MASON TRADE TRAINEE

617E

Abolished: Adopted 08/13/2009, Effective 08/14/2009

Definition:

This is the entry level of the series. Positions assigned to this class are assigned as a trade trainee for the Mason and Plasterer class receiving on-the-job and academic training to achieve journey status.

Typical Work:

Under guidance of a journey-level mason and plasterer, performs various maintenance and alternation duties with special emphasis on those duties required to complete the specific on-the-job mason trades training program;

Obtains, prepares, and delivers materials on the job site and assists in assembly and installation;

Cleans up and maintains shop areas, work sites, and storage areas;

Completes on-the-job mason trades training program requirements;

Completes related academic training which will consist of designated trades schools and/or correspondence courses as available and applicable to the mason journey class;

Performs related duties and functions as specified in approved trades training program.

Knowledge and Abilities:

Knowledge of: standard practices, methods, materials, tools, and equipment of masonry and plastering trades; safety precautions.

Ability to: work from blueprints, plans, and sketches; apply plaster and stucco; estimate time and materials needed to complete jobs; work on scaffolds.

Legal Requirement(s):

There may be instances where individual positions must have additional licenses or certification. It is the employer's responsibility to ensure the appropriate licenses/certifications are obtained for each position.

Desirable Qualifications:

Positions typically require high school graduation or equivalent; or, six months' experience as a maintenance aide or equivalent. Possession of a valid motor vehicle operator's license may be required.
