position, will serve a probationary period of twelve (12) consecutive months.
2. The Employer may separate a probationary employee at any time during the probationary period, and such separation will not be subject to the grievance procedure in [Article 32](#). The Employer will provide the employee five (5) working days' written notice prior to the effective date of the separation. If the Employer fails to provide five (5) working days' notice, the separation will stand and the employee will be entitled to payment of salary for up to five (5) working days, which the employee would have worked had notice been given.
3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service. An employee's probationary period will not be extended due to time spent on temporary layoff unless there is mutual agreement between the Employer and the employee.
4. An employee who transfers or is promoted prior to completing their initial probationary period will serve a new probationary period. The length of the new probationary period will be twelve (12) consecutive months, unless adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than twelve (12) consecutive months.
5. If the Employer converts the status of a non-permanent appointment to a permanent appointment, the incumbent employee will serve a probationary period. However, the Employer may credit time worked in the non-permanent appointment toward completion of the twelve (12) month probationary period

B. Trial Service Period

1. Except for those employees in an in-training appointment, all other employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of twelve (12) consecutive months. The appointment letter will indicate the length of the trial service period. The Employer may reduce the trial service period to no less than six (6) consecutive months.
2. Any employee serving a trial service period will have their trial service period extended, on a day-for-a-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service. An employee's trial service period will not be extended due to time spent on temporary layoff unless there is mutual agreement between the Employer and the employee.
3. Any employee serving a trial service period may voluntarily revert to their former position within fifteen (15) days of the appointment, provided that the position has not been filled, abolished or an offer has not been made to an applicant.

An employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same classification as determined by the Employer that is:

- a. Vacant or filled by a non-permanent employee and is within the employee's previously held job classification.
- b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will use the order listed above, with the Employer determining the position the employee may revert to. The employee must have the skills and abilities required for the position. The reversion option will be within a reasonable commuting distance for the employee.

4. With prior written notice by the Employer, an employee who does not successfully complete their trial service period may be offered an opportunity to revert to a position in the same agency, that is:
 - a. Vacant or filled by a non-permanent employee and is within the trial service employee's previously held job classification; or
 - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

In either case, the employee being reverted must have the skills and abilities required for the vacant position.

5. Any unsuccessful employee who has no reversion options may request that their name be placed on the agency's internal layoff list and into the General Government Transition Pool Program for positions in job classifications where they had previously attained permanent status.
6. The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in [Article 32](#). An employee who is separated during their trial service period may request a review of the separation by the Director or Secretary of the agency or designee within twenty-one (21) calendar days from the effective date of the separation.

4.13 Return-to-Work Initiative Program

Benefits under this program will be applied in accordance with [WAC 357-19-525](#) through [WAC 357-19-535](#).

4.14 Interviews – WSDOT Only

The Employer will offer at least four (4) internal candidates, if available, the opportunity to interview for permanent positions, in accordance with Article 4.9A (2). Candidates who have been interviewed will be advised of the result.

4.15 Background Checks—Enhanced Drivers License LSRs

All applicants for EDL LSR position will be subject to a background check, which will consist of a fingerprint-based FBI criminal history background check, a validation of references (if employed by DOL for less than five [5] years), and a verification of U.S. citizenship. The failure of a background check shall not be subject to the grievance procedure.

ARTICLE 5 PERFORMANCE EVALUATION

5.1 Objective

The Employer will evaluate employee work performance. The performance evaluation process will include performance goals and expectations that reflect the organization's objectives.

The performance evaluation process gives supervisors an opportunity to discuss performance goals and expectations with their employees and assess and review their performance with regard to those goals and expectations; and provide support to employees in their professional development, so that skills and abilities can be aligned with agency requirements.

To recognize employee accomplishments and address performance issues in a timely manner, discussions between the employee and the supervisor will occur throughout the evaluation period. Performance problems should be brought to the attention of the employee to give the employee the opportunity to receive any needed additional training and/or to correct the problem before it is mentioned in an evaluation. Such discussions should be documented in the supervisor's file.

5.2 Evaluation Process

- A. Employee work performance will be evaluated prior to the completion of their probationary and trial service period and at least annually thereafter. Immediate supervisors will meet with employees to discuss performance goals and expectations. Employees will receive copies of their performance goals and expectations at the beginning of the evaluation period, as well as notification of any modifications made during the review period.
- B. The supervisor will discuss the evaluation with the employee. The employee will have the opportunity to provide feedback on the evaluation. The discussion may include such topics as:
 - 1. Reviewing the employee's performance;
 - 2. Identifying ways the employee may improve their performance;
 - 3. Updating the employee's position description, if necessary;
 - 4. Identifying performance goals and expectations for the next appraisal period; and
 - 5. Identifying employee training and development needs.
- C. The performance evaluation process will include, but not be limited to, a performance evaluation on forms used by the Employer, the employee's written signature or electronic acknowledgment of the forms, and any comments by the employee. A copy of the performance evaluation will be provided to the employee at the time of the review. The original performance evaluation forms, including the employee's comments, will be maintained in the employee's personnel file.
- D. If an employee disagrees with their performance evaluation, the employee has the right to attach a rebuttal at any time.
- E. The evaluation process is subject to the grievance procedure. The specific content of performance evaluations are not subject to the grievance procedure in [Article 32](#).

- F. Shift Employees
Overtime-eligible employees who work in positions that normally require shift coverage for more than one (1) work shift.

One (1) of seven (7) consecutive, twenty-four (24) hour periods in a workweek.
- H. Work Schedules
Workweeks and work shifts of different numbers of hours may be established by the Employer in order to meet business and customer service needs, as long as the work schedules meet federal and state laws.

- J. Workweek
A regularly re-occurring period of one hundred and sixty-eight (168) hours consisting of seven (7) consecutive, twenty-four (24) hour periods. Workweeks will normally begin at 12:00 a.m. on Sunday and end at 12:00 midnight the following Saturday or as otherwise designated by the

Appointing Authority. If there is a change in their workweek, employees will be given written notification by the Appointing Authority.

6.2 Determination

Per federal and state law, the Employer will determine whether a position is overtime-eligible or overtime-exempt. In addition, the Employer will determine if an overtime-eligible position is a shift position or an engineering position.

6.3 Overtime-Eligible Employees (Excluding Engineering Positions)

A. Regular Work Schedules

The regular work schedule for overtime-eligible employees will not be more than forty (40) hours in a workweek, with starting and ending times as determined by the requirements of the position and the Employer. The regular work schedule will include two (2) consecutive scheduled days off, except as required by operational necessity or as modified in this Article. Upon appointment the Employer will notify each employee in writing of their workweek, work shift and work schedule.

- B. When adjusting a Licensing Service Representative's (LSR) work schedule under this section, the Employer will consider an employee's preference as long as the agency can meet the business and customer needs and without causing an additional cost to the agency.

C. Daily Work Shift Adjustment

The Employer may adjust the regular work schedule with prior notice to the employee in accordance with [Article 7](#), Overtime, [Subsections 7.4 A-C](#).

If the Employer extends an overtime-eligible employee's daily work shift by more than two (2) hours on any given day, the Employer will not adjust another work shift or the employee's work schedule to avoid the payment of overtime or accrual of compensatory time. This provision will not apply:

1. When an employee requests to adjust their hours within the work shift and works no more than forty (40) hours within the workweek.

Washington State Patrol (WSP) employees will not be expected to report to work with less than nine (9) hours between shifts, except in extreme emergencies.

D. Alternate Work Schedules

Workweeks and work shifts of different numbers of hours may be established for overtime-eligible employees by the Employer in order to meet business and customer service needs, as long as the alternate work schedules meet federal and state laws. When there is a holiday, employees may be required to switch from their alternate work schedules to regular work schedules. The Employer will consider the employees' health and welfare as well as the operational needs of the Employer to assure that safe, effective services are provided.

E. WSP Workweek Defined - Overtime-Eligible Shift Employees

For the purpose of this Agreement, the workweek is defined as continuous five (5) work-days-per-week shifts which rotate each twenty-eight (28) calendar days to a different schedule of regular days and hours per week. The rotation involves extended or shortened time off between the ending shift of one schedule and the beginning shift of the next, but does not require more than eight (8) hours work in any one (1) twenty-four (24) hour period within a schedule or more than fifty-two (52) forty (40) hour workweeks per year.

F. Temporary Schedule Changes

Employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. The notice will state the duration of the change. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. Overtime-eligible employees will receive three (3) calendar days' written notice of any temporary schedule change. The day that notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change.

If the Employer makes a temporary change to the permanent work schedule of an overtime-eligible employee without giving at least three (3) days' notice of the change, employees will be paid for all time worked outside the scheduled hours or days at one and one-half (1 1/2) times their base rate for the duration of the notice period.

G. Permanent Schedule Changes

Employees' workweeks and work schedules may be permanently changed with prior notice from the Employer. Overtime-eligible employees will receive seven (7) calendar days' written notice of a permanent schedule change. The day notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a permanent schedule change.

If the Employer changes the permanent work schedule of an overtime-eligible employee without giving at least seven (7) days' notice of the change, employees will be paid for all time worked outside the scheduled hours or days at one and one-half (1 1/2) times their base rate for the duration of the notice period.

H. When changes in overtime-eligible employees' assigned hours or days are made without proper notice, employees may work their scheduled hours or days unless the Employer deems the employees are unable to perform satisfactorily as a result of excessive hours or the work that normally would have been performed within the scheduled hours or days cannot be performed. The Employer is not obligated to pay for those scheduled hours

or days unless the employee is on paid leave. Overtime pay and shift or schedule change penalty pay will not be paid for the same incident.

I. Emergency Schedule Changes

The Employer may adjust an overtime-eligible employee's workweek and work schedule without prior notice in emergencies, for highway snow, ice or avalanche removal, or extraordinary unforeseen operational needs.

J. Employee-Requested Schedule Changes

Overtime-eligible employees' workweeks and work schedules may be changed at the employee's request and with the Employer's approval. Requests will not be denied provided the Employer's business and customer service needs are met and no overtime expense is incurred. An employee may elect to waive shift premium.

6.4 Overtime-Eligible Engineering Employee Work Schedules

A. Regular Work Schedules

The regular work schedule for overtime-eligible engineering employees will not be more than forty (40) hours in a workweek, with starting and ending times as determined by the requirements of the position and the Employer. The regular work schedule will include two (2) consecutive scheduled days off, except as required by operational necessity or as modified in this Article. The Employer may adjust the regular work schedule with prior notice. Upon appointment the Employer will notify each employee in writing of their workweek, work shift and work schedule.

B. Daily Work Shift Adjustment

The Employer may adjust an overtime-eligible engineering employee's daily start and/or end time(s) by two (2) hours. Penalty pay will not be paid for any daily work shift adjustment.

C. Alternate Work Schedules

Workweeks and work shifts of different numbers of hours may be established for overtime-eligible engineering employees by the Employer in order to meet business and customer service needs, as long as the alternate work schedules meet federal and state laws. When there is a holiday, employees may be required to switch from their alternate work schedules to regular work schedules. The Employer will consider the employees' health and welfare as well as the operational needs of the Employer to assure that safe, effective services are provided.

D. Temporary Schedule Changes

Employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. The notice will state the duration of the change. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. The day that notification is given is considered the first day of notice. Overtime-eligible engineering employees

will receive three (3) calendar days' written notice of any temporary schedule change. Failure to provide the proper notice under this provision will result in payment at one and one-half (1 1/2) times their base rate for the duration of the notice period not to exceed eight (8) hours. This payment will not be paid for any portion of the temporary schedule change that overlaps the employee's regular work schedule and/or shift. Daily work shift adjustments, as defined in [Subsection 6.4 B](#) or extensions in the hours of work of an employee's daily work schedule and/or shift or a return to the employee's regular work schedule and/or shift do not constitute a temporary schedule change.

E. Permanent Schedule Changes

Employees' workweeks and work schedules may be permanently changed with prior notice from the Employer. Overtime-eligible engineering employees will receive seven (7) calendar days' written notice of a permanent schedule change. The day notification is given is considered the first day of notice. Failure to provide the proper notice under this provision will result in payment at one and one-half (1 1/2) times their base rate for the duration of the notice period not to exceed eight (8) hours. This payment will not be paid for any portion of the permanent schedule change that overlaps the employee's original schedule and/or shift. Adjustments or extensions in the hours of work of an employee's daily work schedule and/or shift do not constitute a permanent schedule change.

- F. When a change in an overtime-eligible engineering employee's assigned hours or shift is made on a same day basis, the employee may work their scheduled shift for that day only, unless the combined total hours would exceed sixteen (16) hours in a twenty-four (24) hour period. Overtime pay and shift or schedule change penalty pay will not be paid for the same incident.

G. Emergency/Unforeseen Schedule Changes

The Employer may adjust an overtime-eligible engineering employee's workweek, work schedule, and/or work shift without prior notice in emergencies, for highway snow, ice or avalanche removal, or unforeseen operational needs. Adjustments as prescribed in this provision will not result in penalty pay.

H. Employee-Requested Schedule Changes

Overtime-eligible engineer employees' workweeks and work schedules may be changed at the employee's request and with the Employer's approval. Requests will not be denied provided the Employer's business and customer service needs are met and no overtime expense is incurred. An employee may elect to waive shift premium.

- I. Overtime-eligible engineering employees will not be required to work in excess of sixteen (16) hours in any twenty-four (24) hour period except in

extreme emergencies. After working sixteen (16) hours in a twenty-four (24) hour period (meal and rest periods notwithstanding), DOT employees will be allowed a rest period of at least eight (8) hours off. If the eight (8) hours off overlap the employee's regular shift, up to eight (8) hours of such an overlap will be a paid reassignment to home for resting purposes.

J. Overtime-Eligible Engineering Employees in the Statewide Travel & Collision Data and the GIS & Roadway Data Offices

Positions assigned to field crews in the Travel Data & Analysis and Roadway Branch in the Statewide Travel & Collision Data and the GIS & Roadway Data Offices within the Washington State Department of Transportation require conditions of employment that necessitate adjustment of hours by employees. These positions will be assigned preset schedules and task assignments, which may require attendance at certain hours, arranged in such a manner so as to be accomplished within forty (40) hours within a workweek.

The employees are responsible to adjust their hours and breaks when assigned to field work to best accomplish their workload within forty (40) hours within the workweek, with the exception of those hours of an emergent nature.

These employees continue to be covered by [Subsections 6.4 A-I](#).

- K. When a vacancy occurs or when a new schedule is made available, current qualified Northwest Region Traffic Management Center (TMC) employees in the same classification may request to move into the available schedule. The Employer will consider, by current TMC seniority, the employee's request and make every effort to grant the request as long as the agency can meet business and customer service needs.

6.5 Overtime-Eligible Unpaid Meal Periods

The Employer and the Union agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements required by [WAC 296-126-092](#). Unpaid meal periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of thirty (30) minutes and will be scheduled as close to the middle of the work shift as possible. Employees working three (3) or more hours longer than a normal workday will be allowed an additional thirty (30) minute unpaid meal period. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume their unpaid meal period following the interruption, if possible, to complete the unpaid meal period. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined.

6.6 Overtime-Eligible Paid Meal Periods for Straight Shift Schedules

The Employer and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](#). Employees working straight shifts will not receive a paid meal period, but will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Paid meal periods for employees on straight shifts do not require relief from duty.

6.7 Overtime-Eligible Rest Periods

The Employer and the Union agree to rest periods that vary from and supersede the rest periods required by [WAC 296-126-092](#). Employees will be allowed rest periods of fifteen (15) minutes for each one-half (1/2) shift of four (4) or more hours worked at or near the middle of each one-half (1/2) shift of four (4) or more hours. Rest periods do not require relief from duty. Where the nature of the work allows employees to take intermittent rest periods equivalent to fifteen (15) minutes for each one-half (1/2) shift, scheduled rest periods are not required. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

6.8 Positive Time Reporting – Overtime-Eligible Employees

Overtime-eligible employees will accurately report time worked in accordance with a positive time reporting process as determined by each agency using agency timesheets.

6.9 Overtime-Exempt Employees

Overtime-exempt employees are not covered by federal or state overtime laws. Compensation is based on the premise that overtime-exempt employees are expected to work as many hours as necessary to provide the public services for which they were hired. These employees are accountable for their work product and for meeting the objectives of the agency for which they work. The Employer's policy for all overtime-exempt employees is as follows:

- A. The Employer determines the products, services and standards which must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. Overtime-exempt employees may be required to work specific hours to provide services, when deemed necessary by the Employer.
- C. The salary paid to overtime-exempt employees is full compensation for all hours worked.
- D. Appointing authorities may approve overtime-exempt employee accrual of exchange time for extraordinary and excessive hours worked. Exchange time may be accrued at straight time to a maximum of eighty (80) hours.

When an employee accrues forty (40) hours of exchange time, the employee and the Employer will develop a plan for the employee to use the accrued exchange time in the next ninety (90) days. Employees may request to use exchange time in lieu of sick leave and vacation leave. Exchange time has no cash value and cannot be transferred between agencies.

- E. If they give notification and receive the Employer's concurrence, overtime-exempt employees may alter their work hours. Employees are responsible for keeping management apprised of their schedules and their whereabouts.
- F. Prior approval from the Employer for the use of paid or unpaid leave for absences of two (2) or more hours is required, except for unanticipated sick leave.

6.10 Clean up Time

When necessary, employees will be allowed cleanup time during work hours.

6.11 WSP Shift Coverage, Bidding and Assignment

A. Shift Coverage

After the Employer determines shift coverage requirements, it will decide, by each station, how shifts will be assigned.

B. Shift Bidding

All stations will use voting procedures described below to determine shift bidding. A "show of interest" is defined as fifty-five percent (55%) of affected employees submitting their interest in writing:

1. Locations Not Currently Bidding Shifts:

If the station wants to adopt shift bidding, change the type of bidding (i.e., "straight" to "block"), or wants to change the duration of bids, a show of interest is required. Where there is a show of interest, the Employer will conduct a vote in November. If there is no show of interest, the station will return to rotating shifts.

2. Locations Currently Bidding Shifts:

Each November, the Employer will conduct a vote to decide whether shift bidding will continue for the following year. At the same time, if there is a show of interest for changing the type or duration of bids, the vote will include these options as applicable.

- a. All votes require fifty-five percent (55%) consent to pass. A non-vote or no preference vote is a "no" vote.
- b. By mutual agreement between the Employer and employees in each location, bid duration will be for three (3) months, six (6) months, or the entire year.

- c. The Employer can use up to twenty-five percent (25%) of the shifts as rotating shifts if necessary. In addition to the twenty-five percent (25%), the Employer may assign probationary employees to rotating shifts for up to one (1) year.
- d. Vacated or newly established shifts will not be available for bidding until the next bid cycle. An employee transferring into a location utilizing a shift bidding process will be scheduled into the vacated or new shift for the remainder of the current bidding period. A newly hired employee may be scheduled into the vacated or new shift for the remainder of the current bidding period.

When a new shift bid is presented, the employee will bid in order based on the criteria set forth in Subsections 3 and 4 below.

In the event of an emergency, the shift will be filled in the following order:

- i. The most senior volunteer, determined by time in classification then time in bargaining unit; and
- ii. The least senior employee on a shift compatible with the operational need.

3. Communications Officers and Communications Officer Assistants Shift Bidding:

- a. Bidding will be by unbroken seniority in the classification, then by unbroken seniority in the bargaining unit. If two (2) or more employees have the same seniority date, ties will be broken by lot for each shift.
- b. Employees working in tandem will bid based on the most senior tandem employee's seniority in accordance with Subsection (a) immediately above.
- c. Employees who complete trial service for six (6) months or less in state service outside of the bargaining unit, including six (6) months or less in an exempt position, will be accorded unbroken seniority in the classification and bargaining unit upon return to their previous classification.
- d. If a CO2 reverts or voluntarily demotes to a CO1 they will be accorded all unbroken time (including all previous CO1 and CO2 time) for shift bidding purposes.

- e. If a CO1 elevates or promotes back to the CO2 classification they will be accorded all previous CO2 time for shift bidding purposes, but will not be accorded previous CO1 time for such purposes.
- 4. CVO/CVEO Shift Bidding:
Bidding will be by seniority within the bargaining unit based upon total unbroken, permanent status. If two (2) or more employees have the same seniority date, ties will be broken by lot for each shift.
- 5. WSP Information Technology Specialist Shift Bidding:
Bidding will be by seniority that is based on an employee's length of unbroken state service within the work unit (WSP IT Division Customer Services Tier 1). Temporary assignments with WSP will not be considered a break in service for the purpose of shift bidding. If two (2) or more employees have the same seniority date, ties will be broken in the following order:
 - a. Longest continuous time with the agency;
 - b. Longest continuous time in state service;
 - c. By lot.

11.4 Vacation Scheduling for 24/7 Operations at the Washington State Patrol

- A. By January 31st of each year, employees who work in operations that are twenty-four (24) hours, seven (7) days a week, may submit in writing to their supervisor their preferences for different segments of vacation for the period March 1st of the same year through the end of the following February.

A “segment” is five (5) or more contiguous days of vacation leave. When all employees have selected their first vacation segment, employees may then pick a second vacation segment.

The Employer will compile and post a vacation leave schedule. Employees on this schedule will have priority and will be granted vacation leave at the times specified, if possible.

- B. In the event that two (2) or more employees request the same vacation period and the supervisor must limit the number of people who may take vacation leave at one (1) time due to business needs and work requirements, preference will be first by vacation segment (first or second), then by classification (i.e., CO2, then CO1/CO, then COA), then by seniority in the classification (i.e., CO2, then CO1/CO, then COA), then unbroken seniority in the bargaining unit. In the event two (2) or more employees have the same seniority date, ties will be broken by lot for each segment. Employees who voluntarily demote or complete trial service for six (6) months or less in state service outside of the bargaining unit, including six (6) months or less in an exempt position, will be accorded unbroken seniority in the classification and bargaining unit upon return to their previous classification.

Employees who revert or voluntarily demote from a classification within the bargaining unit will be accorded unbroken seniority in the classification and bargaining unit upon return to their previous classification.

- C. In addition to vacation leave approved in Subsection B above, employees may submit supplemental vacation leave requests at any time on a first-come, first-served basis. Approval of supplemental requests will take into consideration the annual vacation leave schedule, which will take precedence, as well as operational needs. Every effort will be made to grant supplemental vacation leave requests.
- D. Employees who have been approved to transfer to a new station prior to December 31 and will report to their new station by March 1, shall submit

vacation requests to the employee's new station in accordance with Subsections A, B, and C above. Employees who have been approved to transfer to a new station after December 31 shall submit vacation requests to the employee's new station in accordance with Subsection C above.

11.5 Vacation Scheduling for DOL-LSRs

- A. During November of each calendar year, LSRs will be given the opportunity to submit tentative requests for vacation leave throughout the following year; these requests will be considered as simultaneous. Leave will be granted based on business needs and work requirements, with consideration made to grant requests for the same time off when possible.

As part of the tentative leave process, up to two (2) LSRs will be authorized for vacation leave during non-peak months (October 1 – April 1) in LSOs with ten (10) to nineteen (19) LSRs. For LSOs with twenty (20) or more LSRs, up to three (3) LSRs will be authorized for vacation leave.

- B. The supervisor will then compile all tentative leave requests onto one (1) calendar or list and post. Leave requests will remain confidential until posting. Employees will have ten (10) working days to resolve any conflicts between requests. An employee's attempt to resolve a conflict cannot cause a new conflict with another tentative leave request.
- C. After the ten (10) day period, if more than one (1) employee has submitted a tentative leave request for the same time period, and all requests cannot be granted, the leave time will be granted by rotation based on seniority using the procedure approved by the Driver Examining Administrator. This process will be completed by the end of each calendar year.
- D. Seniority for this Section is defined as the last unbroken time worked in that Licensing Services Office.
- E. LSRs who transfer to another Licensing Services Office during the year will not maintain any pre-approved leave status. Should there be a conflict with the existing tentative vacation leave schedule in the new office, the LSR transferring in will be placed at the bottom of the tentative leave list.
- F. Leave slips for pre-approved tentative leave must be submitted electronically two (2) weeks or more prior to the requested leave. Failure to submit leave slips as required may result in the leave being cancelled.
- G. Outside of the tentative leave process, LSRs may request vacation leave at any time on a first-come, first-served basis. Approval of supplemental vacation leave requests will take into consideration the tentative leave schedule, which will take precedence, as well as operational needs. Every effort will be made to grant supplemental vacation leave requests.

11.6 Vacation Scheduling for All Employees

In the event the affected employee has incurred non-refundable, out-of-pocket vacation expense, the employee may be reimbursed by the Employer. Proof of payment may be required. Vacations approved prior to notification of reassignment will be honored for employees who are reassigned in accordance with [Article 42](#), Compensation, [Section 42.10](#).

11.11 Vacation Leave Maximum

Employees may accumulate maximum vacation balances not to exceed two hundred forty (240) hours. However, there are two (2) exceptions that allow vacation leave to accumulate above the maximum;

- A. If an employee's request for vacation leave is denied by the Employer, and the employee is close to the vacation leave maximum, an employee's vacation leave maximum will be extended for each month that the Employer must defer the employee's request for vacation leave.
- B. An employee may also accumulate vacation leave days in excess of two hundred forty (240) hours as long as the employee uses the excess balance prior to their anniversary date. Any leave in excess of the maximum that is not deferred in advance of its accrual as described above, will be lost on the employee's anniversary date.

11.12 Separation

Any employee who has been employed for at least six (6) continuous months will be entitled to payment for vacation leave credits when they:

All bargaining unit employees eligible to retire within those two (2) years will be eligible to vote.

12.8 Re-employment

Former state employees who are re-employed within five (5) years of leaving state service will be granted all unused sick leave credits they had at separation.

12.9 Carry Forward and Transfer

When an employee moves from one state agency to another, regardless of status, the employee's accrued sick leave will be transferred to the new agency for the employee's use.

ARTICLE 13 SHARED LEAVE

13.1 The purpose of the shared leave program is to permit state employees to come to the aid of their fellow state employees.

- A. State employees may donate vacation leave, sick leave or personal holidays to a fellow state employee who is:

1. Called to service in the uniformed services;
 2. Responding to a state of emergency anywhere within the United States declared by the federal or any state government;

This term will include foster children and legal wards even if they do not live in the household. The term does not include persons sharing the same general house, when the living style is primarily that of a dormitory or commune.

11. “Stalking” has the same meaning as in [RCW 9A.46.110](#).
12. “Victim” means a person that domestic violence, sexual assault, or stalking has been committed against as defined in this Section.

13.2 An employee may be eligible to receive shared leave under the following conditions:

- A. The employee’s agency head or designee determines that the employee meets the criteria described in this Section.
- B. For work-related illness or injury, the employee has diligently pursued and been found to be ineligible for benefits under [RCW 51.32](#) if the employee qualifies under Articles within this contract.
- C. The employee has abided by agency policies regarding the use of sick leave if the employee qualifies under Articles within this contract.

- D. The employee has abided by agency policies regarding the use of vacation leave and paid military leave if the employee qualifies under Articles within this contract.
- E. The employee has abided by agency policies regarding the use of sick leave if the employee qualifies under Subsection 13.3.A.5.
- F. A state of emergency has been declared anywhere within the United States by the federal or any state government if the employee qualifies under Subsection 13.3 A.3.
- G. Donated leave may be transferred from employees of one agency to an employee of the same agency or, with the approval of the heads or designees of both state agencies, higher education institutions, or school districts/educational service districts, to an employee of another state agency, higher education institution, or school district/educational district.

13.3 An employee may donate vacation leave, sick leave, or personal holiday to another employee only under the following conditions:

- A. The receiving employee:
 - 1. Suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature; or
 - 2. Has been called to service in the uniformed services; or
 - 3.  - 4. Is a victim of domestic violence, sexual assault, or stalking.
 - 5. Is taking parental leave and/or pregnancy disability leave.
- B. The illness, injury, impairment, condition, call to service, emergency volunteer service, consequence of domestic violence, sexual assault, or stalking, parental leave and/or pregnancy has caused, or is likely to cause, the receiving employee to:
 - 1. Go on leave without pay status; or
 - 2. Terminate state employment.
- C. The receiving employee's absence and the use of shared leave are justified.

- D. The receiving employee has depleted or will shortly deplete their:
1. Vacation leave, sick leave, and personal holiday reserves if the employee qualifies under Subsection 13.3 A.1; or
 2. Vacation leave and paid military leave allowed under [RCW 38.40.060](#) if the employee qualifies under Subsection 13.3 A.2.;
 3. Vacation leave and personal holiday if the employee qualifies under Subsection 13.3 A.3, or 13.3 A.4.
 4. Personal holiday and compensatory time if the employee qualifies under Subsection 13.3.A.5. The employee under this Subsection can retain in reserve up to forty (40) hours each of vacation and sick leave.
- E. The agency head or designee permits the leave to be shared with an eligible employee.
- F. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee's vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated.
- G. Employees may donate excess vacation leave that the donor would not be able to take due to an approaching anniversary date.
- H. The donating employee may donate any specified amount of sick leave, provided the donation does not cause the employee's sick leave balance to fall below one hundred seventy-six (176) hours after the transfer. For purposes of sick leave donation, a day equals the donor's monthly sick leave accrual.
- I. The donating employee may donate all or part of a personal holiday. Any portion of a personal holiday that is not used will be returned to the donating employee.

13.4 The agency head or designee will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of five hundred twenty-two (522) days of shared leave during total state employment, except that, the Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for an employee qualifying for the program because they are suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature. Shared leave received under the uniformed service shared leave pool in [RCW 41.04.685](#) is not included in this total. A non-permanent or on-call employee who is eligible to use accrued leave or personal holiday may not use shared leave

beyond the termination date specified in the non-permanent or on-call employee's appointment letter.

13.5 A. The agency head or designee will require the employee to submit, prior to approval or disapproval:

1. A medical certificate from a licensed physician or health care practitioner verifying the severe or extraordinary nature and expected duration of the condition when the employee is qualified under Subsection 13.3 A.1;
2. A copy of the military orders verifying the employee's required absence when the employee is qualified for shared leave under Subsection 13.3 A.2;
3. Proof of acceptance of an employee's offer to volunteer for either a governmental agency or nonprofit organization during a declared state of emergency when the employee is qualified for shared leave under Subsection 13.3 A.3;
4. Verification of the employee's status as a victim of domestic violence, sexual assault or stalking when the employee is qualified for shared leave under Subsection 13.3 A.4.
5. Verification of child birth or placement of adoption or foster care, or a medical certificate from a licensed physician or health care provider verifying the pregnancy disability when the employee is qualified under Subsection 13.3.A.5.

B. To the extent allowed by law, the agency will maintain the confidentiality of the verifying information unless disclosure is authorized in writing by the employee.

C. Where possible, the agency head or designee will respond in writing to shared leave requests within ten (10) working days of receipt of a properly submitted request.

13.6 Any donated leave may only be used by the recipient for the purposes specified in this Article.

13.7 The receiving employee will be paid their regular rate of pay; therefore, one (1) hour of shared leave may cover more or less than one (1) hour of the recipient's salary. The calculation of the recipient's leave value will be in accordance with the Office of Financial Management policies, regulations and procedures. The dollar value of the leave is converted from the donor to the recipient. The leave required will be coded as shared leave and be maintained separately from all other leave balances.

- 13.8** A. All forms of paid leave available for use by the recipient must be used prior to using shared leave when qualified under Subsection 13.3 A.1.
- B. All forms of paid leave, except sick leave, available for use by the recipient must be used prior to using shared leave when qualified under Subsection 13.3 A.2, 13.3 A.3, or 13.3 A.4.
- C. For shared leave qualified under Subsection 13.3.A.5, the employee is required to deplete their personal holiday and all compensatory time. The employee is also required to deplete vacation leave and sick leave that is over forty (40) hours in each category.
- 13.9** A. Any shared leave no longer needed or will not be needed at a future time in connection with the original injury or illness or for any other qualifying condition by the recipient, as determined by the agency head or designee, will be returned to the donor(s).
- B. Unused leave may not be returned until one of the following occurs:
1. The agency head or designee receives a doctor's statement verifying the injury or illness is resolved; or
 2. The employee is released to full-time employment; has not received additional medical treatment for their current condition or any other qualifying condition for at least six (6) months; and the employee's doctor has declined, in writing, the employee's request for a statement indicating the employee's condition has been resolved.
- C. The shared leave remaining will be divided among the donors on a prorated basis based on the original donated value and returned at its original donor value and reinstated to each donor's appropriate leave balance. The return will be prorated back based on the donor's original donation.
- 13.10** If an employee later has a need to use shared leave due to the same condition listed in their previously approved request, the agency head or designee must approve a new shared leave request for the employee.
- 13.11** All donated leave must be given voluntarily. No employee will be coerced, threatened, intimidated, or financially induced into donating leave for purposes of this program.
- 13.12** The agency will maintain records that contain sufficient information to provide for legislative review.
- 13.13** An employee who uses leave that is transferred under this Article will not be required to repay the value of the leave that they used.

ARTICLE 14

FAMILY AND MEDICAL LEAVE

14.1 Washington Family Leave Act (WFLA) effective until December 31, 2019

The parties recognize that the WFLS ([RCW 49.78](#)) is repealed and is only effective until December 31, 2019; therefore, any referenced to WFLA or the provisions of WFLA in this Article expire on December 31, 2019.

14.2 Washington Family Medical Leave Program effective January 1, 2020

The parties recognize that the Washington State Family and Medical Leave Program ([RCW 50A.04](#)) is in effect beginning January 1, 2020 and eligibility for and approval of leave for purposes as described under that Program shall be in accordance with [RCW 50A.04](#), those amendments are considered by the parties to be incorporated herein. In the event the legislature repeals all or part of [RCW 50A.04](#), those provisions that are repealed are considered by the parties to be expired and no longer in effect upon the effective date of their repeal.

14.3 A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and the Washington state Family Leave Act (WFLA) of 2006 and any amendments thereto, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of FMLA/WFLA leave in a twelve (12) month period for one or more of the following reasons 1-4:

1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;
2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
3. FMLA/WFLA leave to care for a spouse, son, daughter, parent, or domestic partner as defined by [RCWs 26.60.020](#) and [26.60.030](#) who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) weeks of FMLA;
4. FMLA/WFLA leave for a qualifying exigency when the employee's spouse, child of any age, or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country.

Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and

legal arrangements, attending certain counseling sessions, and attending post deployment reintegration briefings;

5. Military Caregiver Leave will be provided an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member. Eligible employees may take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During a single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to FMLA/WFLA leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
 - C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off, or shared leave.
- 14.4** The FMLA/WFLA leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins FMLA/WFLA leave. Each time an employee takes FMLA/WFLA leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) weeks of available leave.
 - 14.5** The Employer will continue the employee's existing Employer-paid health insurance benefits during the period of leave covered by FMLA/WFLA. The employee will be required to pay their share of health care premiums.
 - 14.6** The Employer has the authority to designate absences that meet the criteria of the FMLA/WFLA. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for an FMLA/WFLA qualifying event will run concurrently with, not in addition to, the use of the FMLA/WFLA leave for that event. The use of paid or unpaid leave will be at the employee's option. However, any employee using paid leave for a family medical leave qualifying event must follow the notice requirements relating to family medical leave usage in addition to any notice and certification relating to paid leave.

- 14.7** The Employer will use forms designated by the United States Department of Labor in the administration of FMLA.
- 14.8** A. Parental leave will be granted to the employee for the purpose of bonding with their newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by the FMLA/WFLA during the first year after the child's birth or placement. Leave beyond the period covered by the FMLA/WFLA may only be denied by the Employer due to operational necessity. Such denial may be grieved beginning at Step 3 of the grievance procedure in [Article 32](#).
- B. Parental leave may, at the employee's option, be a combination of the employee's accrued vacation leave, sick leave, personal holiday, compensatory time, or leave without pay. Sick leave may only be used for the same time period the employee is approved and using FMLA or WFLA leave for baby bonding purposes.
- 14.9** The Employer may require certification from the employee's, the family member's, or covered service member's health care provider for the purpose of qualifying for FMLA/WFLA.
- 14.10** Personal medical leave or serious health condition leave or serious injury or illness leave covered by FMLA/WFLA may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- 14.11** Upon returning to work after the employee's own FMLA/WFLA qualifying illness, the employee may be required to provide a fitness for duty certificate from a health care provider.
- 14.12** An employee returning from FMLA/WFLA leave will have return rights in accordance with FMLA and WFLA.
- 14.13** The employee will provide the Employer with not less than thirty (30) days' notice before the FMLA/WFLA leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee shall provide such notice as is reasonable and practicable.
- 14.14** Leave for pregnancy or childbirth related disability is in addition to any leave granted under FMLA/WFLA or Washington state family leave laws.
- 14.15** Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with agency policy. An employee may be required to submit medical certification or verification for the period of the disability. Such

leave due to pregnancy and/or childbirth may be a combination of sick leave, vacation leave, personal holiday, compensatory time, exchange time, and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

ARTICLE 15

SEVERE INCLEMENT WEATHER AND NATURAL DISASTER LEAVE

- 15.1** If the Employer decides that a state office or work location is non-operational or inaccessible due to severe inclement weather or natural disaster, or conditions caused by severe inclement weather or natural disaster, or other emergency circumstances the following will apply:
- A. Non-emergency employees may be released with no loss of pay during the disruption of services.
 - B. Non-emergency employees may be reassigned to similar positions at locations within a reasonable driving distance from the non-operational location during the disruption of services.
 - C. At the discretion of the Employer, non-emergency employees may be subject to a temporary layoff consistent with [Subsection 36.5](#) of [Article 36](#), Layoff and Recall, of this Agreement.
- 15.2** Employees who work their normal hours during the disruption will not receive additional compensation.
- 15.3** If a work location remains fully operational but an employee is unable to report to work or remain at work because of severe inclement weather or a natural disaster, the employee's leave will be charged in the following order:
- A. Any earned compensatory time, accrued vacation leave, and/or Personal Holiday.
 - B. Accrued sick leave, up to three (3) days in a calendar year, provided the employee has first exhausted all of their accrued leave in Section A immediately above.

Employees may take Leave Without Pay in lieu of Section A or Section B immediately above.

Upon mutual agreement between the Employer and the employee, an employee may be allowed to make up lost work time in lieu of using paid leave. The make up of lost work time must be performed within the same workweek the lost work time occurred.

- 15.4** Employees who report to work late due to severe inclement weather will be allowed up to one (1) hour of paid time. Section 15.3 will apply to any additional late time.

- 15.5** If the Director or Secretary or designee of an agency determines a state office or work location is non-operational after the work shift has begun, employees will be released for the balance of the day without loss of pay. An employee who was unable to report to work because of severe inclement weather or a natural disaster or conditions caused by severe inclement weather or a natural disaster and is on leave in accordance with Subsection 15.3 of this Article, will be compensated for the balance of their work shift remaining after the determination that the state office or work location is non-operational and will not be charged leave for that time. An employee who is on approved leave for reasons other than severe inclement weather or a natural disaster will not have their leave restored.

ARTICLE 16

- B. To receive assessment from the Employee Assistance Program;
- C. To serve as a member of a jury; or
- D. To appear in court or an administrative hearing, as specifically provided below.
- E. Bereavement leave may be used for a death of any relative that requires the employee's absence from work. Leave for bereavement is limited to three (3) days or as extended by the agency for travel. Relatives are defined for this purpose as spouse, domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), significant other, child, stepchild, grandchild, foster child, custodial child, unborn or miscarried child, child-in-law, grandparent, parent, stepparent, sibling, sibling-in-law, aunt, uncle, niece, nephew, first cousin, and corresponding relatives of employee's spouse, domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), or significant other.

In addition to paid bereavement leave, The Employer may approve an employee's request to use compensatory time, sick leave, vacation time, exchange time, personal holiday, personal leave day or leave without pay for purposes of bereavement and in accordance with this Agreement.

- F. For life-giving procedures, when approved in advance
When approved, employees will receive paid leave, not to exceed five (5) working days in a two (2) year period, for participating in life-giving procedures. "Life-giving procedure" is defined as a medically-supervised procedure involving the testing, sampling, or donation of blood, platelets, organs, fluids, tissues, and other human body components for the purposes

of donation, without compensation, to a person or organization for medically necessary treatments. Employees will provide reasonable advance notice and written proof from an accredited medical institution, physician or other medical professional that the employee participated in a life-giving procedure. Agencies may take into account program and staffing replacement requirements in the scheduling of leave for life-giving procedures.

16.2 Examinations/Interviews

When approved, employees will receive paid leave for attendance at examinations or interviews for state employment. Leave may include reasonable travel time, travel expenses, and/or per diem.

16.3 Employee Assistance Program

When approved, employees will receive paid leave to receive assessment from the Employee Assistance Program. Leave may include reasonable travel time.

16.4 Jury Duty

Employees will receive paid leave and be allowed to retain any compensation paid to them for their jury duty service. Employees will promptly inform the Employer when notified of their jury summons.

16.5 Witness/Subpoena

Employees will promptly inform the Employer when they receive a subpoena. A subpoenaed employee will receive paid leave, during scheduled work time, to appear as a witness in court or an administrative hearing for work-related cases, or as a witness in a criminal proceeding unless they:

- A. Are a party in the matter and are not represented by the Attorney General's Office of the State of Washington; or
- B. Have an economic interest in the matter.

However, nothing in this Section shall preclude an employee from receiving regular pay to appear in court or an administrative hearing on behalf of the Employer.

16.6 Except as otherwise noted in this Article, employees shall not be eligible for per diem or travel expenses under this Article.

16.7 Personal Leave Day

- A. An employee may choose one (1) workday as a personal leave day each fiscal year during the life of this Agreement if the employee has been continuously employed for more than four (4) months.
- B. The Employer will release the employee from work on the day selected for personal leave if:

1. The employee has given at least fourteen (14) calendar days' written notice to their supervisor. However, the supervisor has the discretion to allow a shorter notice period.
 2. The number of employees selecting a particular day off does not prevent the agency from providing continued public service.
 3. For positions requiring backfill or relief, the release from duty will not cause an increase in agency costs due to the need to provide coverage for the employee's absence.
- C. Personal leave may not be carried over from one (1) fiscal year to the next.
- D. Part-time and on-call employees who are employed during the month in which the personal leave day is taken will be compensated for the personal leave day in an amount proportionate to the time in pay status during the month to that required for full-time employment.
- E. Upon request, an employee will be approved to use part or all of their personal leave day for:

 3. Leave as required by the Domestic Violence Leave Act, [RCW 49.76](#).

An employee may examine their own personnel and supervisory files. All references to "supervisory file" in this Agreement refer to a file kept by the employee's first-line supervisor. Written authorization from the employee is required before any representative of the employee will be granted access to the personnel file. Review of the personnel file will be in the presence of a human resource representative during business hours. An employee will not be required to take leave to review their personnel file. The employee and/or representative may not remove any contents; however, an employee may provide a written rebuttal to any information in the file that they consider objectionable. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or their representative. Nothing will preclude the maintenance of all lawful files and records as needed by the Employer.
- 27.2** Employees may insert a reasonable amount of job-related material in their personnel file that reflects favorably on their job performance.
- 27.3** Adverse material or information related to alleged misconduct that is determined to be false, and all such information in situations where the employee has been fully exonerated of wrongdoing, will be promptly removed from the official personnel

file. The Employer may retain this information in a legal defense file and it will only be released or used when required by a regulatory agency (acting in their regulatory capacity) in the defense of an appeal or legal action, or as otherwise required by law. If the agency is required to release such materials under a Public Disclosure Request, the employee will be notified prior to the agency release of such information.

- 27.4 When documents in an employee's personnel, payroll, supervisor, training, safety, or medical file are the subject of a public disclosure request, the Employer will provide the employee notice of the request at least seven (7) calendar days in advance of the intended release date. If the Employer receives a public disclosure request for personal information for the entire membership of the Union working for the Employer, the Employer shall notify the Union as soon as possible and prior to the release of the information.

- 27.6 Medical files will be kept separate and confidential in accordance with state and federal law.

- 29.3** The Employer has the authority to determine the method of conducting investigations. Upon request, the Employer will provide an explanation to the employee and the Union of the current status of the investigation (for example: interviews still being conducted, drafting of investigative report, waiting for analysis of data), next steps and approximate timeframe for completion. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a notification that the investigation is completed and that no discipline will be imposed.

Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative.

The role of the representative is to provide assistance and counsel to the employee and cooperate with the investigation, and not interfere with the Employer's right to conduct the investigation. Every effort will be made to cooperate in the investigation.

Employees placed on an alternate assignment during an investigation will not be prohibited from contacting their union steward unless there is a conflict of interest, in which case the employee may contact another union steward. This does not preclude the Employer from restricting an employee's access to agency premises.

- 29.4** Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee in writing of the reasons for the contemplated discipline and an explanation of the evidence. The Employer will provide the Union with a copy. The employee will be provided an opportunity to respond either at a meeting scheduled by the Employer, or in writing if the employee prefers. A pre-disciplinary meeting with the Employer will be considered time worked.
- 29.5** The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 32](#). The Employer will provide an employee

with fifteen (15) calendar days' written notice prior to the effective date of a reduction in pay or demotion. If grieved, the effective date of the discipline will be considered the occurrence giving rise to the grievance. Oral and written reprimands, however, may only be processed through the agency head step of the grievance procedure.

29.6 Removal of Documents

- A. Written reprimands will be removed from an employee's personnel file or from the WSP disciplinary file after three (3) years if:
 - 1. Circumstances do not warrant a longer retention period; and
 - 2. There has been no subsequent discipline; and
 - 3. The employee submits a written request for its removal.
- B. Records of disciplinary actions involving reductions-in-pay, suspensions or demotions, and written reprimands not removed after three (3) years will be removed after six (6) years if:
 - 1. Circumstances do not warrant a longer retention period; and
 - 2. There has been no subsequent discipline; and
 - 3. The employee submits a written request for its removal.
- C. The Employer will provide a written response to the employee request in Sections A and B above.
- D. Nothing in this Section will prevent the Employer from agreeing to an earlier removal date, unless to do so would violate [RCW 41.06.450](#).
- E. Any disciplinary action that meets the criteria in Sections A and B above will not be used as evidence to support additional discipline.

ARTICLE 30 PRESUMPTION OF RESIGNATION

30.1 Unauthorized Absence

When an employee has been absent without authorized leave and has failed to contact the Employer for a period of three (3) consecutive work days, the employee is presumed to have resigned from their position. The Employer will make reasonable attempts to contact the employee to determine the cause of the absence. Such reasonable attempts will include calling the employee at their contact phone number and any emergency contacts on file with the Employer.

30.2 Notice of Separation

When an employee's resignation is presumed in accordance with [Section 30.1](#) above, the Employer will separate the employee by sending a separation notice to the employee by certified mail to the last known address of the employee. Such

notice will include information regarding eligibility for continuation of medical benefits.

30.3 Petition for Reinstatement

An employee who has received a separation notice in accordance with [Section 30.2](#), above, may petition the Employer in writing to consider reinstatement. The employee must provide proof that the absence was involuntary or unavoidable. The petition must be received by the Employer or postmarked within seven (7) calendar days after the separation notice was deposited in the United States mail.

30.4 Grievability

Denial of a petition for reinstatement is grievable. The grievance may not be based on information other than that shared with the Employer at the time of the petition for reinstatement.

**ARTICLE 31
UNION ACTIVITIES**

31.1 Representation

Upon request, employees will have the right to representation at all levels on any matter adversely affecting their conditions of employment. The exercise of this right will not unreasonably delay or postpone a meeting. Except as otherwise specified in this Agreement, representation will not apply to discussions with an employee in the normal course of duty, such as giving instructions, assigning work, informal discussions, delivery of paperwork, staff or work unit meetings, or other routine communications with an employee.

31.2 Staff Representatives

- A. The Union will provide the Employer with a written list of staff representatives and the jurisdictions for which they are responsible. The Union will provide written notice to the Employer of any changes within thirty (30) calendar days of the changes.
- B. Staff representatives may have access to the Employer's offices or facilities in non-work areas, as designated by the Employer, to carry out representational activities. The representatives will notify local management prior to their arrival and will not interrupt the normal operations of the agency. The staff representative may meet with bargaining unit employees in non-work areas during their meal periods, rest periods, and before and after their shifts.

31.3 Union Stewards

- A. The Union will provide the Employer with a written list of current union stewards and the office, facility or geographic jurisdiction within the bargaining unit for which they are responsible. The Union will maintain the list. The Employer will not recognize an employee as a union steward if their name does not appear on the list.

- B. Union stewards will be provided reasonable time during their normal working hours to investigate and process grievances in accordance with [Article 32](#), Grievance Procedure. In addition, union stewards will be released during their normal working hours to prepare for and attend meetings scheduled by management which are located within the steward's office, facility, or geographic jurisdictional area for the following representational activities:
1. Management-scheduled investigatory interviews and pre-disciplinary meetings, in accordance with [Article 29](#), Discipline, and/or
 2. Fifteen (15) minutes to orient new employees at their work site.
 3. Management-scheduled informal grievance resolution meetings, grievance meetings, mediation sessions and arbitration hearings in accordance with [Article 32](#), Grievance Procedure.
 4. Meetings with an employee or union staff to discuss a potential grievance.
 5. At the request of an employee, where they have a right to representation in accordance with [Article 31.1](#).

The union steward will obtain approval from their supervisor before attending any meeting during the steward's working hours. Notification will include the approximate amount of time the steward expects the activity to take. Any agency business requiring the steward's immediate attention will be completed prior to attending the meeting. Attendance at meetings during the union steward's non-work hours will not be considered as time worked and no overtime will be authorized. Union stewards may not use state vehicles to travel to and from a work site in order to perform representational activities, unless authorized by the agency.

- C. If the amount of time a union steward spends performing representational responsibilities is affecting their ability to accomplish assigned duties, the Employer will not continue to release the employee and the Union will be notified immediately.
- D. The Union will be allowed to make up to a thirty (30) minute presentation at DOL/WSP in-service training(s).

31.4 Employees

- A. With prior approval from their supervisor, an employee will be provided reasonable time during their normal working hours to attend:

1. Informal grievance resolution meetings, grievance meetings, mediation sessions and arbitration hearings scheduled by the Employer in accordance with [Article 32](#), Grievance Procedure.
 2. Meetings with a union steward and/or staff representative to discuss a potential grievance.
- B. An employee will be provided work time to attend an investigatory interview and/or pre-disciplinary meeting scheduled by the Employer in accordance with [Article 29](#), Discipline.
- C. An employee must obtain prior approval from their supervisor in order to attend a meeting or hearing. Notification must include the approximate amount of time the employee expects the meeting or hearing to take. As determined by the supervisor, any agency business requiring the employee's immediate attention must be completed prior to attending the meeting or hearing. An employee cannot use a state vehicle to travel to and from a work site unless authorized by the agency.
- D. For WSP CVEO/CVO
In the event an employee is involved in the use of force, the Employer will attempt to contact a union representative and inform them that a use of force incident has occurred, the name of the involved employee, and the location of the incident. A supervisor at the scene will allow the employee to use Agency equipment to consult with a union representative. Employees involved in the use of force will be allowed to consult with a union representative prior to being asked to give an oral or written statement about the use of force. Such right to consult with a representative will not unduly delay the giving of the oral or written statement or prevent the Employer from obtaining critical information regarding the status of the incident, e.g. suspect(s) still at large or the location of critical evidence.

31.5 Use of State Facilities, Resources and Equipment

- A. Meeting Space and Facilities
The Employer's offices and facilities may be used by the Union to hold meetings, subject to the Agency's policy, availability of the space and with prior authorization of the Employer.
- B. Supplies and Equipment
The Union and its membership will not use state-purchased supplies or equipment to conduct union business or representational activities, except as provided for in this Agreement. This does not preclude the use of the telephone for representational activities seeking a representative if there is little or no cost to the Employer and the call does not disrupt or distract from agency business.

C. E-mail, Fax Machines, the Internet, and Intranets

The Union and its members will not use state-owned or operated e-mail, fax machines, the Internet, or intranets to communicate with one another. However, such resources may be used to request union representation and for the administration of this Agreement when such use will:

1. Result in little or no cost to the Employer;
2. Be brief in duration and frequency;
3. Not interfere with the performance of their official duties;
4. Not distract from the conduct of state business;
5. Not disrupt other state employees and will not obligate other employees to make a personal use of state resources; and
6. Not compromise the security or integrity of state information or software.

The Union and its shop stewards will not use the above-referenced state equipment for union organizing, internal union business, advocating for or against the Union in an election or any other purpose prohibited by the Executive Ethics Board. Communication that occurs over state owned/operated equipment is the property of the Employer and may be subject to public disclosure.

31.6 Bulletin Boards

The Employer will maintain bulletin board(s) or space on existing bulletin boards currently provided to the Union for union communication. In bargaining units where no bulletin board or space on existing bulletin boards has been provided, the Employer will supply the Union with a board or space. Material posted on the bulletin board will be appropriate to the workplace, politically non-partisan, in compliance with state ethic laws, and identified as union literature. Union communications may not be posted in any other location in the agency.

31.7 Time Off for Union Activities

- A. Union-designated employees may be allowed time off without pay to attend union-sponsored meetings, training sessions, conferences, and conventions. The employee's time off will not interfere with the operating needs of the agency as determined by management. If the absence is approved, the employees may use accumulated compensatory time, exchange time, personal holiday or vacation leave instead of leave without pay. However, employees must use compensatory time prior to their use of vacation leave, unless the use would result in the loss of their vacation leave.

The Union will give the Employer a written list of the names of the employees it is requesting attend the above-listed activities, at least fourteen (14) calendar days prior to the activity.

31.8 Access to New Employees

Within ninety (90) days of a new employee's start date, the Employer will provide the Union access to the employee's regular worksite, for no less than thirty (30) minutes during the employee's regular work hours, to present information about the Union and this Agreement. This presentation may occur during a new employee orientation provided by the Employer or at another time and location mutually agreed to by the Employer and the Union. No employee will be required to attend the presentation given by the Union.

ARTICLE 32
GRIEVANCE PROCEDURE

32.1 The purpose of this Article is to provide for an orderly method of resolving disputes over the provisions of this Agreement. The Union and Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity, informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes and to engage in problem resolution. If such an informal manner cannot resolve the dispute, this Article provides a formal process for problem resolution.

32.2 Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been a misapplication, misinterpretation, or violation of this Agreement, which occurred during the term of this Agreement. The term "grievant" as used in this Article includes the term "grievants."

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees. In the event the grievance encompasses a group of employees and the Union does not readily know the names of the employees at the time of filing, the Union will provide the names of the employees by the Step 2 meeting of the grievance procedure.

C. Computation of Time

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances,

appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

The parties will abide by the timelines unless an extension of time is agreed to in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must be filed on a Grievance Form and must include the following information or it will not be processed:

1. The nature of the grievance;
2. The facts upon which the grievance is based;
3. The specific Article and Section of the Agreement violated;
4. The specific remedy requested;
5. The name of the grievant; and
6. The name and signature of the union steward or staff representative.

F. Modifications

No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

I. Resubmission

If terminated, resolved or withdrawn, a grievance cannot be resubmitted.

J. Pay

Union stewards will be provided a reasonable amount of time during their normal working hours to investigate and process grievances through the agency head step of the grievance procedure within the union steward's office, facility, or geographic jurisdiction within their bargaining unit.

Grievants will be provided a reasonable amount of time during their normal working hours to meet with the union steward and/or staff representative to process a grievance and to prepare for meetings with the Employer. The grievant will obtain approval from their supervisor before attending a meeting. Notification will include the approximate amount of time the grievant expects the activity to take. Any agency business requiring the

employee's immediate attention will be completed prior to attending the meeting. Attendance at meetings during the grievant's non-work hours will not be considered as time worked and no overtime will be authorized. Grievants may not use state vehicles to travel to and from a work site in order to prepare or process a grievance, unless authorized by the agency.

Grievants and union stewards will suffer no loss in pay for attending meetings with the Employer that are scheduled during their work time. Such meetings include attending informal dispute resolution meetings, grievance meetings, alternative dispute resolution sessions to resolve a potential grievance, the meetings required at each step of the grievance process and arbitration hearings.

Grievants and union stewards will not be paid for the meetings with the Employer specified above which are held outside their normal working hours. However, employee-requested schedule changes will be approved to accommodate grievance meetings with the Employer and arbitration hearings.

K. Group Grievances

No more than five (5) grievants will be permitted to attend a single grievance meeting, through arbitration.

L. Consolidation

The parties may agree to consolidate grievances arising out of the same set of facts.

M. Bypass

Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

N. Discipline

Disciplinary grievances will be initiated at the level at which the disputed action was taken.

O. Grievance Files

Written grievances and responses will be maintained separately from the personnel files of the employees.

P. Alternative Resolution Methods

Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

32.3 Filing and Processing

A. Filing

A grievance must be filed within twenty-one (21) days of the occurrence giving rise to the grievance or the date the grievant knew or could reasonably have known of the occurrence.

The employee may first discuss the issue with the immediate supervisor in an attempt to informally resolve the issue. The employee may elect to have a union steward present.

Even when informal discussions occur, the written grievance must be filed no later than the twenty-one (21) days described above, unless the parties agree in writing to extend the timelines.

B. Processing

Step 1: Responsible Supervisor or Manager

If the issue is not resolved informally, the Union may file a written grievance with the employee's supervisor or designee with a copy to the agency's Human Resources Office, within the twenty-one (21) day period described above. The Employer will designate a responsible supervisor or manager who will meet or confer by telephone with a union steward and/or staff representative, and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting.

Note: The Department of Transportation (DOT) will bypass Step 1.

Step 2: Appointing Authority or Designee

For the Department of Licensing and Washington State Patrol: If the grievance is not resolved at Step 1, the Union may request a Step 2 meeting by filing the written grievance, with the Appointing Authority, with a copy to the agency's Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 1 decision.

For WSDOT: If the issue is not resolved informally, the Union may file a written grievance with the employee's Appointing Authority with a copy to the agency's Human Resources Office within the twenty-one (21) day period described in [Article 32.3 A](#).

In either case, the Appointing Authority or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal and will respond in writing to the Union within fifteen (15) days after the meeting.

Step 3: Agency Head or Designee

If the grievance is not resolved at Step 2, the Union may request a Step 3 meeting by filing with the agency head, with a copy to the agency's Human Resources Office, within fifteen (15) days of the Union's receipt of the

Step 2 decision. The agency head or designee will meet or confer by telephone with a union steward and/or staff representative, and the grievant within fifteen (15) days of receipt of the appeal, and will respond in writing to the Union within fifteen (15) days after the meeting.

Note: If the agency head is the only Appointing Authority for the agency, Step 3 will be bypassed.

Step 4: Mediation or Pre-Arbitration Review Meetings (PARM)

1. Disciplinary and Disability Separation Grievances

If the grievance is not resolved at Step 3, the Union may file a request for mediation with the Public Employment Relations Commission (PERC) in accordance with [WAC 391-55-020](#), with a copy to the OFM State Human Resources Labor Relations Section (LRS) at labor.relations@ofm.wa.gov and the agency's Human Resources Office within fifteen (15) days of receipt of the Step 3 decision. In addition to all other filing requirements, the request for mediation must also include a copy of the grievance and all previous responses.

2. Non-Disciplinary Grievances

If the grievance is not resolved at Step 3, the Union may request a pre-arbitration review meeting by filing the written grievance with the Section Chief of the OFM State Human Resources Labor Relations Section (LRS), with a copy to the agency's Human Resources Office, within fifteen (15) days of receipt of the Step 3 decision. Within fifteen (15) days of the receipt of the arbitration demand, the OFM/SHR/LRS will either:

- a. Notify the Union in writing that a pre-arbitration review meeting will be scheduled with the LRS Section Chief or designee, agency representative(s), Union's staff representative(s) and grievant to review and attempt to settle the dispute; or
- b. Notify the Union in writing that no pre-arbitration review meeting will be scheduled.

Step 5: Arbitration

If the grievance is not resolved at Step 4, or the LRS Section Chief or designee notifies the Union in writing that no pre-arbitration review meeting will be scheduled, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the American Arbitration Association (AAA) or PERC within thirty (30) days of the mediation session, pre-arbitration review meeting or receipt of the notice that no pre-arbitration review meeting will be scheduled.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names and will follow the Labor Arbitration Rules of the AAA or PERC rules unless they agree otherwise in writing.

D. Authority of the Arbitrator

1. The arbitrator will:

- a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement.
- b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it.
- c. Not make any decision that would result in the violation of this Agreement.
- d. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement.
- e. Not have the authority to order the Employer to modify their staffing levels or to direct staff to work overtime.

2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.

3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.

2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.

3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided

to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.

4. Each party is responsible for the costs of its attorneys, staff representatives, and all other costs related to the development and presentation of their case. When an employee is subpoenaed as a witness on behalf of the Union in an arbitration case, the employee may appear without loss of pay if they appear during their work time, providing the testimony given is related to their job function or involves matters they have witnessed and is relevant to the arbitration case. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel and per diem expenses for its witnesses, the grievant and union steward.

- F. Grievances filed during the term of the 2019-2021 Agreement will be processed to completion in accordance with the provisions of the 2019-2021 Agreement.

ARTICLE 33

EMPLOYEE ASSISTANCE PROGRAM

- 33.1 The Department of Enterprise Services is responsible for the employee assistance program. Individual employees' participation in the employee assistance program and all individually identifiable information gathered in the process of conducting the program shall be held in strict confidence; except the Employer may be provided with the following information about employees referred by the Employer due to poor job performance:
 - A. Whether or not the referred employee made an appointment;
 - B. The date and time the employee arrived and departed;
 - C. Whether the employee agreed to follow the advice of counselors; and
 - D. Whether further appointments were scheduled.
- 33.2 Participation or non-participation by any employee in the employee assistance program shall not be a factor in any decision affecting an employee's job security, promotional opportunities, disciplinary action, or other employment rights. However, nothing relieves employees from the responsibility of performing their jobs in an acceptable manner.

ARTICLE 34

REASONABLE ACCOMMODATION AND DISABILITY SEPARATION

- 34.1 The Employer and the Union will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.

- 34.2** A. An employee who believes that they have a disability and requires a reasonable accommodation to perform the essential functions of their position may request such an accommodation by submitting a request to the Employer.
- B. When the Employer receives such request or an inquiry from an employee regarding reasonable accommodation, the Agency's Human Resources Department will provide an explanation of the reasonable accommodation process, including disability separation, as well as a copy of the agency policy to the employee. This subsection is not subject to the grievance procedure as outlined in [Article 32](#).
- 34.3** Employees requesting accommodation must cooperate with the Employer in discussing the need for and possible form of any accommodation. The Employer may require supporting medical documentation and may require the employee to obtain a second medical opinion at the Employer's expense. Medical information disclosed to the Employer will be kept confidential.
- 34.4** The Employer will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided. The Employer will attempt to accommodate the employee in their current position prior to looking at accommodation in alternative positions. During the formal reassignment process for a permanent accommodation, the Employer will consider positions statewide based upon the employee's geographic availability. For temporary accommodations, the Employer may look outside the employee's specific work organization and work location in determining whether a temporary accommodation is available.
- 34.5** An employee with permanent status may be separated from service when the agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the agency based on an employee's written request for disability separation or after obtaining a written statement from a physician or licensed mental health professional. The agency can require an employee to obtain a medical examination at the agency's expense, from a physician or licensed mental health professional of the agency's choice. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations.
- 34.6** The agency will provide at least seven (7) calendar days' notice to the employee prior to separation when the agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position, or when the employee requests separation due to disability. The disability separation notice will include information on how to reapply for employment.

34.7 Re-Employment by Former Agency

Employers must provide special re-employment assistance to separated former permanent status classified employees of the Employer for two (2) years following separation due to disability.

34.8 An employee separated due to disability will be placed in the General Government Transition Pool Program if they submit a written request for re-employment in accordance with [WAC 357-46-090](#) through [105](#) and has met the re-employment requirements of [WAC 357-19-475](#).

34.9 Disability separation is not a disciplinary action. An employee who has been separated because of a disability may grieve their disability separation in accordance with [Article 32](#), Grievance Procedure, unless the separation was at the employee's request.

**ARTICLE 35
SENIORITY**

This Article has been modified by an [MOU](#) effective February 26, 2021.

35.1 Definition

A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on-call employees will be based on actual hours worked. Actual hours worked includes all regular and overtime hours worked, and all paid holiday and leave hours, and excludes compensatory time off. For purposes of calculating actual hours worked for part-time and on-call employees, forty (40) hours will equal seven (7) days of seniority. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when the leave without pay is taken for:

1. Military leave or United States Public Health Service leave;
2. Compensable work-related injury or illness leave;
3. Governmental service leave and leave to enter the Peace Corps, not to exceed twenty-seven (27) months;
4. Educational leave, contingent upon successful completion of the coursework;
5. Reducing the effects of layoff; and/or
6. Leave authorized by a governor's proclamation directly related to health and safety.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward in an amount equal to the duration of the leave without pay. Time spent on a temporary layoff in accordance with [Article 36.5](#), Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff, and are re-employed within three (3) years of their separation date, will not be considered to have a break in service. For purposes of calculating actual hours worked for part-time or on-call employees, forty (40) hours will equal seven (7) days of seniority.

- B. As provided for in [RCW 41.06.133](#) (1) (m), for the purposes of layoff, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse or domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#).
- C. When an agreement is reached between the employer and an employee to have the employee move from full-time, part-time or on call, the employee will not suffer a break in service.

35.2 Ties

If two (2) or more employees have the same unbroken state service date, ties will be broken in the following order:

- A. Longest continuous time within their current job classification;
- B. Longest continuous time with the agency; and
- C. By lot.

35.3 Seniority List

The Employer will prepare and post a seniority list. The list will be posted annually for the purpose of informing employees of possible changes to their seniority date. The list will contain each employee's name, job classification and seniority date as established under Subsection 35.1 A. Employees who may have seniority credit accrued under Subsection 35.1 B will be denoted by an asterisk next to their seniority date and will be expected to contact the Human Resources Office in order to confirm the amount of credit. Agencies will notify their employees when the list is posted. Employees will have twenty-one (21) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct. A copy of the seniority list will be provided to the Union at the time of posting.

ARTICLE 36 LAYOFF AND RECALL

- 36.1** Layoff is an Employer-initiated action, taken in accordance with [Section 36.2](#) below, that results in:

- A. Separation from service with the Employer;
- B. Employment in a class with a lower salary range;
- C. Reduction in the work year; or
- D. Reduction in the number of work hours.

The Employer will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article. Whenever possible, the Employer will notify the Union of major layoff actions, described in [Subsections 36.2 A, B and C](#) below, thirty (30) days prior to implementation.

36.2 Basis for Layoff

Layoffs may occur for any of the following reasons:

- A. Lack of funds.
- B. Lack of work.
- C. Good faith reorganization.
- D. Ineligibility to continue in a position that was reallocated.
- E. Termination of a project.
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

36.3 Voluntary Layoff, Leave Without Pay or Reduction in Hours

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce their hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based upon staffing needs. Employees who volunteer to be laid off may request to have their names placed on the internal layoff list for the job classifications in which they held permanent status and/or participate in the General Government Transition Pool program.

36.4 Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

36.5 Temporary Layoff – Employer Option

- A. The Employer may temporarily lay off an employee for up to twenty-five (25) calendar days per biennium due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive notice of

seven (7) calendar days of a temporary layoff. The Employer will not use a temporary layoff for disciplinary purposes. WSDOT will pursue the assignment of other regional work to affected employees prior to a temporary layoff for lack of work.

- B. An employee who is temporarily laid off will not be entitled to:
 - 1. Be paid any leave balance;
 - 2. Bump to any other position; or
 - 3. Be placed on the internal layoff list.
- C. A temporary layoff will not affect an employee's periodic increment date, will not constitute a break in service as defined by [Article 35.1](#) A and the employee will continue to accrue vacation and sick leave credit at their normal rate.

36.6 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in [Appendix B](#).

36.7 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in [Article 35](#), Seniority, among the group of employees with the required skills and abilities. Skills and abilities for layoff purposes are documented qualifications that have been identified at least three (3) months prior to the layoff and require a reasonable period to acquire, as determined by the Employer. The Employer may require updated information from the employee regarding their current skills and abilities. Employees being laid off will be provided the following options to comparable positions in descending order within the layoff unit:
 - 1. A funded vacant position for which the employee has the skills and abilities, within their current job classification.
 - 2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within their current job classification.
 - 3. A funded vacant or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as their current permanent position, within a job classification in which the employee has held permanent status.

- B. Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions.
- C. If a job classification in which an employee has previously held status has been abolished or revised, a crosswalk to the classification series will be used to identify any layoff option(s). The employee must have the skills and abilities of any identified position.
- D. For employees who have transitioned into the IT Professional Structure on July 1, 2019, layoff options within the layoff unit will be determined as follows:
 - 1.
 - a. A funded vacant position within their current permanent job family and level for which the employee has the skills and abilities.
 - b. A funded vacant position within another job family and level at the same salary range for which the employee has the skills and abilities.
 - 2.
 - a. A funded filled position held by the least senior employee within their current permanent job family and level for which the employee has the skills and abilities.
 - b. A funded filled position held by the least senior employee within another job family and level within the same salary range as their current permanent job family and level for which the employee has the skills and abilities.
 - 3. A funded or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as their current permanent position within a job classification in which the employee has held permanent status or, at the employee's written request, to a lower classification within a job classification series that the employee has held permanent status, even if the employee has not held permanent status in the lower job classification.

Options will be provided in descending order of salary range and one (1) progressively lower at a time. Vacant positions will be offered prior to filled positions. Part-time employees only have formal options to part-time positions. Full-time employees only have formal options to full-time positions. For employees in the IT Professional Structure hired on or before June 30, 2019, the IT Assessment form will be used to identify available layoff options within the IT Professional Structure.

36.8 Informal Options

Employees being laid off may be offered funded vacant positions within their layoff unit or funded vacant project positions, provided they meet the skills and abilities required of the position and it is at the same or lower salary range as the position in which they currently hold permanent status. The Employer may require updated information from employees regarding their current skills and abilities.

36.9 Notification to Employees with Permanent Status

- A. Except for temporary layoffs as provided in [Subsection 36.5](#), employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Union will be provided with a copy of the notice.
- B. Except for temporary layoffs as provided in [Subsection 36.5](#), if the Employer chooses to implement a layoff action without providing fifteen (15) calendar days' notice, the employee will be paid their salary for the days that they would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the Employer to the employee.
- D. The day that notification is given constitutes the first day of notice.

36.10 Salary

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Transfer or Bump
An employee who accepts a transfer or bumps to another position within their current job classification will retain their current base salary.
- B. Voluntary Demotion in Lieu of Layoff and Bump to a Lower Position
An employee who bumps to another position with a lower salary range will be paid an amount equal to their current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.
- C. Appointment from an Internal Layoff List
 - 1. Employees who are appointed from an internal layoff list to a position with the same salary range from which they were laid off will be paid at the same range and step that they were compensated when laid off, plus any across the board adjustments that occurred during the time they were laid off.

2. Employees who are appointed from an internal layoff list to a position with a lower salary range than the position from which they were laid off will be paid at the same range and step that they were receiving at the time they were laid off, provided it is within the salary range of the new position plus any across the board adjustments that occurred during the time they were laid off. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

36.11 Transition Review Period

- A. The Employer will require an employee to complete a six (6) month transition review period when the employee accepts a layoff option to a job classification in which they have:
 1. Not held permanent status,
 2. Been appointed from the General Government Transition Pool Program, or
 3. Been appointed from an internal layoff list.
- B. The Employer may extend the transition review period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Employer may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the internal layoff list. The employee will remain on the list until such time as their eligibility expires or they have been rehired. Separation during the transition review period will not be subject to the grievance procedure in [Article 32](#).

36.12 Recall

- A. The Employer will maintain an internal layoff list for each job classification. Permanent employees who are laid off (including employees who accept an option to a lower classification under [Section 36.7](#)) may request to have their name placed on the list for the job classification from which they were laid off or bumped. Additionally, employees may request to have their name placed on the internal layoff list for all other job classifications in which they have held permanent status. An employee will remain on internal layoff lists for three (3) years from the effective date of their layoff.
- B. When a vacancy occurs within an agency and when there are names on an internal layoff list, the most senior candidate on the agency's internal layoff

list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position. If an allocation determination is not made within the ninety (90) calendar days the employee will be provided with a status report detailing specific reasons why the determination has not been completed.

- C. In the event the employee disagrees with the reallocation decision of the agency, they may appeal the agency's decision to the Director of OFM State Human Resources within thirty (30) calendar days of being provided the results of a position review or the notice of reallocation. The Director of OFM State Human Resources will then make a written determination which will be provided to the employee.
- D. The Employer or the employee may appeal the determination of the Director of OFM State Human Resources to the Washington Personnel Resources Board, within thirty (30) calendar days of being provided the written decision of the Director of OFM State Human Resources. The Board will render a decision which will be final and binding.
- E. Employees will suffer no loss in pay for attending allocation appeal hearings that are scheduled during their work time. Employees will not be paid for attendance at hearings that are held outside their normal working hours; however, employee-requested schedule changes will be approved, if necessary. The Employer is not responsible for paying the employee's travel and per diem expenses for attending allocation appeal hearings.
- F. The effective date of a reallocation resulting from an employee request for a position review is the date the request was filed with the local Human Resources Office. The local Human Resources Office will not act upon the request until the signed copy is received from the employee's supervisor.

41.3 Effect of Reallocation

- A. Reallocation to a Class With a Higher Salary Range Maximum

 - 2. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher level duties for at least six (6) months, the Employer must give the employee the opportunity to compete for the position if they possess the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in [Article 36](#), Layoff and Recall, of this

Agreement will apply. If the employee is appointed to the position, they must serve a trial service period.

 - 2. If the employee chooses to vacate the position or does not have the skills and abilities required of the position, the layoff procedure specified in [Article 36](#), Layoff and Recall, of this Agreement will apply.

41.4 Salary Impact of Reallocation

- A. Reallocation to a Class With a Higher Salary Range Maximum

Upon appointment to the higher class, the employee's base salary will be increased to a step of the range for the new class that is nearest to five percent (5%) higher than the amount of the pre-promotional step. The Appointing Authority may approve an increase beyond this minimum requirement, not to exceed the maximum of the salary range.
- B. Reallocation to a Class With an Equal Salary Range Maximum

The employee retains their previous base salary.
- C. Reallocation to a Class With a Lower Salary Range Maximum

The employee will be paid an amount equal to their current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will continue to be compensated at the salary they were receiving prior to the reallocation downward, until such time as the employee vacates the position or their salary falls within the new salary range.

- 41.5** Decisions regarding appropriate classification will not be subject to the grievance procedure specified in [Article 32](#) of this Agreement.

 1. Evening shift is a work shift of eight (8) or more hours which ends at or after 10:00 p.m.
 2. Night shift is a work shift of eight (8) or more hours which begins by 3:00 a.m.
- B. A basic shift premium of one dollar (\$1.00) per hour will be paid to full-time employees under the following circumstances:
 1. Regularly scheduled evening and night shift employees are entitled to shift premium for all hours worked.
 2. Regularly scheduled day shift employees are not entitled to shift premium unless:
 - a. The employee's regular or temporary scheduled work shift includes hours after 6:00 p.m. and before 6:00 a.m. where no overtime, schedule change pay, or callback compensation is received. Shift premium is paid only for those hours actually worked after 6:00 p.m. and before 6:00 a.m.

- b. The employee is temporarily assigned a full evening or night shift where no overtime, schedule change pay, or callback compensation is received. Shift premium is paid only for all evening or night shift hours worked in this circumstance.
- 3. Employees regularly scheduled to work at least one (1), but not all, evening and/or night shifts are entitled to shift premium for those shifts. Additionally, these employees are entitled to shift premium for all hours adjoining that evening or night shift which are worked.
- C. Part-time and on-call employees will be entitled to basic shift premium under the following circumstances:
 - 1. For all assigned hours of work after 6:00 p.m. and before 6:00 a.m.
 - 2. For assigned full evening or night shifts, as defined in Subsection B.2, above.
- D. In cases where shift premium hours are regularly scheduled over a year, agencies may pay shift premium at a monthly rate that is equal for all months of the year. Monthly rates will be calculated by dividing twelve (12) into the amount of shift premium an employee would earn in a year if the hourly rules in Subsection B.2 of this Section were applied.
- E. When an employee is compensated for working overtime during hours for which shift premium is authorized in this Section, the overtime rate shall be calculated using the “regular rate.”
- F. Employees eligible for shift premium for their regularly scheduled shifts will receive the same proportion of shift premium for respective periods of authorized paid leave and for holidays not worked which fall within their regularly scheduled shift.

42.16 Standby

- A. An employee is in standby status while waiting to be engaged to work by the Employer and both of the following conditions exist:
 - 1. The employee is required to be present at a specified location or is immediately available to be contacted. The location may be the employee's home or other specific location, but not a work site away from home. When the standby location is the employee's home, and the home is on the same state property where the employee works, the home is not considered a work site.
 - 2. The agency requires the employee to be prepared to report immediately for work if the need arises, although the need might not arise.

- B. Standby status will not be concurrent with work time.
- C. When the nature of a work assignment confines an employee during off duty hours and that confinement is a normal condition of work in the employee's position, standby compensation is not required merely because the employee is confined.
- D. Overtime-eligible employees on standby status will be compensated at a rate of seven percent (7%) of their hourly base salary for time spent in standby status.
- E. Overtime-exempt employees will be compensated twenty-five dollars (\$25.00) for each day spent in standby status. A day is defined as a twenty-four (24) hour period beginning on the first hour an employee is assigned standby status.

42.17 Relocation Compensation

- A. The Employer may authorize lump sum relocation compensation, within existing budgetary resources, under the following conditions:
 - 1. When it is reasonably necessary that a person make a domiciliary move in accepting a reassignment or appointment; or
 - 2. It is necessary to successfully recruit or retain a qualified candidate or employee who will have to make a domiciliary move in order to accept the position.
- B. If the employee receiving the relocation payment terminates or causes termination of that employment with the state within one (1) year of the date of employment, the state will be entitled to reimbursement for the moving costs which have been paid and may withhold such sum as necessary from any amounts due to the employee. Termination as a result of layoff or disability separation will not require the employee to repay the relocation compensation.

42.18 Salary Overpayment Recovery

- A. When an agency has determined that an employee has been overpaid wages, the agency will provide written notice to the employee which will include the following items:
 - 1. The amount of the overpayment;
 - 2. The basis for the claim; and
 - 3. The rights of the employee under the terms of this Agreement.
- B. Method of Payback
 - 1. The employee must choose one (1) of the following options for paying back the overpayment:

- a. Voluntary wage deduction;
 - b. Cash; or
 - c. Check.
 2. The employee will have the option to repay the overpayment over a period of time equal to the number of pay periods during which the overpayment was made, unless a longer period is agreed to by the employee and the agency.
 3. If the employee fails to choose one (1) of the three (3) options described above, within the timeframe specified in the agency's written notice of overpayment, the agency will deduct the overpayment owed from the employee's wages. This overpayment recovery will take place over a period of time equal to the number of pay periods during which the overpayment was made.
 4. Any overpayment amount still outstanding at separation of employment will be deducted from their final pay.
- C. Appeal Rights
Any dispute concerning the occurrence or amount of the overpayment will be resolved through the grievance procedure in [Article 32](#) of this Agreement.

42.19 Assignment Pay Provisions

Assignment pay is a premium added to base salary and is intended to be used only as long as the skills, duties, or circumstances it is based on are in effect.

- A. An Employer may grant assignment pay to a position to recognize specialized skill, assigned duties, and/or unique circumstances that exceed the ordinary. The Employer determines which positions qualify for the premium.
- B. Classes approved for Assignment Pay have the letters "AP" appearing after their class title in the compensation plan. All Assignment Pay rates and Special Pay Ranges and Notes are attached as Compensation Appendices C and D to this Agreement.

42.20 Dependent Care Salary Reduction Plan

The Employer agrees to maintain the current dependent care salary reduction plan that allows eligible employees, covered by this Agreement, the option to participate in a dependent care reimbursement program for work-related dependent care expenses on a pretax basis as permitted by federal tax law or regulation.

42.21 Pretax Health Care Premiums

The Employer agrees to provide eligible employees with the option to pay for the employee portion of health premiums on a pretax basis as permitted by federal tax law or regulation.

42.22 Medical/Dental Expense Account

The Employer agrees to allow insurance eligible employees, covered by this Agreement, to participate in a medical and dental expense reimbursement program to cover co-payments, deductibles and other medical and dental expenses, if employees have such costs, or expenses for services not covered by health or dental insurance on a pretax basis, as permitted by federal tax law or regulation. Employees may participate to the maximum amount allowable by federal law.

42.23 Voluntary Separation Incentives – Voluntary Retirement Incentives

Agencies will have the discretion to participate in a Voluntary Separation Incentive Program or a Voluntary Retirement Incentive Program, if such program is provided for in the 2019-2021 operating budget. Such participation must be in accordance with the program guidelines. Program incentives or offering of such incentives are not subject to the grievance procedure.

42.24 Premium Pay

Employees assigned to a permanent duty station in King County will receive five percent (5%) Premium Pay calculated from their base salary. When an employee is no longer permanently assigned to a King County duty station, they will not be eligible for this premium pay.

ARTICLE 43 HEALTH CARE BENEFITS

- 43.1 A.** For the 2019-2021 biennium, the Employer will contribute an amount equal to eighty-five percent (85%) of the total weighted average of the projected medical premium for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits Board. The projected medical premium is the weighted average across all plans, across all tiers.
- B.** The point-of-service costs of the Classic Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance/co-payment) may not be changed for the purpose of shifting health care costs to plan participants, but may be changed from the 2014 plan under two (2) circumstances:
1. In ways to support value-based benefits designs; and
 2. To comply with or manage the impacts of federal mandates.

Value-based benefits designs will:

1. Be designed to achieve higher quality, lower aggregate health care services cost (as opposed to plan costs);
2. Use clinical evidence; and
3. Be the decision of the PEB Board.

- C. Article 43.1 (B) will expire June 30, 2021.
- 43.2** A. The Employer will pay the entire premium costs for each bargaining unit employee for basic life, basic long-term disability and dental insurance coverage.
- B. If the PEB Board authorizes stand-alone vision insurance coverage, then the Employer will pay the entire premium costs for each bargaining unit employee.
- 43.3 Wellness**
- A. To support the statewide goal for a healthy and productive workforce, employees are encouraged to participate in a Well-Being Assessment survey. Employees will be granted work time and may use a state computer to complete the survey.
- B. The Coalition of Unions agrees to partner with the Employer to educate their members on the wellness program and encourage participation. Eligible, enrolled subscribers who register for the Smart Health Program and complete the Well-Being Assessment will be eligible to receive a twenty-five dollar (\$25.00) gift certificate each calendar year. In addition, eligible, enrolled subscribers shall have the option to earn an annual one hundred twenty-five dollars (\$125.00) or more wellness incentive in the form of reduction in deductible or deposit into the Health Savings Account upon successful completion of required Smart Health Program activities. During the term of this Agreement, the Steering Committee created by Executive Order 13-06 shall make recommendations to the PEBB regarding changes to the wellness incentive or the elements of the Smart Health Program.
- 43.4** The PEBB Program shall provide information on the Employer Sponsored Insurance Premium Payment Program on its website and in an open enrollment publication annually.
- 43.5 Medical Flexible Spending Arrangement**
- A. During January 2020 and again in January 2021, the Employer will make available two hundred fifty dollars (\$250.00) in a medical flexible spending arrangement (FSA) account for each bargaining unit member represented by a Union in the Coalition described in [RCW 41.80.020\(3\)](#), who meets the criteria in Subsection 43.5 B below.
- B. In accordance with IRS regulations and guidance, the Employer FSA funds will be made available for a Coalition bargaining unit employee who:
1. Is occupying a position that has an annual full-time equivalent base salary of fifty thousand four dollars (\$50,004.00) or less on

November 1 of the year prior to the year the Employer FSA funds are being made available; and

2. Meets PEBB program eligibility requirements to receive the employer contribution for PEBB medical benefits on January 1 of the plan year in which the Employer FSA funds are made available, is not enrolled in a high-deductible health plan, and does not waive enrollment in a PEBB medical plan except to be covered as a dependent on another PEBB non-high deductible health plan.
 3. Hourly employees' annual base salary shall be the base hourly rate multiplied by two thousand eighty-eight (2,088).
 4. Base salary excludes overtime, shift differential and all other premiums or payments.
- C. A medical FSA will be established for all employees eligible under this Section who do not otherwise have one. An employee who is eligible for Employer FSA funds may decline this benefit but cannot receive cash in lieu of this benefit.
- D. The provisions of the State's salary reduction plan will apply. In the event that a federal tax that takes into account contributions to a FSA is imposed on PEBB health plans, this provision will automatically terminate. The parties agree to meet and negotiate over the termination of this benefit.

ARTICLE 44

STRIKES

Nothing in this Agreement permits or grants to any employee the right to strike or refuse to perform their official duties.

ARTICLE 45

WSP COMMUNICATION OFFICER TEMPORARY REASSIGNMENT

- 45.1** The WSP has the authority and responsibility to staff communications centers. If the need arises, qualified CO 1s and 2s will be temporarily reassigned to staff any communications center to meet minimum emergency staffing levels. It is further recognized and understood that there may be future emergency staffing needs in response to wildfires, storms, or other natural disasters, or agency commitments (Governor's Conference, etc.) that may require temporary reassignment.
- 45.2** When a staffing need arises, the WSP will seek volunteers on a statewide basis and attempt to determine other means to accomplish the staffing requirements. Volunteering for any scheduled staffing requirement of any duration (minimum of one [1] or more days) will exempt that employee from temporary reassignment until all other COs, within their permanent work center, have either volunteered or have

been reassigned at least once. If the number of volunteers is not sufficient to meet the temporary staffing need, the WSP will resort to temporary reassignment.

If a temporary reassignment is necessary:

- A. The employee will be given at least seven (7) calendar days' advance notice of the reassignment.
- B. Seniority will dictate the order of selection for reassignments, starting with the most senior employee who may accept or decline and progressing to the least senior employee until the position(s) is/are filled. Employees shall not be reassigned a second time until all employees within their permanently assigned center, regardless of seniority, have rotated through the selection process.
- C. The reassignment will be limited to five (5) or less consecutive days in a workweek, unless the employee volunteers to work additional days.
- D. No center, whose entire staff has been voluntarily transferred or involuntarily reassigned, will be subject to another reassignment until all other communications centers have rotated staff for voluntary and/or involuntary reassignment. (This Section does not apply to centers who are short-staffed.)
- E. Employees on probation will be exempt from a temporary reassignment.
- F. Permanent employees with current, documented work performance problems may be exempt from temporary reassignment.

Communications managers will not reassign someone to a separate center if such transfer would interfere with the employee's first choice for scheduled leave.

ARTICLE 46

WSP RESIDENCY REQUIREMENT

46.1 Applicability

This Article applies only to WSP Bargaining Units.

46.2 Employees Subject to Emergency Call Out But Not Assigned A State Vehicle

- A. Employees who, because of the nature of their duties, may be subject to emergency call-out, will be allowed to live seventy-five (75) miles from their duty station;
- B. The Internet website Google (shortest route) will be the official measurement of the distance from the duty station to the employee's residence. If Expedia.com does not recognize a street name or address, the employee will be responsible for finding the nearest address that Expedia.com does recognize and then driving the remaining distance with

their supervisor to determine whether the residence is within the seventy-five (75) mileage limitation;

- C. The mileage determination on Google will not contain water (ferry) miles, airline, straight line or any other method of mileage measurement other than all-season maintained streets recognized by Google. In the case of a new street, the employee will have to get a determination from their supervisor whether the street meets the definition of an all season maintained street, road, highway, etc.; and
- D. This Section will not affect anyone who has been previously approved for a waiver of the mileage limitations; however, if an individual moves from their previously approved residence, the new residence location must comply with this Article.

46.3 Employees With Assigned Take-Home Vehicles

- A. Employees with assigned take-home vehicles shall live within forty-five (45) miles of their assigned district, division, or duty station. Exceptions for compliance review and safety auditor positions may be approved upon mutual agreement between the Employer and the employee;
- B. The Internet website Google (fastest route) will be the official measurement of the distance from the division, district or assigned duty station, to the employee's residence. If Google does not recognize a street name or address, the employee will be responsible for finding the nearest address that Google.com does recognize and then driving the remaining distance with their supervisor to determine whether the residence is within the mileage limitations;
- C. The mileage determination on Google will not contain water (ferry) miles, airline, straight line or any other method of mileage measurement other than all-season, paved, maintained streets recognized by Google that are generally open, passable, and available to be used by bargaining unit members to travel to and from their division, district or assigned duty station at the beginning and end of each shift twelve (12) months each year. In the case of a new street, the employee will have to get a determination from their supervisor as to whether the street meets the definition of an all-season, maintained, paved street, road, highway, etc.;
- D. Any employee who decides to take advantage of the terms of this Article will be required to send an Interoffice Communication (IOC) through the chain-of-command, which must be approved by the Bureau Director before moving; and
- E. The IOC will provide notice of the intent to move to a residence under the terms of this Article, accompanied by a copy of the Google map showing that the new residence complies with the terms of this Article.

46.4 Compliance

Employees will have one-hundred twenty (120) calendar days from the date of transfer, appointment, or promotion to comply with these guidelines.

**ARTICLE 47

47.1 This Agreement constitutes the entire agreement and any past practice or past agreement between the parties prior to July 1, 2007, whether written or oral, is null and void, unless specifically preserved in this Agreement.

47.2 With regard to [WAC 357](#), this Agreement preempts all subjects addressed, in whole or in part, by its provisions.

47.3 This Agreement supersedes specific provisions of agency policies with which it conflicts.

47.4 During the negotiations of the Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining. Therefore, each party voluntarily and unqualifiedly waives the right and shall not be obligated to bargain collectively, during the term of this Agreement, with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either of the parties at the time they negotiated this Agreement. Nothing herein will be construed as a waiver of the Union's collective bargaining rights with respect to matters that are mandatory subjects/topics under the law.

**ARTICLE 48
SAVINGS CLAUSE**

48.1 Invalidity

If any court or board of competent jurisdiction finds any article, section or portion of this Agreement to be unlawful or invalid, the remainder of the Agreement shall remain in full force and effect. If such a finding is made, the parties agree to make themselves available to negotiate a substitute for the invalid article, section or portion. Negotiations will begin within thirty (30) calendar days of the request.

**ARTICLE 49
PRINTING/POSTING OF AGREEMENT**

The Employer will coordinate the publication of this Agreement. All current and new employees will be provided a link to the Agreement and will be authorized access to the Agreement link. In addition, the Employer and Union will equally share all the costs of initially printing two hundred and fifty (250) Agreements for distribution by the Union to

union stewards. The Employer will post this Agreement on the Washington State Office of Financial Management web site and provide a copy to the Union in electronic format. Employees will be allowed to print a copy of the Agreement using State resources. The Employer will update the link with any changes to the Agreement.

ARTICLE 50

SPECIAL PAY RANGES AND NOTES

SPECIAL PAY RANGES

These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

“E” RANGE: This range is used for classes having a prevailing pay range which is shorter than Washington’s standard range. An “E” range is a standard range with the first four (4) steps removed. The first step is the same as Step E of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

ARTICLE 36

LAYOFF AND RECALL

36.1 Layoff is an Employer-initiated action, taken in accordance with [Section 36.2](#) below, that results in:

- A. Separation from service with the Employer;
- B. Employment in a class with a lower salary range;
- C. Reduction in the work year; or
- D. Reduction in the number of work hours.

The Employer will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article. Whenever possible, the Employer will notify the Union of major layoff actions, described in [Subsections 36.2 A, B and C](#) below, thirty (30) days prior to implementation.

36.2 Basis for Layoff

Layoffs may occur for any of the following reasons:

- A. Lack of funds.
- B. Lack of work.
- C. Good faith reorganization.
- D. Ineligibility to continue in a position that was reallocated.
- E. Termination of a project.
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

36.3 Voluntary Layoff, Leave Without Pay or Reduction in Hours

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce their hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based upon staffing needs. Employees who volunteer to be laid off may request to have their names placed on the internal layoff list for the job classifications in which they held permanent status and/or participate in the General Government Transition Pool program.

36.4 Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

36.5 Temporary Layoff – Employer Option

- A. The Employer may temporarily lay off an employee for up to twenty-five (25) calendar days per biennium due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or other unexpected or unusual reasons. Employees will normally receive notice of seven (7) calendar days of a temporary layoff. The Employer will not use a temporary layoff for disciplinary purposes. WSDOT will pursue the assignment of other regional work to affected employees prior to a temporary layoff for lack of work.
- B. An employee who is temporarily laid off will not be entitled to:
 - 1. Be paid any leave balance;
 - 2. Bump to any other position; or
 - 3. Be placed on the internal layoff list.
- C. A temporary layoff will not affect an employee's periodic increment date, will not constitute a break in service as defined by [Article 35.1 A](#) and the employee will continue to accrue vacation and sick leave credit at their normal rate.

36.6 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in [Appendix B](#).

36.7 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in [Article 35](#), Seniority, among the group of employees with the required skills and abilities. Skills and abilities for layoff purposes are documented qualifications that have been identified at least three (3) months prior to the layoff and require a reasonable period to acquire, as determined by the Employer. The Employer may require updated information from the employee regarding their current skills and abilities. Employees being laid off will be provided the following options to comparable positions in descending order within the layoff unit:
 - 1. A funded vacant position for which the employee has the skills and abilities, within their current job classification.
 - 2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within their current job classification.

3. A funded vacant or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as their current permanent position, within a job classification in which the employee has held permanent status.
- B. Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions.
- C. If a job classification in which an employee has previously held status has been abolished or revised, a crosswalk to the classification series will be used to identify any layoff option(s). The employee must have the skills and abilities of any identified position.
- D. For employees who have transitioned into the IT Professional Structure on July 1, 2019, layoff options within the layoff unit will be determined as follows:
 1.
 - a. A funded vacant position within their current permanent job family and level for which the employee has the skills and abilities.
 - b. A funded vacant position within another job family and level at the same salary range for which the employee has the skills and abilities.
 2.
 - a. A funded filled position held by the least senior employee within their current permanent job family and level for which the employee has the skills and abilities.
 - b. A funded filled position held by the least senior employee within another job family and level within the same salary range as their current permanent job family an level for which the employee has the skills and abilities.
 3. A funded or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as their current permanent position within a job classification in which the employee has held permanent status or, at the employee's written request, to a lower classification within a job classification series that the employee has held permanent status, even if the employee has not held permanent status in the lower job classification.

Options will be provided in descending order of salary range and one (1) progressively lower at a time. Vacant positions will be offered prior to filled positions. Part-time employees only have formal options to part-time positions.

Full-time employees only have formal options to full-time positions. For employees in the IT Professional Structure hired on or before June 30, 2019, the IT Assessment form will be used to identify available layoff options within the IT Professional Structure.

36.8 Informal Options

Employees being laid off may be offered funded vacant positions within their layoff unit or funded vacant project positions, provided they meet the skills and abilities required of the position and it is at the same or lower salary range as the position in which they currently hold permanent status. The Employer may require updated information from employees regarding their current skills and abilities.

36.9 Notification to Employees with Permanent Status

- A. Except for temporary layoffs as provided in [Subsection 36.5](#), employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Union will be provided with a copy of the notice.
- B. Except for temporary layoffs as provided in [Subsection 36.5](#), if the Employer chooses to implement a layoff action without providing fifteen (15) calendar days' notice, the employee will be paid their salary for the days that they would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the Employer to the employee.
- D. The day that notification is given constitutes the first day of notice.

36.10 Salary

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Transfer or Bump
An employee who accepts a transfer or bumps to another position within their current job classification will retain their current base salary.
- B. Voluntary Demotion in Lieu of Layoff and Bump to a Lower Position
An employee who bumps to another position with a lower salary range will be paid an amount equal to their current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

C. Appointment from an Internal Layoff List

1. Employees who are appointed from an internal layoff list to a position with the same salary range from which they were laid off will be paid at the same range and step that they were compensated when laid off, plus any across the board adjustments that occurred during the time they were laid off.
2. Employees who are appointed from an internal layoff list to a position with a lower salary range than the position from which they were laid off will be paid at the same range and step that they were receiving at the time they were laid off, provided it is within the salary range of the new position plus any across the board adjustments that occurred during the time they were laid off. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

36.11 Transition Review Period

- A. The Employer will require an employee to complete a six (6) month transition review period when the employee accepts a layoff option to a job classification in which they have:
 1. Not held permanent status,
 2. Been appointed from the General Government Transition Pool Program, or
 3. Been appointed from an internal layoff list.
- B. The Employer may extend the transition review period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Employer may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the internal layoff list. The employee will remain on the list until such time as their eligibility expires or they have been rehired. Separation during the transition review period will not be subject to the grievance procedure in [Article 32](#).

36.12 Recall

- A. The Employer will maintain an internal layoff list for each job classification. Permanent employees who are laid off (including employees who accept an option to a lower classification under

[Section 36.7](#)) may request to have their name placed on the list for the job classification from which they were laid off or bumped. Additionally, employees may request to have their name placed on the internal layoff list for all other job classifications in which they have held permanent status. **Temporary Layoff Opportunities Through the ESD SharedWork Program to
Address Budget Issues**

Section 1 - Scope of application and employee considerations

The parties agree that to address the serious budget shortfall facing Washington State, the Employer will use the process set out below to furlough bargaining unit employees.

Furloughed employees who participate in the ESD SharedWork Program up through July 25, 2020, may qualify to receive additional unemployment assistance for each week they are in temporary layoff status and are receiving unemployment compensation. To assist employees who are subject to the temporary layoffs outlined in this MOU, the Employer agrees to work with the Employment Security Department to arrange for educational guidance and assistance with the application process for the SharedWork program and assistance with applying for unemployment benefits for which they may be eligible. During the term of this MOU some employee performance measures may require adjustment proportionate to the number of work days spent in temporary layoff status.

Section 2 - Voluntary furlough option

Effective immediately, agencies will apply for participation in the SharedWork program and begin soliciting volunteers for temporary layoffs for a minimum of one day per week for all eligible employees. Employee requests for voluntary furloughs will be contingent upon agency approval.

Section 3 – Employer-directed furloughs through July 25, 2020

The Employer will designate one day per week to furlough eligible positions beginning no later than June 28, 2020 and continuing through July 25, 2020. This initial requirement for each eligible employee to be furloughed one day per week will cease on July 25, 2020.

Section 4 – Employer-directed furloughs from August 1, 2020 through November 30, 2020

Beginning August 1, 2020, each agency may designate ongoing furloughs of 1 day per month through November 30, 2020 for the group of employees identified above. Adjustments may be made based on budget outlook and other budget factors as they become known, and the Employer will satisfy bargaining obligations where applicable.

Employees will be given the opportunity to submit for a preferred furlough day, and the Employer will make reasonable attempts to accommodate the employee's preference.

Section 5

In administering the assignment of Employer-directed furloughs the employer will strive to identify the largest employee pool possible in order to spread the burden of salary reductions over the widest population while also taking into consideration the operational and service delivery requirements of the agencies.

The parties agree that - should additional furloughs beyond the days set out above be required - the state shall provide notice of its intent to do so and will satisfy its bargaining obligations. In addition to the provisions outlined above, the parties agree to continued discussions on or after July 1, 2020 to identify options to address budget issues during the next biennium.

The terms of this MOU will expire on June 30, ~~2023~~2021 unless mutually modified by the parties.

COVID-19 Response –Seniority Protection for High Risk Leave Without Pay

Whereas, on February 29, 2020, Governor Inslee issued Proclamation 20-05, proclaiming a State of Emergency for all counties throughout Washington State as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and confirmed person-to-person spread of COVID-19 in the state of Washington and;

Whereas, A subsequent Proclamation, 20-46.1, was issued providing guidance to address the high risk COVID-19 poses to our most vulnerable populations and;

Whereas, Proclamation 20-46.1 requires employers to provide accommodation to high risk workers to protect them from risk of exposure and permit an employee to utilize leave options free from risk of adverse employment action and;

Whereas, Proclamation 20-46.1 also prohibits all public employers in Washington State and labor unions representing employees in Washington State from applying or enforcing any employment contract provisions that contradict or otherwise interfere with the prohibitions and the intent of the Proclamation and;

Whereas, the parties to this MOU agree that in order to meet the requirements stated within Proclamation 20-46.1, revisions to the collective bargaining agreement between the State of Washington and Protec17 are required.

Therefore, the parties agree to modify Article 35, Section 35.1(A) as follows:

35.1 Definition

- A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on-call employees will be based on actual hours worked. Actual hours worked includes all regular and overtime hours worked, and all paid holiday and leave hours, and excludes compensatory time off. For purposes of calculating actual hours worked for part-time and on-call employees, forty (40) hours will equal seven (7) days of seniority. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when the leave without pay is taken for:

1. Military leave or United States Public Health Service leave;
2. Compensable work-related injury or illness leave;

3. Governmental service leave and leave to enter the Peace Corps, not to exceed twenty-seven (27) months;
4. Educational leave, contingent upon successful completion of the coursework; ~~and/or~~
5. Reducing the effects of layoff ; and/or
6. Leave authorized by a governor's proclamation directly related to health and safety.-

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward in an amount equal to the duration of the leave without pay. Time spent on a temporary layoff in accordance with Article 36.5, Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff, and are re-employed within three (3) years of their separation date, will not be considered to have a break in service. For purposes of calculating actual hours worked for part-time or on-call employees, forty (40) hours will equal seven (7) days of seniority.

This agreement shall be effective upon the date specified below and will remain in effect through June 30, 2021.
